New Search for Missing  
Mayor-Elect Rumored  
Under Way.

The Ku-Klux Klan again will attempt to locate Mayor-Elect John L. Duvall in his hiding places in and near Pekin, Ill., it was rumored today. According to the rumor, a delegation was being formed in Indianapolis to find Duvall in Illinois and persuade or bring him back to the Klan meeting Friday night.

The report was denied by George Elliott, grand cyclops of the Marion County organization.

Last Thursday and Friday a volunteer delegation of Klansmen arrived in Pekin and demanded to know where Duvall was in hiding. Duvall was not in his usual seclusion district the last three days of last week, but is thought to have returned Sunday. He has been making short automobile trips and has made no announcement of when he intends to return to Indianapolis.

As politicians had predicted, George V. Coffin, Republican county chairman, scored another victory when Governor Jackson announced appointment of four judges for the new municipal courts, effective Jan. 1.

Edward W. Felt, Fred McCallister, Paul C. Wetter and Dan V. White, the appointees, are considered Coffin men or endorsed by him. In accordance with the law, Jackson named two Democrats, McCallister and Felt, while the Republican members are Wetter, and White, present city judge. The two Demo-

crats will head the civic courts in the Marion County courthouse and the Republicans the criminal courts in the police station, it is believed. Appointments were withheld until Coffin returned from a hunting trip. Jackson also conferred with Lawrence B. Davis, Indianapolis Bar Association president. The association will entertain the new judges and Senator Arthur R. Robinson at a dinner at 6:30 p. m. tonight at the Indianapolis Athletic Club.

## DUNN CHARGES WASTE EXISTS IN FLOOD WORK

Auditor Says County Will  
Pay \$300,000 Only  
With Mandate.

Charging useless waste of money, Harry Dunn, county auditor, today reiterated that Marion County will not pay the \$300,000 which the city says is due as the county's share for property on the east bank of White River south of W. Morris St., for flood prevention projects, unless mandated by court.

William Bosson, city attorney, conferred with Dunn Tuesday in an attempt to have the county pay a \$17,742.23 installment on the costs of the Kentucky and Oliver Ave. bridges.

"The county officials believe that the acquisition of real estate on the east bank of the river for construction of a flood wall is ill advised," Dunn said. "It will serve no good purpose and is a huge waste of public funds."

Dunn also said that county officials contended that the building of the two bridges was unnecessary and that one large bridge should have been built at Kentucky Ave. and the old bridge at Oliver Ave. repaired.

Dunn said the county is paying its monthly installments on the Kentucky Ave. and Oliver Ave. bridges.

Often a  
*Bridesmaid*  
but never a  
*Bride*

HER case was really a pathetic one. Most of the girls in her set were married or about to be. That morning she had received still another wedding announcement. And as her birthdays crept gradually toward that tragic thirty mark, marriage seemed farther from her life than ever. She was often a bridesmaid, but never a bride.

You, yourself, rarely know when you have halitosis (unpleasant breath). That's the insidious thing about it. And even your closest friends won't tell you. Sometimes, of course, halitosis comes from some deep-seated organic disorder that requires professional advice. But usually—and fortunately—halitosis is only a local condition that yields to the regular use of Listerine as a mouth wash and gargle. It is an interesting thing that this well-known antiseptic that has been in use for years for surgical dressings, possesses these unusual properties as a breath deodorant. It puts you on the safe and polite side.

Listerine halts food fermentation in the mouth and leaves the breath sweet, fresh and clean. Not by substituting some other odor but by really removing the old one. The Listerine odor itself quickly disappears.

This safe and long-trusted antiseptic has dozens of different uses; note the little circular that comes with every bottle. Your druggist sells Listerine in the original brown package only—never in bulk. There are four sizes: 14 ounce, 7 ounce, 3 ounce and 1 1/4 ounce. Buy the large size for economy.—Lambert Pharmaceutical Company, Saint Louis, U. S. A.
