

FIRST OF NINE MURDERERS TO 'SWING' FRIDAY

Death Row Is Crowded in
Cook County Jail—Five
Die Feb. 19.

CHICAGO, Jan. 27.—First of nine men, who sit in "murderers' row" at the county jail will hang Friday morning. He is Campbell McCarthy, strapping young Negro of 19, who slew Christian Getzen, a watchman. Life spans of six more, including five white men, are measured by grim red circles on the calendar in the office of Warden George W. Weddell, two floors below.

Sam Washington, another Negro, will hang Feb. 13, for the murder of his common law wife. There is a particularly heavy ring about the date Feb. 19. Unless last minute reprieves are granted, five white men will be hanged that day. The men are Henry J. Pernekes, "Midg-et" bandit and killer; John Flannery, Daniel McGeehan, Joe Holmes and Jack Woods.

Drake Bandits

The first were convicted of murdering a building and loan company official during a hold-up; Holmes and Woods were participants in the sensational hold-up of the exclusive Drake hotel here last summer. The hold-up occurred in the afternoon when the lobby was thronged. All the clerks were herded into one of the rooms and one of them was shot to death when he failed to act as promptly as the bandits commanded. The five bandits seized a sum estimated at \$10,000, and fled in an automobile. Only one escaped, the others being shot down or captured in a wild automobile chase through the street.

Holmes and Woods, 25 and 24, respectively, are from the western range country. They are quiet, talk little and face death stoically.

Pernekes, Flannery and McGeehan are typical city thugs.

Two More

The other two men for whom the date of execution will be set later are Ralph Reno and Raymond Costello. Reno killed a man and woman during a quarrel. Costello murdered a girl.

"They seem to take their fate philosophically," the warden said. "They do no whining. They lived by violence and seem willing to die that way."

There are seventy-five other murderers in the county jail awaiting trial or action by the grand jury.

Fearing possible attempts at a jail delivery, policemen guard the jail day and night.

BRIDGE BIDS ASKED

Highway Body to Let Contracts for Fourteen Improvements.

Bids will be received Feb. 16 by the State highway commission on fourteen bridges, located in nine counties, at the first letting in the 1925 construction season. Total cost is approximately \$300,000. Two of the bridges are overhead structures on State Rd. 40 in Scott County, separating crossings with the B. & O. Railroad, the Pennsylvania and the Interstate.

Other bridges are on the following roads: No. 22, in Crawford County; No. 24, in Fayette; No. 25, in La Grange; three bridges on No. 33, in Marion; No. 12, in Owen; two on No. 31, in Putnam; No. 22, in Orange; and two on No. 10, in Vigo.

MARATHON FOR TONIGHT

Chafeston to Be Danced at Gardens by Forty-Five Couples.

Indianapolis' first Charleston marathon will be staged tonight. Believed to be the first of its kind ever held, the contest will be among couples instead of individuals. A Detroit man claims he has danced continuously an hour and forty-six minutes.

About forty-five couples are entered in the long-distance, endurance affair to be held at the Green Mill dance gardens, one mile east of the State fairground on Maple Road, according to E. W. Mushrush, manager, who said he has the city's first Charlestoners having introduced the difficult gymnastics last summer at the Broad Ripple pavilion.

BUTLER ASKS LEASE

College Athletic Contests May Be Held at Fairground Next Season.

In an effort to assure themselves of adequate floor space for next season's basketball contests, Butler University athletic authorities have asked the State board of agriculture to lease the State fairground from Dec. 1, 1926, to March 1, 1927.

The matter will be considered at the next meeting of the board, according to E. J. Barker, secretary-treasurer.

Miller's Antiseptic Oil, Known as Snake Oil

Will Positively Relieve Pain in a Few Minutes.

Try it right now for Rheumatism, Neuralgia, Lumbago, sore stiff and swollen joints, pains in the head, back and limbs, corns, bunions, etc. After one application pain usually disappears as if by magic.

A new remedy used externally for Coughs, Colds, Spasmodic Croup, Influenza, Sore Throat and Tonsillitis. This oil is conceded to be the most penetrating remedy known. Its prompt and immediate effect in relieving pain is due to the fact that it penetrates to the affected parts at once. As an illustration, pour ten drops on the thickest piece of sole leather and it will penetrate this substance through and through in three minutes.

Antiseptic thousands of Rheumatic sufferers are being relieved by use of this new oil treatment, which contains essential oils from Europe. It is known as "Snake Oil." Refrain from imitations. This great oil is a golden rule. Get it only by Herb Juice Medicine Co., U. S. A. Every bottle guaranteed, 35c, 70c and \$1. Get it, your druggist's—Advertisement.

ASK COURTHOUSE ZONES

Henry Fleming, Courthouse custodian, today recommended to Harry Dunn, county auditor, that special zones be made in front of three Courthouse entrances to facilitate deliveries to the building. Fleming said by prohibiting automobiles from parking in front of each entrance persons would be given a chance to drive up to the building and alight.

Fleming said the pile of rubbish on the north Courthouse grounds will be removed soon. Cold weather has prevented the debris from being moved sooner, he said.

Home-made Remedy Stops Cough Quickly

Finest cough medicine you ever used. Family supply easily made. Saves about \$2.

You might be surprised to know that the best thing you can use for a severe cough is a remedy which is easily prepared at home in just a few moments. It's cheap, but for prompt results it beats anything else you ever tried. Usually stops the ordinary cough or chest cold in 24 hours. Tastes pleasant, too—children like it—and it is pure and good.

Pour 2 1/2 ounces of Pinex in a pint bottle; then fill it up with plain granulated sugar syrup. Or use clarified molasses, honey, or corn syrup instead of sugar syrup, if desired. Thus you make a full pint—a family supply—but costing no more than a small bottle of ready-made cough syrup.

And as a cough medicine, there is really nothing better to be had at any price. It goes right to the spot and gives quick, lasting relief. It promptly heals the inflamed membranes that line the throat and air passages, stops the annoying throat tickle, loosens the phlegm, and soon your cough stops entirely. Splendid for bronchitis, croup, hoarseness and bronchial asthma.

Pinex is a highly concentrated compound of Norway pine extract, famous for healing the membranes. To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex" with directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind.

Life Made Pleasant For Old People

Much of the distress suffered by elderly persons is due to excessive gas in the stomach and bowels. Pressure from this gas often disturbs the heart action, causing lightning jabs of pain in the chest, palpitation, shortness of breath or a weak, nervous feeling that makes life utterly miserable. Some folks experience a gnawing feeling in the pit of the stomach—others have a burning sensation as if the stomach contained a lump of hot lead.

If you want to be free from all annoying symptoms of gas, get a package of Baslmann's Gas Tablets and take a couple before and after meals. See how quickly they will tone up your nervous, irritable stomach, relieve gas trouble and enable you to enjoy everything you eat. Genuine Baslmann's Gas Tablets come in a yellow package—price \$1. Always in stock at Hook Drug Co. and other good drug stores. J. Baslmann, Chemist, San Francisco—Advertisement.
