

## FRANK TO SPEAK HERE

Wisconsin President Will Address Teachers in October.

Glenn Frank, University of Wisconsin president, will speak at Indiana State Teachers' Association meeting Oct. 21-23, it was announced today by C. O. Williams, secretary.

Frank, the youngest university president in the country, was formerly editor of the Century Magazine. He will speak at Cadle Tabernacle. Other speakers are: Rabbi Stephen S. Wise of New York; Whiting Williams, noted sociologist, formerly of Gary; Elwood Cubberly of the University of California; and Frank Hunter, superintendent of Oakland (Cal.) schools.

## APARTMENT AUTHORIZED

Large Structure Will Be Built on Washington St. Site.

A forty-eight family apartment house at Washington St. and Emerson Ave., will add the Indianapolis building boom, as the result of permission granted by the city plan commission Tuesday to H. J. Hibben. Leona M. Stark also was authorized to build a filling station at the northwest corner of New York and Jefferson Sts., for the Supreme Oil Company.

## Freshen Up!

Nicest Laxative, "Cascarets" 10c

Don't stay head-achy, bilious, constipated, sick! Take one or two "Cascarets" any time to mildly stimulate your liver and start your bowels. Then you will feel fine, your head becomes clear, stomach sweet, tongue pink and skin rosy.

Nothing else cleans, sweetens and refreshes the entire system like pleasant, harmless, candy-like "Cascarets." They never gripe, overact, or sicken. Directions for men, women, children on each box—drug stores.—Advertisement.

## He Was Constipated, Bilious and Weak

Just Dragged Himself Around for Years. Perfectly Well Now.

"I suffered with stomach trouble and a torpid liver for ten years. My appetite was poor and I was troubled with frequent attacks of biliousness. My complexion was yellow, I was troubled with constipation and all run down. I just had no pep at all. I tried different medicines and nothing did me any good. Several friends recommended Viuna to me, so I tried it. After a couple of days I saw that at last I had found the medicine that I had been looking for. My appetite came back and the things I ate began to taste good to me. The bilious attacks stopped and my complexion began to clear up, so I kept right on, and now I feel fine. I can eat anything, my constipation is gone, and for a man 63 years old, I am full of pep."—William Beal, 117 N. High St., Hartford City, Ind.

Viuna acts promptly on sluggish bowels, lazy liver and weak kidneys. It purifies the blood, clears the skin, restores appetite and digestion, and brings new strength and energy to the whole body. Take a bottle on trial. Then if you're not glad you tried Viuna, your money will be refunded, \$1 at druggists, or mailed postpaid by Iceland Medicine Co., Indianapolis, Ind.

## Puzzle a Day

Paul and his buddy, Paddle, of Ottawa, have been arrested over 100 times each, and they claim a world record. But for an accident their records would have been one greater. One night both were implicated in a fight. During the excitement, which brought the police, Paddle fell through a gate of this yard, dragging Paul with him. The two hid among the piles of rubbish until all was quiet. Then, being careful not to touch any rubbish, they walked in a straight line, made one turn and continued in another straight line until they reached the gate to the opposite street.

Can you retrace their steps?

Last puzzle answer:

The supreme commander of the Woman's Benefit Association meant that she had asked 2,052 local bodies to form old-fashioned dance classes. This number is divisible in four parts. The total of the digits is 4½ times as large as the smallest part, which is 2. The first part is (800 times 2) 1,600; the second part is (400 times 2) 800; the third part is (50 times 2) 100. All the parts are (1,600 plus 800 plus 100 plus 2) 2,502.

## HORSE KILLS YOUTH

By United Press  
KOKOMO, Ind., March 3.—With the head and face crushed almost beyond recognition, the body of Francis Sutton, 14, was found Tuesday night on the farm of his uncle near here. The lad was trampled to death by a horse he was leading to water.

## KING'S AIR TRIP DENIED

MADRID, March 3.—If King Alfonso visits South America he will travel by steamer and not by airplane. The United Press was authoritatively informed the story appearing in the Paris Journal to the effect that Alfonso, Queen Victoria, Premier Primo de Rivera and several ministers, would cross the Atlantic by air in ten hydroplanes, led by Commander Ramon Franco, had no foundation.

## Proves Mother Is

Your Closest Friend

Mr. J. Pauli, Jersey City, writes:—"I awakened each morning with an unpleasant taste and was often eminded by my Mother that my breath was disagreeable. I tried perfumed tablets, mouth washes and other camouflages which gave temporary relief. After consulting my dentist and finding my teeth in good condition, a friend suggested my trouble was constipation. After taking a few doses of Carter's Little Liver Pills my stomach and bowels were relieved, foul and impure gases eliminated."—Advertisement.
