

STIRRIN' the DOPE

By VEDDER GARD

THE new legislative body of the Indiana High School Athletic Association meets on Saturday to vote on twenty-six proposals submitted by principals of various high schools over the State.

To the best of their judgment these twenty newly elected legislators and the five members of the board of control will either make further regulations on suggested or discard them.

The proposals rank from the ridiculous to the sublime. It is largely in the point of view which are ridiculous and which sublime.

We hope that the recently elected law-makers are broad minded, yet uninfluenced by outside pressure or inward prejudices. We hope that in each instance they will think of the I. H. S. A. A. as a whole and not consider any petty interests.

And above all we hope that they escape the evil that most legislative bodies fall into—that of making too many laws. The high school association is a great and mighty force as it now stands. It probably needs very few additional laws. Remember that legislators!

ACROSS THE BOARD TODAY

We lost some money on Thanksgiving day, but we are thankful we have such a fat bank roll that the few dollars dropped don't make much difference. The best bet of the day, Princess Doreen, was second, and made a little money for place and show. Scratches and also ran spoiled our chances, however.

At New Orleans, Gibbons, a prohibitive favorite at odds of 15 cents to the dollar, was noosed out and finished second and paid only 10 cents on a dollar to place and show.

Gipsy Flyer was withdrawn from the second race and the same thing happened to Prince James in the fifth. Bosh was out of the dough. At Bowie we collected only on Princess Doreen. But Bart was scratched from the fourth race and went in the feature. Other selections were also made. We got back only \$138 out of the \$180 put up. The bank roll today is \$1,539.80.

We must go easy at New Orleans until we get into the swing of things at that track. It is always bad policy to get out strong at a new track, or any other track, for that matter, at the commencement of the meeting.

COMEDY in the second at Jefferson Park is given the preference. It will be played \$5 across the board. RED PENNANT ought to do it in the fourth and gets the same investment. KING TUT is reported far from being a dead one in the fifth and is worth \$10 win and place. ZANZIBAR in the last is worth \$5 across. The two will be combined in a \$5 win and place parlay.

At Bowie in the fifth the Redweld entry of OFFERMAN and PRINCE HAMELET looks worth a \$10 win, place and show speculation. The latter horse must go or the water is withdrawn. In the fourth CUDGELLER is over-due and \$10 across goes on that one's chances.

ANY ONE with the notion that the big professional football teams aren't formidable take a look at Grange's record Thursday against the Chicago Cards. According to reports, Red's longest gain from scrimmage was six yards.

His best efforts were in running back punts and he didn't have a great deal of opportunity even in that little specialty as Paddy Driscoll of the Cards kept the kicks away from the former Illinois star.

Grange, no doubt is thinking of at least a couple of things today. He realizes that the machine-like cooperation of his mates on the Illinois team, learned in long hours of hard work, was a great aid in his sensational dashes. He realizes that pro football is tough with no necktie tackles.

Red is not the first college man who has found this old world is full of good men. Even a Red Grange finds plenty of competition.

Think that was a big crowd out to see Tech and Manual battle for the city high school grid-tittle? At Toledo on Thanksgiving day morning 24,000 watched Waite and Scott High Schools in their city championship fray, which Waite won, 22 to 7.

THE South Side Turners announce their next amateur boxing show will be held in the Turner gymnasium Wednesday evening, Dec. 9. It is planned to hold one show each month during the winter season, leading up to the city championship tournament in April.

Boxing classes have been established at the Turner clubhouse under competent instructors, and an invitation is extended to any one wishing to take the sport to enter. Boys showing talent will be trained and entered in the amateur shows.

There was a great opportunity for "past-post" waging on the Colgate and Brown football battle. The game was played in the morning. Luckily the contest was a 14 to 14 tie, but anybody that "gave" points Thursday afternoon has a legitimate squawk and we believe all such transactions should be called off.

It looks as though the weather man will end the football season in the same manner it was started. New York promises plenty of mud for the annual Army and Navy contest at the Polo Grounds. We nominate for the "meanest man" the weather man. That ought to get some cheers. "All wet" doesn't half express our sentiments.

Three former Hoosier college grid stars played with and against Red Grange Thursday in the Chicago pro game. Hanny, who once was a whizz at Indiana, guarded the left wing for the Bears and did the punting, while Anderson of Notre Dame fame, was at left end for the Cards. Flaypool, former Purdue center, held down the middle of the line for the Cards.

ANNUAL ARMY-NAVY GRID STRUGGLE TO BE HELD ON WET FIELD

Rain in New York Indicates Bad Footing for Uncle Sam's Football Warriors Saturday.

NEW YORK, Nov. 27.—Gray skies yielding plenty of moisture today indicated a sloshy field for the annual Army-Navy football game, which is to be played at the Polo Grounds Saturday before as many thousands as can cram into the stands.

Tickets, as usual for the "show game," are in high demand. Both elevens are quartered in New York hotels and were to leave there only for a brief drill this afternoon.

The Navy team attended the Cornell-Penn game at Philadelphia, Thursday.

COAST FRAY

Washington in Desperate Battle With Oregon.

WASHINGTON, Nov. 27.—The University of Washington's Coast Conference football crown wobbled and tipped precariously here Thursday afternoon and nearly toppled in the mud when the undaunted Oregon webfooters assaulted the Huskies and nearly came out victorious.

As it was, a timely place-kick in the last quarter saved the Coast leaders from defeat, the game finally ending in Washington's favor, 15 to 14.

No one expected to see such a grueling battle. Oregon was rated as the poorest team in the Conference, having lost every game. Yet the Webfooters threatened the Huskies more violently than did either Stanford or California.

