

WHITE RIVER BRIDGE TO BE OPENED EARLY

State Highway Commission
Gives Condition of
Roads.

By rushing repairs on the White River bridge west of Martinsville the State highway maintenance department will be able to open it Nov. 14, more than a week earlier than

anticipated, officials said today. As a result Indianapolis traffic for Spencer and Bloomington may use State Rds. 22, 12 and 32 instead of being required to remain entirely on 12.

The commission's weekly bulletin today said that new bridges had been completed on State Rd. 15 near Boylston, State Rd. 22 near Petersburg and State Rd. 34 near Brookville.

Conditions of roads out of Indianapolis for the week of Nov. 14 are:
No. 1 (New Albany, Indianapolis, South Bend, Michigan line)—Detour just north of Fern account bridge ditch. Detour from two miles north of Edinburg to Franklin account paving. New pavement from Crothersville to Austin. There detour east one and one-half miles on county road to old State Rd., thence south to Scottsburg.
No. 5 (Richmond, Indianapolis, Terre Haute)—Bridges run-around at six miles west of Richmond and at one-eighth mile east of Pershing. Closed during day to permit building shoulders along half mile

now pavement at five miles east of Terre Haute.
No. 9 (Madison, Greensburg, Indianapolis, Lafayette, Oxford)—Detour at two miles north of Lebanon to Thompson Rd., thence north through Thompson to Rd. 6. Side detour one and one-half miles north west of Thompson; short detour one mile further northwest and detour at eleven miles south of Lafayette through Stockwell.
No. 12 (Vincennes, Spencer, Indianapolis)—Drive carefully at approaches to temporary bridge two miles north of Gosport.
No. 15 (Indianapolis, Logansport, Michigan line)—Closed for six miles south of Logansport for construction: road detour.
No. 22 (English, Paul, Bedford, Bloomington, Martinsville, Indianapolis)—Closed at a point five miles south of Indianapolis for constructing overhead bridge over Illinois Central Railroad. Detour is out S. Meridian St. over Three North Rd. thence on one mile gravel road to No. 22. Closed between Martinsville and Bloomington, and English to Paul for paving. Through traffic between Martinsville and Bloomington use No. 15 and 32. Closed at new bridge two miles south of Bedford. Detour east in Bedford on No. 22. Closed southeast on bituminous macadam road via Riverdale to No. 22 at Mitchell. From Paul there is a county road to Indianapolis via Marengo and English. Avoid
