

WEEK-END GUN PLAY WOUNDS ONE; KILLS ONE

Murder Toll for Year Mounts to Three—Police Seek Shooters.

One Negro is dead today and another is suffering from a bullet wound in his abdomen, as the result of gun play early Sunday. Killing of the Negro brought the murder toll to three for the year.

Aaron Jordan, 23, Negro, of 736 Drake St., was fatally wounded early Sunday, following an alleged drinking bout at the home of Mr. and Mrs. Frank Brown, Negroes, 1213 Oregon St. Lieut. Ralph Dean and squad were told that Jordan, his brother, Moffett; Russell Moore, 1213 Oregon St.; Levy Henderson, 304 W. Twelfth St.; and Buddie Dodson, 1234 N. Missouri St., and the Browns were at the Browns' home when Dodson started to leave and issued an invitation for Mrs. Brown to visit him.

"Two moons will come together when she does," Aaron Jordan is alleged to have said.

Jordan and his brother and Dodson left the house and shortly afterward shots were heard and Aaron Jordan was found dead. Moffett, Jordan and Buddie Dodson are sought. All the witnesses and participants, who are Negroes, were slotted on vagrancy charges. Willie Lynn, Negro, 347 W. Twenty-Fifth St., was slotted for carrying a gun and vagrancy, when found at Dodson's house with a loaded revolver.

Carl Crane, 28, Negro, 1522 Laurel St., was shot in the abdomen when he attempted to stop a fight between Richard Fowler, 1506 Laurel St., and Ruben Davis, 1527 Columbia Ave., Negroes, who at a party at the home of Bertha Smith, Negro, witnesses, who said the shooting was accidental, told Lieut. Ralph Dean and squad that Fowler had

HAD TERRIBLE COUGH IN BED 3 YEARS

Able to walk, felt fine, in 3 weeks after taking Milks Emulsion.

In 1916, I had a gripe, followed by pneumonia which left me with a severe cough. I coughed constantly from morning till night and then would wake up in the night and cough and choke. I lost flesh and my appetite was very poor. I took medicine for over a year, but got worse instead of better. Last winter I was in bed, had chills and fever and got so weak I could not sit up in bed 5 minutes without fainting.

In February, 1919, I started on Milks Emulsion. I was then in bed, but in 3 weeks, I was able to get up on the streets. Just think of it! For 3 years I have been a physical wreck, in bed most of the time, and Milks Emulsion has brought me out in wonderful shape. My friends all tell me how well I'm looking for they didn't expect me to be living today."

—Miss M. Russell, 1003 Opelousas St., Algiers, La.

Milks Emulsion restores healthy, natural bowel action, doing away with all need of pills and physics. It promotes appetite and quickly puts the digestive organs in shape to assimilate food, thus building flesh and strength, which are Nature's only aids in conquering germs and repairing the effects of wasting diseases. This is the only mild emulsion made, and so palatable that it is eaten with a spoon like ice cream. Wonderful for weak, sickly children.

No matter how severe your case, you are urged to try Milks Emulsion. If not satisfied with results, your money will be promptly refunded. Price 60c and \$1.25 per bottle. Sold by druggists everywhere.

MORE THAN BILLION FOR ROADS IN 1926

Huge Sum Forecast as More Than 35,000 Gather for Highway Conference at Chicago.

CHICAGO, Jan. 11.—A billion and a quarter will be spent for hard surfaced roads in 1926, William H. Connell, president American Road Builders' Association, said today as the association's annual conference opened here with an expected attendance of 35,000, including Canadian and South American delegates.

Connell stated this country now had 123,000 miles of hard surfaced roads, 150,000 miles of improved roads, and 2,000,000 miles on which little or no work has been done.

"Improvement of these roads," he said, "will not only relieve the dangerously and destructively crowded arterial highways, but, by spreading out our system of goods roads, will cause a more equal determination of wealth."

Plan for a highway connecting Ontario with Colombia, South America, will be discussed in addition to a highway linking all the large cities in America.

Cobwebs Bad Luck for Jack

Jack Ellis, alias Leslie Ellis, is not as lucky as the Robert Brice of yore, who freed Scotland through a lesson he learned by watching a spider and its web.

Ellis was arrested early Sunday by Sergeant Warren McClure when he alighted from a train with his clothes covered with cobwebs.

Police had received a warning from Greencastle, Indiana, officers to watch for a man whose clothes were covered with webs. The man, it was said, crawled through a basement in a Greencastle store and knocked the combination from a safe. Ellis is held as a fugitive.

Visitors from out of the city can easily find the way to White Cafeteria. It's "On the Circle."

How to Gain 5 Pounds in 30 Days

Ask Hook, Goldsmith Bros. or any druggist for a box of McCoy's Cod Liver Oil Compound Tablets. They cost but little, are sugar coated and as pleasant to take as candy.

It's the new pleasant way to take nasty cod liver oil and will not upset the most delicate stomach.

Skinny men and women take them to speedily put on plenty of good healthy solid flesh and for this purpose they are so extremely good that thin men and women often take on 5 pounds or more in 30 days. As a matter of fact, your druggist is authorized to return your money if you don't take on 5 pounds in 30 days.

One thin woman gained 15 pounds in six weeks.
