

# MANY EXPECTED AT BOND FIGHT

(Continued From Page 1)

Teacher Association and the Indianapolis Federation of Community Clubs.

This does not include members of the high school faculty and student body, who will undoubtedly be present.

With the remonstrators having the first opportunity to state their case to the tax board, it is thought that school board members will be forced to take the defensive.

The taxpayers' association today said it will support the remonstrance to the fullest extent, but that the association will ask the tax board to render an early decision in the matter.

## Reports to C. of C.

Fortune, at the Chamber of Commerce meeting, pointed out that the school board always has followed the chamber's recommendations.

He said the Chamber recommended reductions in the school budget amounting to \$458,500, that it recommended the sale of the old Shortridge site and that the tax levy of \$1.10 was suggested by the Chamber as the maximum limit. He declared allowance was made for the erection of a new Shortridge in all school board estimates.

School board members at the hearing will attempt to show that the building has been planned at the lowest possible cost. Herbert Foltz, consulting architect, and J. Edward Kopf, architect, will explain plans and specifications.

The board is still antagonistic over the alleged breaking of two agreements by Harry Messie, secretary of

the Taxpayers Association, and by the association.

The board charges that the association, Sept. 10, agreed to support the building program if the school tax levy was lowered to \$1.10 and if Shortridge was erected at a cost of \$1,250,000. The board retained the levy figure and cut the building cost \$50,000.

The board also charges that the association, through Messie, broke another agreement when directors promised to instruct Messie to have the remonstrance held in the office of County Auditor Harry Dunn until Wednesday of this week.

School officials said that if tax board decides in favor of the Taxpayers' Association the entire elementary school building program will be disrupted. The board planned to sell the old Shortridge site to get money for its \$550,000 elementary school building program.

## CHRISTMAS PLANS O. K.

A general Christmas program providing decoration of public places and serenading by brass quartets Christmas morning has been approved by the park board.

R. Walter Jarvis, superintendent, said four large trees will be placed on Monument Circle the Monday before Christmas. A large tree illuminated by a huge star will be in University Park. The department will cooperate with Riley and city hospitals in their Christmas entertainment and with the municipal party Christmas eve at Cadie Tabernacle.

## REHEARSE FOR PROGRAM

Rehearsals are being held by the congregation of Broadway M. E. Church for a special Christmas program to be given at the church Dec. 20. Willard Beck is general chairman. Four choirs, composed of 200 singers, will take part.

## NAME C. OF C. TICKET

A second ticket for Chamber of Commerce directors, to be elected Tuesday, has been nominated by about fifty members of the organization.

Those nominated are: John F. White, civic affairs; F. F. Powell, freight and traffic; Roger M. Williams, industry; Eli Schloss, retail interests; A. W. Buschmann, wholesale interests; and Daniel V. Luten

## She Was Skinny, Weak and Nervous

The greatest strength-giver and producer of good healthy flesh in the world is Cod Liver Oil—it's full of vitamins. But it's nasty stuff—ill-smelling and hard to take, and usually upsets the stomach.

Thank goodness! we don't have to even smell it any more, for now Hook, Haug, Goldsmith Bros. and all druggists are selling McCoy's Cod Liver Oil Compound Tablets, sugar-coated, and as easy to take as candy, so that you can get the real Cod Liver Oil in condensed form and get just the same results as with the horrible smelling liquid.

Men and women, weak, thin and nervous, are urged to put on weight and get back their health and strength with these wonderful tablets.

One woman gained 15 pounds in five weeks and that's going fast enough for any one.

Only 60 cents for 60 tablets, and if they don't put five pounds of flesh on any thin person in 30 days your druggist is authorized to hand you back the money you paid for it.

"But be sure and get McCoy's, the original and genuine Cod Liver Oil Tablet."—Advertisement.
