An Open Letter to the Public of Indiana!

The other day a customer friend of ours stated that she was surprised at the generosity of The Kirk Co. in giving away such a valuable gift as a \$100.00 check. "Quite fair," she stated that she believed people never received "Something for Nothing," and she thought we had raised our prices to make up for the cost of this Christmas offering.

To you, the public of Indiana, we emphatically make the same offer made to this customer. Namely, if she or any one can prove that we have raised our prices to make up for the cost of this gift, we will give \$500.00 to any charitable institution they select. We want every one to know and realize that this is a gift in the fullest meaning of the word Gift. All our articles are marked in plain figures and you pay "Nothing" extra for this basket.
