Bob Doesn't Get Fathers' Seat

WASHINGTON, Dec. 4.—Figuratively Robert M. La Follette Jr. has succeeded to his father's seat in the United States Senate, but not literally. The elder La Follette occupied, until his death, the Senate's choicest seat, the first in the front row on the Republican side.

The younger La Follette will be placed far over at one side, probably in the back row, and the coveted front seat will fall into the possession of Albert B. Cummins, former president pro tem, of the Senate.

The first seat in the front row was La Follette's for fourteen years.

NORMAL IS ON APPROVED LIST

Letter Received From Columbia University Director.

TERRE HAUTE, Ind., Dec. 4.—A letter has been received by President L. N. Hines of the Indiana State Normal School from Adam Leroy Jones, director at Columbia University, advising him that the State Normal has been placed upon the approved list by Columbia University.

The letter says, in part: "While we request that complete records be supplied for each candidate for admission, the natural assumption is that every such candidate will be able to complete the minimum residence requirements for a master's degree. In the normal even for those heretofore chronically constipated. Dr. Caldwell's Syrup Pepsin not only causes a gentle, easy bowel movement but, best of all, it is often months before another dose

DR. W. B. CALDWELL AT THE AGE OF 83

Countless girls and women now know how foolish and needless it is to "purge" and "physic" themselves every few days to avoid sick head, ache, dizziness, biliousness, sallow skin, colds, or sour, gassy stomach. They now take a laxative only occasionally. They have found that one dose of Dr. Caldwell's Syrup Pepsin will establish natural, healthy bowel movement for weeks at a time, even for those heretofore chronically constipated. Dr. Caldwell's Syrup Pepsin not only causes a gentle, easy bowel movement but, best of all, it is often months before another dose
