LETTER FROM SALLY ATHERTON TO LESLIE PRESCOTT—CONTINUED.

"You know, Aunt Sally," said little Jack, turning to me, "that my daddy wants me to love my mover best, for my mover she—she is—she is—!" He could not think of any comparison splendid enough for you, my dear, so he just spread out his arms as far as they would go and with the arms of either of us, Paula bent over and kissed little Jack's face until he drew away from her.

"I wonder if you'd be surprised, Leslie, to know that neither of us childless women sitting there smiled, when we heard that baby make the greatest declaration of love that had come to the ears of either of us. Paula bent over and kissed little Jack's face until he drew away from her."

Martha Lee's Column

Getting Even

Dear Martha Lee: I go with a fellow of 10, I am 17. He has told me several times that he loves me and I have told him I love him. Now I hear he has been saying the same thing to three other girls and I wish I could see him. I have told him so many times I loved him, that he probably thinks I do, and I am even with him for making a fool of me.

It's plan to be seen your heart isn't hurt—just your silly pride. Now if I wanted to be disagreeable I could say that you got what you deserved for telling a man you loved him when you didn't. But then I know young people are quite apt to be persuaded by another's declaration to commit themselves. But I don't advise ways of getting even in cases like this. Ignore the young man if you like. But don't put the blame on him. He hasn't made a fool of you. You've made one of yourself, if any; but you'll be making a fool of yourself if you go trying to "get even." Forget him. Remember only that he is not worth your friendship because he is not sincere. And remember that word "snake" the next time.

Miller's Antiseptic Oil, Known as Snake Oil Stops Pain

From coast to coast men and women are singing the praise of "Snake Oil," a most powerful, penetrating pain relieving liniment. It will penetrate the most solid leather in 3 minutes. Mrs. B. Werner, New Orleans, La., writes: "Thanks to your wonderful penetrating oil, it relieved me of Rheumatism and deep seated chest cold after other remedies failed."

"I had rheumatism so bad I had to walk on crutches for nine years," says H. C. Hendrix, old soldier of Minneapolis, Minn. "After three months' treatment with 'Snake Oil' I laid off my crutches and now can walk like a boy."

J. B. Moore, Pittsburgh, Pa., says: "The only liniment that ever gave me relief from rheumatism. I use it regularly after being exposed to bad weather."

For rheumatism, neuralgia, lumbago, stiff joints, pain in back and limbs, corns, bunions, chest colds, sore throat, "Snake Oil" is said to be without an equal. Refuse imitations. This great oil is a golden red color. Mfg. only by Herb Juice Medicine Co., U. S. A. Get it, your druggist's—Advertisement.

Stop Terrible Stomach Agony

Indianapolis Druggist Have the Remedy and If Just One Bottle Doesn't Help You—Why Money Back.

Now there's a medicine that is sweeping the country by storm. A pleasant to take elixir that has become so popular in just a few months that thousands of bottles are sold daily.

Druggists will tell you that the name of this splendid remedy is Dore's Mentha Pepsin and that its great popularity is due to the fact that no matter how long you have had gastritis or dyspepsia or indigestion of whatever kind you choose to call your stubborn stomach agony this cleverly compounded elixir will start to help you with the first tablespoonful you take.

You know of course that nine times in ten the ailments that cause distress and misery to the human machine come from stomach weakness.

This is particularly true of nerve exhaustion, sleeplessness, dizzy spells, headaches and that miserable weakness where ambition is almost totally lacking.

By correcting stomach disorders and putting your disabled weak stomach into first-class shape so that the heart-over-tried purchaser can digest and proper and complete assimilation take place, human life such as those heretofore mentioned will speedily disappear.

In other words and to be brief let us state that Dore's Mentha Pepsin is a wonderful health building stomach medicine and such common symptoms of stomach disorder as gas, heartburn, belching, bloating, near suffocation, can be overcome with just a few doses.

But why waste time if you need a health building medicine any druggist anywhere will sell you one bottle of Dore's Mentha Pepsin with the distinct understanding that if it doesn't do you more good than anything you have ever tried the purchaser's price will be returned. For sale by Haag Drug Co., Hook's Dependable Drug Stores, Goldsmith's Cut Price Drug Stores—Advertisement.
