

# STIRRIN' the DOPE

By VEDDER GARD

## Sectional Cross-Sections

**A** GREAT chance for the poets is offered at Aurora—some of that "going-out-to-meet-the-dawn" stuff. The Bright-Aurora contest is second on the program. Rising Sun also is at the Aurora center. What could be more appropriate?

Many Anderson fans shudder from recollections of last year when they read on the schedule this season—10 a. m. Saturday, Anderson vs. Lapel.

Bluffton may be the sectional center, but there are three other centers in that tourney: Liberty Center, Chester Center and Union Center. If there is any trouble in that meet Petroleum can be called on to pour oil on the troubled waters.

They are not holding back the thrills at Crawfordsville. Wayne-town and Crawfordsville meet in the first game at 2 p. m. Friday. The same goes for Shelbyville, where Columbus and Shelbyville clash right off the bat at 1 p. m. Friday.

**F**REEDOM and Patrickburg meet Friday evening at Spencer. It was a fellow by the name of Patrick who once said: "Give me liberty or give me death!" Patrickburg's slogan is: "Give us Freedom or we don't care what happens!"

Economy and Short get together at Richmond Friday night. They may decide on five-minute halves.

The Owensville tourney is worthy of the Gods. Mt. Olympus will be there.

Jasper sectional takes on an international aspect. Holland and Ireland are in the first scramble of the tournament. Lay down those bricks!

**A**MONG the referees Indianapolis has drawn a bird. His name is Schwann. Another seems to be not in the best of shape. He is Wann. To offset this there is a Hale official at Kokomo. Evansville teams had better be careful, as there is a Heller on the job.

Martin Luther is at Aurora. Black and Barb seem to be the most euphonious pair while Harry Coolman appears the best fitted by name for his job. Martinsville is certain to have Bills to pay. Bacon will be furnished at Rushville as part of the entertainment.

The high school students will be reminded of their first glimpse into the mysteries of Latin at Danville sectional. Amo is there. Amo, amas, amat—I love, you love, he loves—but why speak of unpleasant subjects. Basketball holds the stage.

**T**HE South Side Turner basketball team will go to the National A. U. Tournament to start on March 15 at Kansas City. Coach Meyer said to-day that the following men would make the trip: Howard, Mitchell, Thatcher, Captain Ebers, Roberts, Davis, Hutchinson, and Spaulding. Grimsley may be the ninth man to go. Meyer will be in charge.

The K. C. endeavor will not be a new venture for the local club. The team was at the tournament two previous times. Last year practically the same team made the trip. Howard and Spaulding are two new players.

In the 1925 tourney the Turners were defeated by the Denver Boosters by one point. Meyer believes the club has a better chance this year because of knowing just about what it is up against. The addition of Howard and Spaulding also has strengthened the squad considerably.

As far as known the Turners will be the only Hoosier representative in the national tourney.

**W**E were talking the other day to an athlete who graduated from Butler. He had been a member of Coach Page's basketball team. The former net player made a remark concerning Pat which hit the nail on the head.

He said that Page was a wonderful judge of men. What better compliment than that could a coach receive? That is his job to judge men.

This basketball player went on to say that Page sometimes started different combinations against different teams. His players often wondered just why it was done, but before the game was over they knew.

Page had sized up the opposition and had matched their performers with his own men in such a way as to get the best results.

While on trips Butler played teams never seen before. But Pat with uncanny perception classified the opposing players. He rated them from observation as they practiced and made his plans accordingly.

The best example of this was in the national A. U. tourney at Kansas City, won by Butler, during the season of 1923-24. In this meet Butler met all styles of play in individuals and teams. Page varied his line-up and plan of attack and defense to meet the different situations with remarkable success.

