

LABOR TO TALK ABOUT TARIFF

Envoys of Governors Will
Attend Session.

Times Washington Bureau.
1312 New York Avenue.
WASHINGTON, Dec. 22.—Increasing interest of labor organizations in the tariff is shown by the announcement that many important international unions will be represented at a conference on the subject to be held here under auspices of the People's Reconstruction League, Dec. 28 and 29. Governors of several States will also send representatives.

Among labor organizations to be represented by the chief executives or other officers are the United Mine Workers of America, the International Brotherhood of Electrical Workers, the International Association of Machinists, the Glass Bottle Blowers' Association, the International Brotherhood of Bootmakers, the United Brotherhood of Maintenance of Way Employees, and most of the railway workers' organizations.
