

REMOVE LONG DETOURS UP INDIANA ROADS

Conditions Over State Set Forth in Weekly Bulletin.

Several long detours were removed in the last few days by reason of opening new pavement and new bridges. John D. Williams, State highway director, announced today.

Chief among these is new pavement on Rd. 11, between Anderson and Marion; Rd. 13, between New-

castle and Mt. Summit; Rd. 15, for six miles south of Logansport; Rd. 21, from seven miles out of Decatur to the Allen County line and Rd. 39 in Marion County. On the latter road two and one-half miles of new bituminous pavement is completed and traffic permitted to use the new water-bound macadam base, thus eliminating a long detour in force all summer between Rd. 39 and the National Rd. via Cumberland.

WASHINGTON JUST MISSES SEEING DUEL

French Ace Challenges American to Fight After Toe Is Stepped On.

By Times Special. WASHINGTON, Nov. 27.—Washington has just escaped having an "affair of honor" which might have been loaded with international consequences.

Capt. Reni Fonck, French World War ace officially credited with downing seventy-five enemy planes, was ascending to his hotel suite, when an American, Lester Stancill, entered the elevator

and accidentally stepped on the ace's foot.

Promptly the American begged the Frenchman's pardon. He also presented his card and offered his aid to the visitor during his stay here.

Captain Fonck, neither speaking nor understanding English, misinterpreted the gesture. Drawing out a card he jabbed it into Stancill's hand.

Next morning Stancill was advised that his seconds were expected to arrange for a duel.

Speedy explanation by an interpreter, however, caused a handshake in place of pistol shots.
