

# THE LAST BIG SMASHING EFFORT!

## BE HERE TOMORROW! REGARDLESS OF COST BE HERE TOMORROW!

We expect to sub-lease our building and will vacate around the first of the year. Therefore we are making this last big, smashing effort to sell everything. We realize to crate this merchandise and ship it to one of our other stores would cost a lot of money. With this fact in mind we decided to again reduce our already low sale prices and pass this saving to the buying public of Indianapolis.
