

TWO ADDED TO POLICE FORCE

Appointees Are Not McGee or Bedford.

Ready replacement of the two policemen discharged by the board of police after trials Tuesday came today with announcement of Ernest L. Kingston, president, that Charles P. Hanrahan, 1541 E. Ohio St., and Robert A. Long, 337 S. East St., have been added to the force.

The action is considered detrimental to prospects of Arthur B. McGee, former lieutenant, and Harvey W. Bedford, Klan leader, for reinstatement. They requested aid from Mayor Shank, with backing of George S. Elliott, Klan exalted cyclops, Tuesday. Kingston said the board had reached no decision about the reinstatement requested.

"I wish they'd put those fellows back," said Mayor Shank. "They've suffered enough."

'FLIVVER AND FLAPPER'

Such Is the Modern Youth's Ideal, Rotary Club Members Are Told.

A flivver and a flapper, and the boys of America are contented, William G. Archer, Evansville, of the National Trade Extension Bureau of the planning and housing industries, told Indianapolis Rotary Club members Tuesday at the Claypool.

Plumbing bills are high because the modern generation is providing few plumbers, he said in declaring the country is 35,000 plumbers short. Only 375 boys in the United States now are learning the plastering trade, according to Archer.

Meanwhile, white collar men abound, creating a surplus, the speaker said.

CONFERENCE PLANNED

Presbyterian Churches Will Raise Benevolences.

Presbyterian Churches will hold a series of conferences to raise church benevolences, the Rev. John L. Prentice, promotion chairman, announced today.

The Rev. H. T. Wilson of the Wallace Street Presbyterian Church was received into the Indianapolis Presbytery at a winter meeting Monday at Second Presbyterian Church. Fifteen churches were represented.

PLAN \$200,000 CHURCH

By United Press. LA PORTE, Ind., Dec. 16.—A committee of the First Methodist Church today is working on plans for the raising of \$200,000 to be used in the construction of a new church building here.

Puzzle a Day

Under an Egyptian palace was found a network of tunnels apparently leading nowhere. But a band of explorers were persistent and finally after many months discovered a beautiful room within the center of the maze. Here they found treasures of many kinds, precious jewels, fine silks and inlaid tableware. This was ample reward for their labor.

This diagram was made after the explorations. From it, can you discover the shortest path to the treasure room?

Last Puzzle Answer

"I FIVE VE PRO MIS EDT HE MA UGH TLETU SKE EPO URP ROMI SE" should have been written in this way:
"IF WE'VE PROMISED THEM AUGHT, LET US KEEP OUR PROMISE."

This line of poetry was cut from "The Pied Piper of Hamelin" by Robert Browning. It is the last line of the poem.
