

## INDIANA BOY, 19, IS HEALTHIEST

George Cuskaden Is St. Paul Student-Athlete.

*By United Press*  
CHICAGO, Dec. 3.—If you would be healthy, shun night life, get plenty of sleep, rise early in the morning, eat simple foods and take plenty of exercise. This is the advice of Alex Burkhart, 15, of Andover County, Iowa, and George Cuskaden, 14, of St. Paul, Ind., who were adjudged the healthiest boy and girl in the United States at the contest in connection with the International Livestock Exposition.

Alce is five feet, five inches tall and weighs 131 pounds, plays tennis, basketball, swims and rides horseback and helps around on the Iowa farm where she was born.

George is five feet, seven inches tall and weighs 155 pounds. He plays on his school basketball team, the baseball team and ran with the track team. Now he helps his father work their 200 acre farm.

### BATTERY SOLUTIONS

The Bureau of Standards has conducted an investigation of solutions which are supposed to charge batteries instantly. Analysis revealed that the solutions tested contained 38 to 42 per cent of sulphuric acid. The solutions which came under the test are ineffective, says the Bureau of Standards.

### 'PINCHOT'S NEXT MOVE'

Lewis Says Miners Have Done Their Part to Settle.

*By United Press*  
SPRINGFIELD, Ill., Dec. 3.—John L. Lewis, president of the United Mine Workers of America, today declared the next move in the anthracite miners strike was up to Governor Pinchot.

In a brief statement to the press Lewis said:

"The mine workers have done their part by accepting the plan offered by Governor Pinchot. Nothing can be done until the last of the week when the Governor returns to Harrisburg from a speaking tour.

**ROOMER TAKES NECKLACE**

*By United Press*  
ELKHART, Ind., Dec. 3.—A man robbed Mrs. Robert Stewart of a \$50 pearl necklace, after renting a room in her home.

*Healthy Hair*

Gleamy, Thick, Wavy  
—Full of Life

Modern style in hair dress, particularly constant curling and wavy, is slowly burning the color, lustre and very life from the hair, leaving it dry, faded, brittle, streaked with gray; often the hair roots shrink, then the hair falls out fast.

A 25 cent bottle of refreshing, fragrant "Danderine" will do wonders for any girl's hair. This vitalizing beauty-tonic acts on the hair like fresh showers of rain and sunshine act on vegetation. It goes right to the roots, invigorates, nourishes and strengthens them, helping the hair to grow thick, healthy and luxuriant.

Try this for one week! While combing and dressing your hair, moisten your hair brush with a little "Danderine" and brush it through your hair—the effect is startling! Your hair immediately takes on new life and that healthy, youthful lustre becomes incomparably soft, wavy and appears twice as thick and abundant. Advertisment.

### PROTECT YOUR CHILD'S HEALTH

Through thoughtlessness the slight cough or cold of a child is often neglected and becomes serious. A few doses of FOLEY'S HONEY AND TAR COMPOUND, at small cost, taken at the onset of the cold brings speedy relief. Be prepared, have a bottle of this safe, reliable cough remedy on hand, and give promptly when a cough or cold is detected. Equally effective for older persons. Demand FOLEY'S HONEY AND TAR. All in all, we promise to give you the UTMOST in refrigerator VALUE for every dollar you invest in one of these.

## BUY NOW—PAY IN JULY

**\$1  
DOWN**  
Begin Your Payments Next May

Ordinarily it would be difficult to sell refrigerators in December—like selling blankets in July. But to make this Introductory Sale a huge success we are offering you terms and values that fairly shout at you—"ACT NOW!"

Here is our offer—Buy your Alaska NOW—and—if you have a charge account it will appear on your statement payable next July.

—if you have no charge account and want to buy your Alaska on our liberal terms, you need not begin paying for it UNTIL NEXT MAY!

—and in Either Case Your Refrigerator is Delivered AT ONCE!

**Better Food—Smaller Ice Bills—Due to Patented Alaska Cork Walls**

**STOP!**

Don't go without a good, serviceable, ice-saving refrigerator. And don't buy one until you come in and see what you can save on an Alaska.

These are the modern refrigerators with the cork insulation. Cork insulation makes ice last longer and food keep better. And the Cork-Wall Window of the Alaska proves that you get it! No extra cost!

When you buy an ALASKA Refrigerator you are buying a refrigerator that has been a standard in the best homes for OVER 47 YEARS! Its cork insulated walls—a portion of which you can see through the window (a feature of every genuine ALASKA)—are your positive assurance of as nearly 100% perfect insulation as it is possible to install in a refrigerator. Its many other modern features, too, will make a powerful appeal to you.
