

# STIRRIN' the DOPE

By VEDDER GARD

THE Em-Roe basketball team, after a month's practice, will open its road season Wednesday night at Richmond, meeting the Richmond Palladiums in the Coliseum at that city.

The local squad has been given its final cut, and the following players will constitute the season's team, according to Carl Callahan, manager: Hennessey, Richeson, Secrest, Kauffman, Frankfort, Middleworth and Smith. Kauffman suffered a severe injury to his arm in a recent scrimmage and may not get in the Richmond game, although he will be taken on the trip.

Correspondence which Manager Callahan has had with the leading independent teams in the East and Central West indicates a big season for the game. The Em-Roe manager was invited to place his quintet in the National pro league, but was of the opinion that local support would be lacking to take care of the large guarantees required to visiting teams.

Most of the members of the American Basketball League are in the Eastern section of the country, and the road trips would entail long absences and huge traveling expenses. The league members are Boston, Brooklyn, Washington, Rochester, Buffalo, Cleveland, Detroit, Chicago and Ft. Wayne. Negotiations are now being conducted by the Em-Roe manager for games in the last four cities named on open dates in the league schedule.

## ACROSS THE BOARD TODAY

The last day of the fall racing season and the final day until next spring for Across The Board proved a winning one. Now don't ask us how much we won. Well, if you insist, we had up \$200 and got back \$200.50.

At Bowie Anna Marrone II was withdrawn. Dernier Sou won and Rockminster was second. At New Orleans Leatherwood and T. S. Jordan, were out of the money. Tangara was second and Lierre, third.

The bank roll with the 50 cents added is \$1,488.05. We started out with \$500. The profit for the season is \$988.05. Au Revoir.

Notre Dame is having quite a time obtaining a basketball captain. The team already has had two leaders, Dinehart and Crowe. The former left school and the latter received injury in football which will keep him off the court. It is hoped that the third time will prove the charm.

RAPP, a sandlot football product who never saw a college only from a distance, out-Granged the mighty Red on Sunday and ran fifty yards for a touchdown against the Bears. The Chicago pro team won, however, 14 to 13, in a snow storm.

Grange, a real thoroughbred of the gridiron, proved he can go even under the worst conditions, but so did Mr. Rapp among all those college luminaries.

Mr. Rapp had to be extraordinarily good, for he lacked the advantage of the intensive coaching received by most of the others. "A man's a man for a' that."

What could be more appropriate than Dernier Sou winning the final race of the fall season at Bowie track on Saturday. Dernier Sou, translated from the French, means Last Cent. We only hope that those almost "broke" at the track took the lunch.

TEX RICKARD ought to know what he is about. The great promoter has sponsored most every kind of sport known to man—at a profit. Just what event did he choose to open the new Madison Square Garden?

One would imagine that an all-star boxing card would be the thing. But that wasn't Tex's idea. Rickard chose the six-day bike race to start things off in his great new sport emporium.

The turnstiles never quit whirling and clicking for six days and nights in the bicycle endurance test. It is the ideal event from the promoters' standpoint. It is reported that Tex cleaned up \$100,000 on the last race at old Madison Square Garden.

Just what brings in the crowds is a matter of dispute. Round and round go the turnstiles in monotonous refrain as the ticket sellers dish out the pasteboards and rake in the green and yellow backs.

Tex can't be very far wrong in his judgment. He knows. And a bike race opened new Madison Square Garden.

"I TOLD YOU SO"

From this column on Saturday—"New speed records are likely to be established at the Culver City, (Cal.) track on Sunday when the greatest auto pilots get together in their space annihilating act. Look out for something sensational!... The climax may come on Sunday."

We are astonished. One of the leading bowlers in the city is leaving town, and he is NOT going to Florida. Oscar Biehle is heading for Altoona, Pa.

## RECORDS MADE BY DRIVERS

Culver City Race Won by Elliott—Cooper Also 'Goes Wild.'

By Times Special  
CULVER CITY, Cal., Nov. 30.—Whirling around the mile and a quarter oval at a pace which made it difficult for spectators to follow him, Frank Elliott, in a Miller Special, won the 250-mile automobile race here Sunday afternoon and established a new world record for the distance.

Elliott's time was 1 hour, 57 minutes and 18 seconds, an average of 127.37 miles an hour. Tommy Milton set the old mark here last March with an average of 126.88 miles an hour.

Hartz Second  
Harry Hartz, in a Miller Special, finished second, a lap behind Elliott. Fred Comer, also driving a Miller Special, came in a close third, and Bob McDonough was fourth.

Earl Cooper led the racers until the 230-mile mark, when he ran out of gasoline, and the pit stop forced him into fifth place. Cooper made four new records before he relinquished the lead. At twenty-five miles he was averaging 122.6 miles an hour, at the 100-mile mark his average was 131.8, at 150 miles, 130, and at 200 miles, 129.6.

Tommy Milton and Dave Evans finished behind the leaders and the remainder of the fifteen starters were forced out by mechanical trouble. Elliott did not have to make a pit stop.

