

U. M. W. LEADER FIGHTS BATTLE

District Head to Go to International Board.

By United Press
TERRE HAUTE, Ind., Dec. 21.—Tyler G. Lawton, president of District No. 11, United Mine Workers, will carry his battle against his enemies in the district to President John L. Lewis and the international executive board.

Lawton has issued a circular to the locals throughout Indiana, warning them against a circular sent out by local union No. 884 of American mine No. 1, Bicknell. This circular attacked a number of Lawton's decisions regarding internal trouble at the mine.

Lawton says in his circular that the statements are false and that he will take the matter up with the international executive board.
