Puzzle a Day

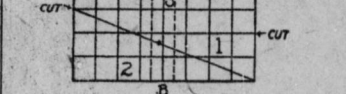

An uneducated mountain lad was adopted by farmers. As the boy was shy the wife decided to teach him a few things before sending him to school.

First she taught him the alphabet. When this was memorized, she gave him a book and told him to copy one of the sentences. He painstakingly printed every letter. But this is the result he achieved.

"I FIVE VE PRO MIS EDT HE MA UGH TLETU SKE EPO URP ROMI SE."

The farmer's wife was greatly astonished at the result but succeeded in figuring the sentence.

How did she rewrite the lesson? Last puzzle answer:

By cutting the squared paper "A" into three pieces as shown in the diagram and refitting as in figure B, the thirty-nine squares were increased by one square without the addition of extra paper. By pasting on cardboard and folding on the dotted lines the book cover was made.

SNOW IS DELAYED HERE
Will Arrive Here Late Today Says Weather Bureau.

Snow due here Monday night, made bad connections, but probably will arrive in the city late this afternoon or tonight, according to the United States weather bureau forecast. Snow was falling today in Iowa and northern Illinois, while eastern Tennessee had rain. J. H. Armington, meteorologist, said. Temperature is expected to remain about the same.

Are You Tortured By Indigestion?

There is more real suffering in indigestion than in almost any other human ailment. Constipation, sour stomach, gas, distress, heart-burn, shortness of breath, and burning sensation in the stomach—all these things pursue the victim until the very sight of food nauseates him. Viuna has lifted this curse from thousands of tortured sufferers. It acts upon sluggish bowels, torpid liver, and weak kidneys. Right away, you can tell it's helping you, and before long you feel like a different person. You eat heartily and with appetite, you get restful sleep, you walk with a new stride, and know what it is to enjoy vigorous health. Will you give it a chance?
