Syndicate of Desperadoes Is Uncovered.

CHICAGO, Nov. 27.—Alarmed by the proportions of the Chicago bombing syndicate, uncovered by the arrest of a girl in the act of bombing a hardware store, State's Attorney Crowe in Criminal Court today, demanded special grand jury action.

From the confession of the Mrs. Leona Shrook Rice, 23, who deserted her husband and three children in Battle Creek, Mich., and came to Chicago with another man, Crowe learned that for a price, usually ranging from \$500 to \$1,000 any residence or place of business would be bombed by the syndicate.

Homes of policemen and criminal trial witnesses furnished the syndicate's most business according to the girl's confession. The syndicate consisted of more than 100 desperadoes, Crowe said after grilling the girl.

## IF HAIR IS TURNING GRAY, USE SAGE TEA

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundred-fold. Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients for only 75 cents, all ready for use.

It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair. Everybody uses "Wyeth's" Sage and Sulphur Compound now because it dyes so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the grey hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.—Advertisement.
