Many Duties**

—Photo by Parrott.

Patrolman Robert J. Beals

What would you do if you were a policeman and all you had to do was to watch over the grounds of a city hospital, a children's hospital, a lover's lane, and a section once known as "Dice Shooting Heaven."

This is what Patrolman Robert J. Beals has to do every day between the hours of 7 a.m. and 3 p.m. Some one might, at any time be escaping from the detention ward of the hospital, and the heavy shade trees make day like night along lovers' lane. Beals knows how to watch all these things and was appointed to the department Sept. 15, 1920. He lives at 3251 Kenwood Ave.

**THIRTY OTHERS
TO BE INDICTED**

'Higher-Ups' in \$9,000,000 Beer Plot Are Named.

By United Press

CHICAGO, Nov. 19.—Thirty new Federal indictments are expected before the end of the week in connection with the alleged \$9,000,000 a year beer conspiracy. They are in addition to the indictments of the Boston & Maine Railroad, the Gilt Edge Brewery Company of Boston and twenty-six railroad employees, dry agents, Chicago policemen and truck drivers.

"Higher-ups" will be named, it was hinted. Between 3,000 and 4,000 railroad carloads of beer have been shipped from the Gilt Edge brewery to Chicago since the first of this year, Federal agents said, involving men all along the way.

The grand jury still is in session. David Allen, manager of the brewery, is on his way to Europe, officials here have been informed.

Husbands Often Victims
of Chronic Fatigue**

MANY a wife thinks that because her husband is always cross and irritable, criticizing and complaining, that he does not love her any longer or that he is working too hard—when as a matter of fact the real cause of his "flare-ups" is—chronic fatigue. Chronic fatigue is entirely different from the ordinary fatigue you feel after hard work. Chronic fatigue comes from within. Your nerves, organs, and muscles have become debilitated due to lack of sufficient organic iron in your blood. To conquer chronic fatigue you must strengthen your system by re-

storing this organic iron to your blood. But don't take the older mineral iron medicines which many doctors now say do little good. Take organic iron—Nuxated Iron—which is like the iron in your blood and like that in spinach and lentils. Unlike ordinary mineral iron, it will not injure the teeth or disturb the stomach, but is promptly assimilated. Take Nuxated Iron for just two weeks and you'll be astonished how much stronger and better you feel. Money back if not improved. At all good druggists.—Advertisement.
