

ANDERSON DADS BOW TO ORDERS OF COMMISSION

Mayor, Works Board, Willing to Abide by Wishes of Regulatory Body.

Willingness of Anderson city officials to abide by whatever recommendations the public service commission may make, after an investigation of the \$15,000 appropriation the city council made for advertising the city, was expressed today in a letter received by the commission from Dr. Francis M. Williams, mayor.

Because the appropriation was made from the city's municipal electric light fund, the commission can exercise jurisdiction over the expenditure, it has been decided. A petition for a rate reduction is to be filed soon by Anderson residents opposing the expenditure.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for cologne, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous cathartics do without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 50c.—Advertisement.

Some of the greatest discoveries in modern medicine relate to treating glands. By using gland extracts and secretions we are doing things which seemed impossible before.

The liver is our largest, most important gland. The treatment for that is ox gall. It does what drugs have never done. It is hoped and believed that to millions of people it will bring priceless help.

Stop the Poisons

You think of torpid liver as meaning constipation. It does, but vastly more.

The liver should supply the intestines a quart of bile per day. That bile checks germ growth. If it is scant, the germs may breed by millions. And the blood may absorb from them a constant stream of poison.

From that impure blood comes sallow complexion, pimples, etc. Also many heart and kidney troubles. Also high blood pressure and premature old age. One cannot tell what troubles may be ended by stopping that poison flow.

Learn What It Does

Here is a new discovery from which millions may gain benefits. Learn what it means to you.

The results start in 24 hours. To some they are amazing. To countless people they may mean new health, new youth. Perhaps ox gall for the liver gland means just the relief you seek.

But get the genuine. Avoid deceptions. The best is called Dioxol. Each tablet contains ten drops of purified ox gall. In a treatment so important don't risk uncertain help. Remember the name—Dioxol. Your druggist supplies it. Watch its quick, remarkable effects. You will be delighted. Clip coupon now.

Too Tired for Housework? Beware of Chronic Fatigue

Thousands of tired, nervous, run-down women are victims of chronic fatigue—and do not know it.

Chronic fatigue is an unnatural tiredness—usually due to lack of sufficient organic iron in the blood. By restoring this iron to the blood, Nuxated Iron quickly banishes chronic fatigue and

gives new strength and vigor. Will not injure teeth or disturb the stomach like mineral iron.

ENDED HIS RHEUMATISM!

"I am eighty-three years old and I have had rheumatism ever since I came out of the army, over 50 years ago. Like many others, I spent money freely for so-called 'cures' and I have read about 'Uric Acid' until I really believed it. I could not sleep nights or walk without pain; my hands were so sore and stiff I could not hold a pen. But now I am again in active business and can walk with ease or write all day with comfort. Friends are surprised at the change. You must just as well attempt to put out a fire with oil as try to get rid of your rheumatism, neuritis and like complaints by taking medicine supposed to drive you big out of your blood and body. It took Mr. Ashelman fifty years to find the truth. He learned how to get rid of the true cause of his rheumatism, other diseases, and recover his strength from 'The Inner Mysteries,' now being distributed free by an authority who devoted over twenty years to the scientific study of this trouble. If you wish 'The Inner Mysteries' of Rheumatism' containing facts overlooked for centuries by ordinary medicine, send your letter to H. P. Clearwater, 152-B St. Hall, Walnut, Mass. Send now, lest you lose it. If not a sufferer, cut out this notice and hand this good news and opportunity to some afflicted friend. LABOR LEADER URGES DEFEAT OF J. E. WATSON

Adolph Fritz Urges Union Men to Vote Against Senator.

Union labor members of Indiana today were urged to fight the effort of Senator James E. Watson to succeed himself in the senatorial primary by Adolph J. Fritz, Indianapolis, Indiana Federation of Labor secretary-treasurer.

"We have found time after time Watson opposed to bills we adhere to," Fritz stated. "He invariably attempts to block such laws as we feel will benefit our organization and it is for the future of the working class that I ask labor men to give their aid to the movement to defeat him."

Supporters of Albert J. Beveridge for the Senate today questioned the statistics quoted recently by Senator Watson that 85 per cent of goods the farmer uses enter this country duty free.

Meanwhile George S. Elliott, Marion County Klan, exalted cyclops, denied the Klan branch would be affected by a deal said to have been made between Imperial Wizard Elmer Evans and George V. Coffin, Republican political boss, at a recent conference in Washington. It was said Coffin agreed to go down the line for Watson at that time.

How to stop BOILS!

There's only one way to stop boils. Stop the cause of boils. That's common sense—isn't it? All right. Boils thrive because the blood gets so weak in healthy, red cells that it can't throw off the impurities that get into the body. There's not enough rich, red blood to purify the system.

Now—S. S. S. builds back the blood to fighting strength. S. S. S. builds red-blood-cells—builds them by the millions! Boils dry up! S. S. S. is the thing. Impurities that cause boils and other skin eruptions can't stand up against the rich, healthy, red blood that S. S. S. builds. That's all there is to it.

Stop boils with S. S. S. It's the way. Get it at any druggist. The larger bottle is more economical.

The Servant of the Home

Every modern, well-planned home now is lighted with electricity. Electric light is as much of a necessity in your new home as water and heat. But electricity does not stop there. It gives you comfort, leisure, freedom from drudgery, when it is put to work on the tasks that have taken so much of your time and strength—cleaning, washing, ironing.

Put to work in other ways, it gives greater convenience, cleanliness, sanitation. Electric refrigeration means food better kept, because constant low temperature is maintained. Electric cooking means food better prepared, because of more accurate heat control.
