RHEUMATIC OR NEURITIS PAIN

"Heet" Relieves Instantly

With applicator attached to cork, just brush "Heet" over the pain area, whether in knees, feet, legs, hands, shoulders, back, neck or body. Instantly, you feel this harmless, glorious penetrating heat draw the pain, soreness and stiffness right out of the aching or swollen joint, muscle or nerve. Besides, "Heet" scatters the congestion and establishes a permanent relief. "Heet" contains two soothing, penetrating ingredients, too expensive to use in ordinary liniments or analgesics. "Heet" is a clean, fragrant liquid; doesn't stain, blister or irritate the skin and costs only 60 cents at any drug store.—Advertisement.
