

THIRD S. H. S. SITE MAY BE BEFORE BOARD

Location at Forty-Ninth and Meridian Sts. Offered.

A third site for the new Shortridge High School will be considered at the Indianapolis school board meeting tonight, Theodore Vonnegut, president, said today.

The site, 600 by 600 feet, is at Forty-Ninth and Meridian Sts., and has been offered to the board, he said.

Appraised values of two other proposed sites, one on Forty-Sixth St., between Central Ave. and Washington Blvd., and another on Fortieth St., between Illinois and Meridian Sts., may be announced at the meeting.

The results of the reappraisal of the tract now held as a site for the new school at Thirty-Fourth and Meridian Sts. will be given. It was appraised at \$107,000 last fall by the Indianapolis Real Estate Board. The board plans to sell this and buy a larger tract.

County commissioners have promised the board they will try to procure a site for School 37 at Keystone Ave. and Twenty-Fifth St., Vonnegut, Charles W. Kern and Business Director Ure M. Frazer, conferred in Frazer's office this morning.

The nature of the conference was not divulged.

Vonnegut remarked that if the board did not find a suitable site soon that Shortridge will be erected on the Thirty-Fourth St. site.

Names of more employees dropped from the payroll by Carl W. Burton, assistant superintendent of buildings and grounds, will be submitted.

Twenty alleged speeders, one intoxicated driver, four reckless drivers and one "hit and run" driver fell into the police net Monday night. This is one of the largest mid-week arrest totals in several months.

"It is just a case of a concentrated drive on the fast drivers that I expect to continue through my administration," said Police Chief Claude F. Johnson.

"Sergeant Earl Halstead and his motorcycle squad have been doing good work and the fact that they were on the job when a nice day came along and enticed the motorists to 'step on it' is seen from the arrests."

Edward H. Ballman, 45, of 1215 N. Oxford St., is held on charges of assault and battery and failure to stop after an accident.

Otis Thomas, 41, of 617 N. East St., is held on a charge of driving while intoxicated.

New Magic of ARUM—Radium in Tablets—Without Drugs—Brings Amazing and Lasting Relief From Dizzy Spells, Sleeplessness, Kidney Trouble and other Dangerous Symptoms—Test It Yourself—

With high blood pressure daily claiming its victims by thousands, you should watch closely for such dangerous symptoms as dizziness, hot flashes, surging of blood to the head, aches in the head and back, heart palpitations, quick pulse, shortness of breath, ringing in the ears, pouches under the eyes, enlarged veins over the temples, nervous weakness or lack of strength. Doctors report that in 80 to 95 per cent of the cases tested, the marvelous restorative radium power supplied by ARUM produced a rapid lowering of high blood pressure and brought back normal healthful activity. This is because ARUM creates a vitalizing, internal exercise, removing proper action, just as Nature intended. A multitude of alarming symptoms quickly disappear. You see and feel the startling improvement in yourself each day—act and look younger, no matter what your age may be.

Mr. Chris Ulfers, a prominent resident of Iowa, says: "ARUM HAS GIVEN ME NEW LIFE where everything else I used failed. I had high blood pressure bad—that is gone now. I have also overcome nervousness. Had terrible pains and swelling of stomach and lower bowels—this is getting better—can sleep good—I am stronger and enjoy life again, for I feel better than I did years ago."

The Associated Radium Chemists, Inc., of New York, which supplies druggists with ARUM guarantees successful and satisfactory results from its progressive use in every case, or money refunded, and offers \$500.00 Reward if it fails to prove that a definite quantity of genuine radium is used in its preparation. ARUM is easy and economical to take and may now be readily obtained in this city from good druggists such as Hook Drug Stores, Haag Drug Stores, J. J. Hinder and Goldsmith's—Advertisement.
