

81 WOMEN SENT TO JAIL CELLS

Many Mothers Among Convicted Picketers.

CHICAGO, Dec. 30.—Eighty-one women, many of them mothers of families will serve terms in the county jail here as a result of an Appellate Court decision which sustains a lower court in giving them sentences ranging from five to forty days for picketing.

The court yesterday upheld sentences imposed by Judges Sullivan, Foell and Ryner, convicting the women of picketing the premises of various clothing companies, in violation of an injunction.

Attorney Peter Sisman, who represented the women, intimated that all will begin serving their sentences within two weeks and that no appeal will be made. There are eighty-seven defendants in the case, seven of them being men.

DUVALL TO FIND CITY BILLS PAID

Will Take Office With Balance of \$27,180.

City officials will pay all bills before Mayor-elect John L. Duvall assumes office with a balance of \$27,180.16 in the general fund, Joseph L. Hogue, city controller, reported at the municipal dinner at the Athenaeum Tuesday night.

Mayor Shank said the Jewett administration left \$300,000 in unpaid bills. The Shank administration paid \$2,383,721.57 of the city debt during the four years, Hogue reported.

With an increase of 3,500 fires in a much larger city than during the last administration, the fire loss was \$1,477,901. Fire Chief John J. O'Brien reported. Loss during the Jewett administration was \$6,194,605 while under Shank it was \$4,746,704.

Mayor Shank deplored the political system that prevents retention of O'Brien.

An election was held Dec. 23, when every resident of that district of voting age balloted in favor of Shooters Hill becoming a town. Four families live in Shooters Hill.

Dimples

What can I do?

"O H, why can't I have a skin like other girls? Why do I have to have these ugly pimples, blotches and blackheads?"

"If I could only find something that would clear up my skin and give me back my soft, rosy complexion, I know I would be the happiest girl in the world! What can I do?"

Is that you talking? If it is, you don't have to worry a minute! Just build up the rich, red blood in your body. Then your skin will be as clear and soft as anybody's.

That's what S. S. S. has been doing for generations—helping Nature build rich, red blood! You can build red-blood-cells so fast that the impurities that cause breaking out on the skin hardly get into the system before the pure blood annihilates them—kills them right out—stops them from breaking out through the skin.

And then this rich, red, pure blood feeds and nourishes the tissues of the skin and keeps it looking healthy.

That's all there is to it. Healthy, vigorous red blood such as S. S. S. helps Nature build, makes you healthy all over. It beautifies your skin—drives away pimples, blackheads, blotches, rash, boils and eczema—gives you back your appetite—builds firm, plump flesh and fills you full of new life and energy.

All drug stores sell S. S. S. Get the larger bottle. It's more economical.

Phonograph Artist Sends Us Reminder of New Year's and News About Music

By Walter D. Hickman

It is seldom that a phonograph artist writes me a letter and as this letter is so fine and of so much interest to you, have decided to let you read it.

Richard B. Gilbert, a well known phonograph artist, has written this department the following letter:

"To you, one of my kindest critics, and to your readers, who have most generously expressed their approval of my efforts through the purchase of my records, I extend a very happy New Year and the hope that your fondest wishes may be speedily realized."

"As a little surprise, might I add that, I have recently attempted the writing of songs? The first, 'If I Can Find the Kind of Girl I Dream About,' has just been placed with Irving Berlin for publication and will be obtainable in record, roll and sheet music form shortly."

"The blame for the music may be placed squarely upon me while the words are the result of a collaboration between myself and Miss Ruth Wimp. We flatter ourselves that the song must have some merit when we realize that, despite the fact that there isn't a printed copy

to be had, three phonograph companies (Columbia, Okeh and Gramophone), have had it recorded.

"Please believe that I am always anxious to receive any criticisms or suggestions you or your readers might be kind enough to make. I am looking forward to the time when I might have the pleasure of meeting you in person and of renewing my acquaintance with Indianapolis."

Dance Records

"Kindly list some hot music for New Year's dancing," was a request made to this department.

Will print a list submitted by Okeh as an answer to that question. The Okeh list is as follows:

"Clap Hands! Here Comes Charlie!" Fox Trot, The Grotto Five

"Wonder Where My Baby Is To Night" Fox Trot, The Grotto Five

"When a Blonde Makes Up Her Mind to You Good" Fox Trot, Vocal Chorus, Jack Gardner's Orchestra

"Ida, I Do" Fox Trot, Vocal Chorus, Jack Gardner's Orchestra

SHANK SEES TROUBLE

Mayor, at City Dinner, Decries Politics in Departments.

Trouble for Mayor-elect John L. Duvall, if he follows George V. Coffin, Republican city chairman, to inject politics in the police and fire departments, was predicted by Mayor Shank at the municipal dinner Tuesday night at the Athenaeum.

Shank attacked the proposed demolition of Fire Chief John J. O'Brien and Fire Prevention Chief Virgil T. Ferguson, who, he said, have won the support of substantial business men by reducing fire insurance rates and making the Indianapolis department the best in the country.

"Don't be blue; it won't be so gloomy as you think when Duvall takes office," Claude McCoy, slated to be board of safety secretary, and the only prominent Duvall leader present, told the city workers.

CITY IS HEALTHIER

Indianapolis is becoming a healthier city in which to live.

According to the report of Dr. Herman G. Morgan, city health officer, at the municipal dinner, Tuesday night, deaths from typhoid fever have been reduced from 40 to 3 for 100,000 population and infant mortality from 129 to 68 in the past ten years.

Dental clinics of the health board have been instrumental in making toothache among the kiddies almost a thing of the past, he said.

WILLIAM JUST SILENT VISITOR

Armitage Included in Board of Works Report.

Although William H. Armitage, political director of the Shank administration, was a frequent visitor at board of works meetings, he never took part in argument or asked the board to take action in any matter.

Charles E. Coffin, board of works president, appended to his report at the municipal dinner at the Athenaeum Tuesday night.

Coffin's report included notation that Superintendent of Street Cleaning John F. Walker had cleaned streets for \$300 as compared with \$503 a mile in the previous administration.

On a budget nearly \$100,000 less than the previous four years, Street Commissioner Martin J. Hyland returned \$5,000, has \$76,000 in stores on hand and has turned chaos in street complaints to almost ambulance service on repairs to streets and alleys, it was said.