Crowd of 40,000  
It was a ideal day and 40,000 persons watched the race, which was the final event of the 1925 racing season.

The event was marred by one accident that caused injuries to "Red" Calrens and Jerry Wonderlich. Calrens was coming into the straightaway in front of the main grandstand on his twenty-fourth lap when he was crowded into the rail by Wonderlich. Wonderlich's car crashed into Calrens' as it rebounded from the fence, overturning it, and fracturing Calrens' skull. Wonderlich was not seriously injured. Calrens was reported in critical condition early today.

## I. H. S. A. A. Votes Down 23 Proposals

Twenty-six proposals waiting for a vote; along comes the I. H. S. A. A. legislative body and then there are three. In a meeting here Saturday the lawmakers of the high school association voted down twenty-three of the suggestions made by principals and referred three to committees for further consideration.

The three proposals to go to committees were: That of L. E. Michael of Clinton, which would require athletes to be physically fit to play; that of H. Garver of Union City, which would establish a department of research to study athletic and their relation to general welfare in the schools; that of P. C. Cline of Richmond, which would prohibit athletes from receiving any awards of more value than that given for other school activities.

The next meeting of the legislators will be held in October, 1926. All proposals will be required to be filed in the secretary's office by Oct. 1.

## AT KOKOMO

Legion Eleven Beats N. D. Reserves, 13 to 9.

By Times Special  
KOKOMO, Ind., Nov. 30.—The Kokomo American Legion team defeated the Notre Dame Reserves, 13 to 9, on a snow-covered gridiron Sunday.

The locals scored first when Hilgeman intercepted a pass and romped to the five-yard line. Line play failed and a pass from Hilgeman to Buckholz, netted a touchdown. Goal after touchdown was missed.

The visitors came back and near the end of the half, after a drive down the field in which Rellly and Nemic featured with long runs, the locals intercepted a pass from Hilgeman, who also place-kicked the point.

The third quarter was nearly over when Duttenhaver, local center, broke through, blocked a punt behind the Notre Dame goal line and fell on the ball. Leslie kicked the goal after touchdown.

The upstaters continued to fight and with less than a minute to play, Leslie was forced to stand behind his own goal line to punt. Instead of kicking he touched the ball down for a safety for Notre Dame, giving the visitors two points, but keeping the ball in Kokomo's possession on the 30-yard line, where the locals punted and the game ended.

## J. J. C.S. WIN

Phillips Scores Touchdown to Beat Noblesville.

The J. J. C. S. defeated the Noblesville Elks eleven Sunday at Penny Park, 6 to 0, in a game that proved exciting from start to finish. The contest was replete with passing, end runs and other features.

After playing the first two periods on even terms, with the ball kept well between the thirty-yard lines, the J. J. C. S. opened up with a slashing, smashing offense in the third quarter, driving down the snow-covered gridiron to the Elks' five-yard line, where Phillips, local half, slidded through for a touchdown. The kick for point was blocked.

Waterman, center, Guerte, end, and Flannigan, quarter, were outstanding performers for the visitors, while the whole J. J. C. eleven worked like a well-oiled grid machine.

## CHRISTAMORES DISBAND

## 'RED' AGAIN

28,000 See Grange in Spite of Snow.

By United Press  
CHICAGO, Nov. 30.—Twenty-eight thousand people stood in a snow storm here Sunday to watch the peerless "Red" Grange and his mates, the Chicago Bears, trounce the Columbus Tigers, 14-13.

Red's contribution for the day was 79 yards gained from scrimmage in fourteen plays. This combined with his running back of punts, receiving of passes and kick-offs, gave him a grand total of 140 yards in his second professional game. Rapp, a sandlot product, starred for the visitors.

AMERICAN Defends Balkline Crown Against Belgian in Chicago Match.

By United Press  
CHICAGO, Nov. 30.—For the first time in about twenty years, a match for the world's championship at balkline billiards is to be played without Willie Hoppe handling one of the cues.

Young Jake Schaefer, son of "Old Jake" and winner of the big annual tournament last spring, defends his title against Edouard Horemans, the great Belgian player, who finished second to Schaefer in the tournament.

It is a rule of the billiard world that the champion must defend his title first against the man who finishes second in the tournament, and that is why Hoppe has no part in the match that opens here tonight.

Schaefer and Horemans will play the first block of 500 points this evening and 500 points Tuesday and 500 Wednesday night.

Hoppe has been playing remarkable billiards in exhibition matches with Schaefer and those who watched him insist that he is by no means "a has been," but he must wait until spring and match his skill against all comers if he intends to regain the pinnacle.

But in this match which starts tonight youth is being served. Horemans is only 24 and Schaefer is barely out of his twenties.

J. J. C. S.—Southpaws  
Next Sunday the local independent football season will end with a game at Washington Park between the Southpaws and the J. J. C. S., and both teams are reported to be "loading up" for the battle.

Chuck Heide, one of the leading pro stars of the State, who is a resident of this city, but who has played with the Kokomo State champs for two seasons, will be in the J. J. C. back field, according to Manager Canning.
