

WILL BUY WILSON HOME

Campaign to Raise \$25,000 in Indiana to Start Soon.

A State-wide drive to raise \$25,000 as Indiana's share in a national fund to purchase the old home of the late Woodrow Wilson at Staunton, Va., will start in about three weeks, according to Zach T. Dunagan, Indiana Supreme and Appellate Courts clerk.

Campaign is to be on a non-partisan basis. The national Wilson memorial organization expects to purchase the birthplace and old church of the war President and preserve them as national shrines.

LOOK INTO RESTAURANT

Police Receive Complaint of Fight—Find Blind Tiger Indications.

Investigation into an alleged blind tiger at a restaurant on E. Michigan St., was started by police today. Officers say they learned of the place when a complaint of a fight was made late Wednesday.

Outward evidence of a blind tiger was found, police say, and some broken bottle containing white mear were found in a barn in the rear. Many Technical High School boys eat there, and it is thought liquor may be sold to them.

Back-ache? Pains? May Be Your Kidneys

If pains are making life miserable, stop wasting time on little ways of getting temporary relief. Something is radically wrong, some organ isn't doing its work. Viuna strengthens weak kidneys, lazy liver, sluggish bowels. The blood starts getting purer, appetite begins to clamor, digestion gets right, and constipation leaves. You feel less benefit promptly, and soon you're walking with a new stride, energetic, strong, able to enjoy life. It has lifted thousands out of beds of pain. Will you give it a chance?

Puzzle a Day

Pick up almost any magazine and you will find an advertisement claiming that 15 minutes of daily study on the books sold by the advertiser, will make anyone a cultured person.

This time has been cut down by an efficiency expert. Every day he starts at the time when the minute and hour hand are the same distance from twelve. The distance between the two hands then exactly equals the number of minutes he spends daily acquiring culture.

What time is it when he starts?

Last puzzle answer:

The bags of chemicals sent by the Forest Protective organization to an emergency crew weighed 102½ lbs., 38½ lbs., and 11½ lbs., making a total of 152 lbs. as shown on the scale. 102½ lbs. is 55 lbs. more than 47½ lbs., the weight of the other two bags (35½ plus 11½ equals 47½). 11½ lbs. is 66 2-3 per cent less than 36½ lbs.
