ENDED HIS RHEUMATISM!

I am eighty-three years old and I have had rheumatism ever since I came out of the army. I have tried all kinds of cures and I have read about "Uric Acid" until I am sick of it. I have had to give up sleep nights or walk without pain; my hands were so sore and stiff I could not hold a pen. I have given up all my business and can walk with ease or write all day with comfort. Friends are surprised at my improvement and I have as well attempt to put out a fire with oil as to get rid of my rheumatism. By taking medicine supposed to drive Uric Acid out of the body I have been able to get rid of the rheumatism. It has been a long time since I have had any trouble. I have been able to get rid of the rheumatism, containing facts overlooked for centuries past, simply send a post card to me at 1220 N. Newman St., 13th Street, Hallowell, Maine. Send now lest you forget. It is not a secret, cut out this card and have a good opportunity to receive it by return mail. Who send to receive it by return mail with no charge whatever. Advertise