PENNSY BASKET BATTLE

Locals Meet East Chicago at Turner Hall, Saturday Night.

The Pennsylvania Railroad, Indianapolis division basketball aggregation will meet the East Chicago Pennsy team at South Side Turner's Hall, Saturday evening. This will be the first game of the season for the local boys.

Russell Darringer, a star performer with the team during the 1923-24 season, is with the boys again this year and will play back guard. The line-up also includes Bennie Barker, well-known center of last year's aggregation; Ralph Huff, former South Behd division star, and Charles Stoker, Martinsville, "Vic" Wampler and C. L. Flick are newcomers.

There will be a curtain raiser in which the Woodruff Place Baptist team will meet the Westminster Presbyterian five at 7:30 p. m.

DE PAUW OPENING GAME

Tiger Basketball Team to Play Earlham on Dec. 8.

GREENCASTLE, Ind., Nov. 27.—De Pauw will open its basketball season against Earlham at Greencastle Dec. 8, instead of playing Danville Normal on Dec. 4, as announced in the original schedule.

Athletic Director Hughes announces a big program of intramural sport for the winter with basketball leagues to be organized. There will be swimming, bowling, wrestling and boxing included in the list of sports. Swimming and fencing may be added to inter-college competition.

SOLDIER ELEVENS TIE

Ft. Harrison and Ft. Thomas Battle in Scoreless Game.

Captain Robinson's Ft. Benjamin Harrison eleven went to Ft. Thomas Thursday and battled through a scoreless game with the soldier team of the Kentucky post.

In a meeting of the rival teams on the Ft. Harrison grid some time ago, Robinson's warriors won.

RED GOES WELL IN CHICAGO

39,000 Fans See Grange as Crowd Hisses Team Opposing Red.

CHICAGO, Nov. 27.—"Red" Grange turned his college fame into something a little more material—cash—when he led the Chicago Bears against the Chicago Cardinals Thursday, and today he is richer something in the neighborhood of \$15,000. The game ended scoreless and 39,000 people turned out to see the great "Redhead's" pro debut.

The Bears—Grange included—played a better game than the Cards, but it was the brain of Paddy Driscoll, veteran of thirteen campaigns, that staved off defeat.

"Redhead" played a good game and gained lots of ground, but he found the Cardinal defense too strong.

That Grange's presence in the Bear lineup bolstered that team considerably is shown by the fact the Cardinals experienced little difficulty in beating the Bears earlier in the season, 9 to 0.

The crowd went delicious on three occasions when the former wonder man of Illinois returned punts twenty-five yards. Red ran them back at great speed.

But Driscoll was too crafty to place many of his kicks in Grange's direction. Except on those three occasions he aimed his punts toward Joe Sternaman, another Bear back field man, and was "rewarded" with hisses from the fans who resented being deprived of seeing Red Grange carry the ball.

But Grange was not very successful at bucking the line or skirting the ends from scrimmage. His total gain from scrimmage was only forty-five yards, which, however, was more than any of the other Bears could do.

With his seventy-five yards gained on three returned punts, Grange's total yardage was 120 yards.

CHICAGO ROAD RACE

CHICAGO, Nov. 27.—Nathan Miller, New York, showed the way to ninety-eight rivals in the first handicap road race of the St. Joseph's Catholic course. His actual running time for the five miles was 27:34.

ACME A. A. VS. TRIANGLES

Two Strong Local Grid Teams to Play at Riverside Sunday.

The Acme A. A.s still have a clean record for the season after defeating the College Cubs Thursday at Rhodius Park, 7 to 6. The Cubs scored their touchdown in the first quarter, but the Acmes came back in the second quarter and tied it up. Zimmerman, star quarter of the Acmes, drop-kicked the extra point that won the game.

Daly played a great game for the winners. He scored the touchdown. When a Cub played fumbled Daly scooped up the ball and raced forty yards. The Acmes held for downs on their one-foot line in the third quarter. Signal drill will be held tonight at Rhodius Park. The Acmes meet the Ferndale Triangles Sunday at Riverside.

SAFE YOU'RE OUT!

By Eddie Ash

It's getting so now when you attend a parlor radio party, you're somewhat of a wall flower if you cannot make good on your turn in telling a zippy radio story along the lines of the old Ford jokes.

BATTILING SIKI MUST BE BACK IN THE MONEY. HE GOT PINCHED WEDNESDAY.

Colleges are thinking of doing away with the paid scouting system. If that comes off football coaches will be pestered a plenty by "knowing" alumni bent on whispering words of wisdom regarding the opponent's style of play.

Old Pipe,
we're pals
for
keeps

SIX months ago, Old Pipe, we were headed for absolute divorce. We were wrecked on the twin rocks of Tongue Bite and Throat Parch. I tried tobacco after tobacco. Then . . . I found Prince Albert!

Today, Old Pipe, you're closer to me than a tattooed anchor. P. A. made you sweet and cool as the wind from a laden orchard. P. A. led me out of the hot-pipe desert into the pleasant valley of contented smokers. Comfort fell upon me . . . and it was welcome as rain to a dusty frog.

Say good-bye to worry, you fellows who don't yet know the joys of a jimmy-pipe and P. A. Tell gloom to be on its way. Your first fragrant pipeful will give you a 99-year lease on happiness. Prince Albert is the mildest, sweetest, kindest smoke mortal man ever knew.

Prince Albert gives you a lot more for your money in quantity as well as quality. There are TWO full ounces in every tin of P. A. The U. S. revenue stamp shows you that. Make a break now for the nearest shop where they hand out pipe-peace in tidy red tins.

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and punch removed by the Prince Albert process.

Look at the U. S. revenue stamp—there are TWO full ounces in every tin.
