67. Myself.
68. Point of compass.

## Pity the Weak Skinny Children

Nature's greatest health builder and strength giver is Cod Liver Oil—it's full of vitamins of the first class—everyone knows that. But pity the poor children—how can they take this nasty, nauseating stuff that invariably upsets their small, delicate stomachs?

Most of them can't and now—thank goodness—none of them have to.

For now Cod Liver Oil comes in tasteless sugar coated tablets, that are as easy for the kids to take as candy and they sure do build up the youngsters in double quick time.

So mothers, if any one of your loved ones is frail and peaked or isn't feeling right just ask Hook, Haag, Goldsmith Bros., or any druggist for a box of McCoy's Cod Liver Oil Compound Tablets—60 tablets—60 cents.

Splendid for any run down, weak, skinny, nervous man or woman—thousands of boxes are sold daily—but be sure and ask for McCoy's Cod Liver Oil Compound Tablets—the original and genuine. Try them for 30 days and if you aren't delighted with the improvement your druggist is authorized to hand you back the money you paid for them.—Advertisement.

## Swollen Joints

Stiff, swollen joints, burning pains—later, Rheumatism—the sad consequence of overburdened kidneys and the resulting accumulation of uric acid. Rescue yourself from a life of misery—Mountain Valley Water. Nature's famous mineral water from Hot Springs, Ark., has aided thousands back to health. Its alkaline minerals tend to combat the uric acid and render it harmless; it also assists overburdened kidneys and tends to restore them to health. Physicians prescribe it. Surely the prospect of relief is worth a trial—phone for a case today.