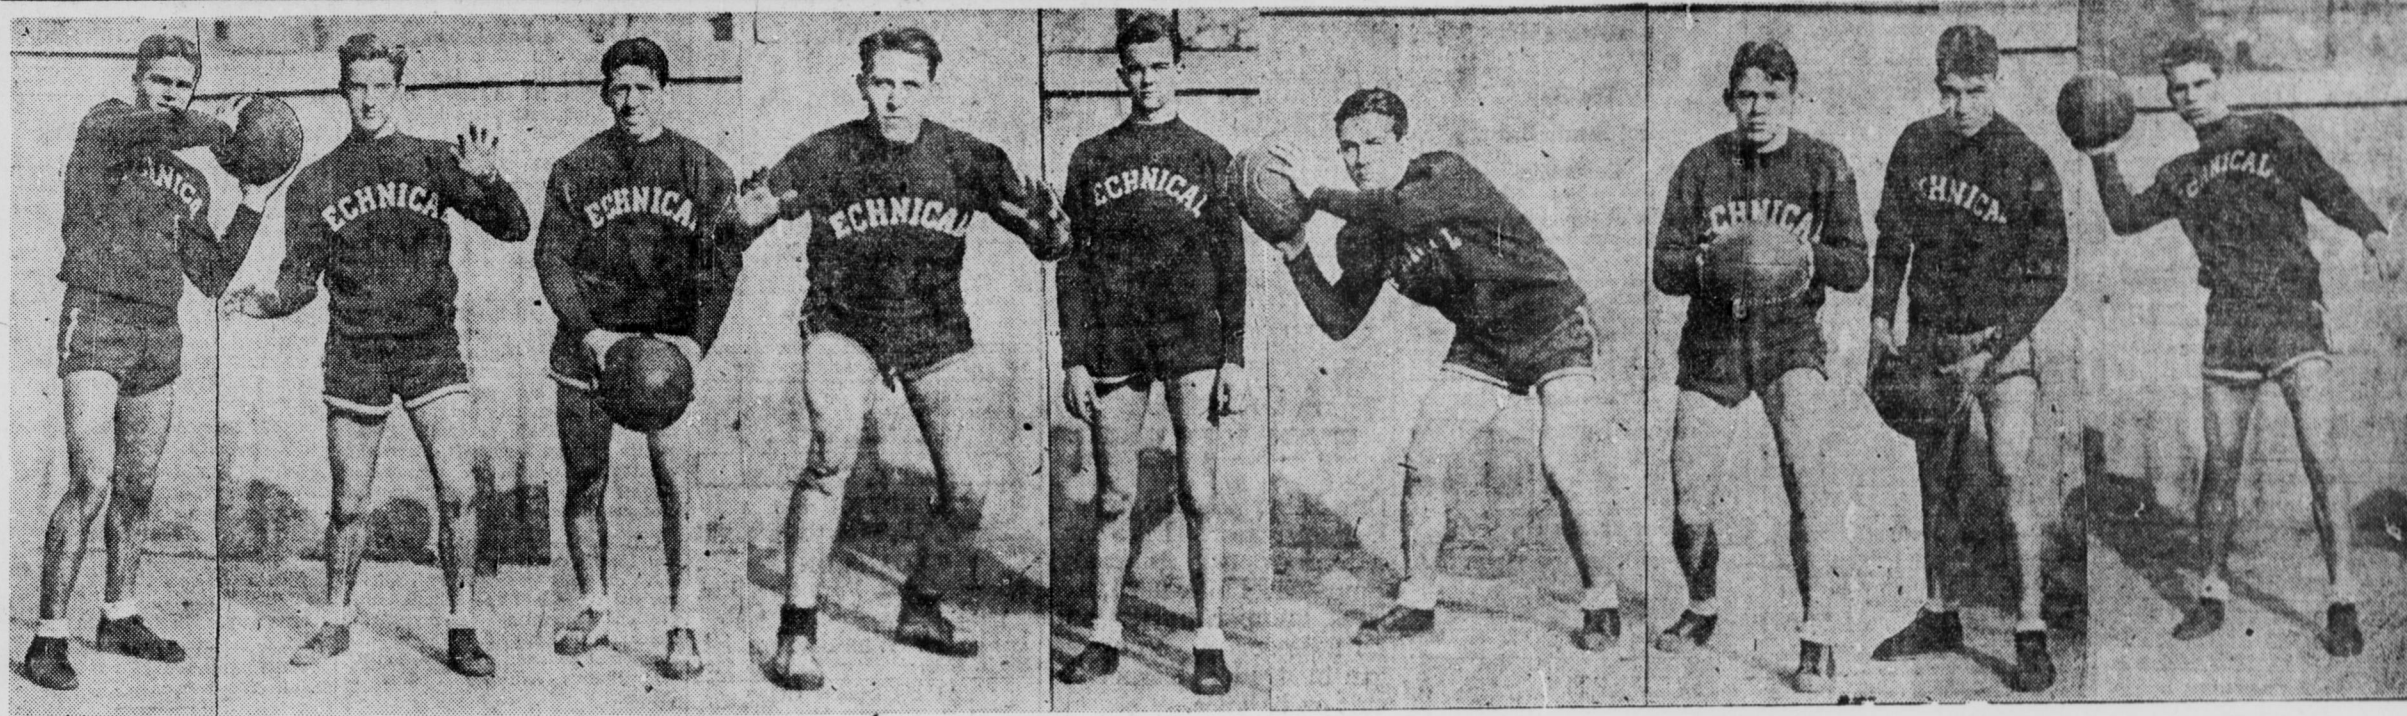

Even rival coaches admit that Page is smart. And his former player made a bulleseye when he remarked that Pat's greatest asset was his intuitive judgment of men.

**PHILLIPS ENTERS MEET**

Capt. Herman Phillips of Butler will compete in the national A. U. indoor track carnival at Chicago Saturday.

It is not decided what events the local athlete will enter. He won the 1,000-meter race at the Illinois meets last Saturday, and probably will be seen in a middle-distance event at Chicago. He may try the mile.

## TECHNICAL STRONG INDIANAPOLIS ENTRY IN LOCAL NET SECTIONAL

Ullery, Demmay, Worth, Ghunt, Davis, Hickman, Mussy, Grimsley, Thompson

## 6 SCRAPS, 40 ROUNDS ON PROGRAM TONIGHT

Mulholland, Student Boxer, in Fifth Pro Bout—Action on Tap in Prelim Clashes.

Fighting his fifth professional engagement, George Mulholland, Indianapolis heavyweight boxer and Butler College football player, is reported to be in his usual superb form for tonight's ten-round affair with Larry Sobjcek, Milwaukee mauler. These heavies will figure in the ten-round feature at Tomlinson Hall.

Mulholland, campus favorite from Irvington, and former Olympic performer, has won three of four starts at 6-0.

In the paid ring, and if he defeats Sobjcek he will feel as though he is getting somewhere. His opponent has had more pro experience and is known as a rugged scrapper.

Louie Lavelle, Anderson, tangles with Kewpie Trimble, Chicago, in the semi-windup of ten sessions tonight. They are among the popular knuckle dusters who appear here occasionally.

There will be four prelims, two of six rounds and two of four rounds. The inland A. C. has tried to set the fans action in the early bouts, which will be run off in rapid order.

Six bouts, calling for forty rounds of milling, first go at 8:30. All boxers were to weigh in late this afternoon.

**HELEN STARS**

German Champion Downed by Miss Wills.

**By United Press**  
MENTONE, France, March 3.—Helen Wills, American tennis champion, survived the second round of the Mentone singles tournament here today when she defeated Frau Nelly Neppach, German champion, at 6-0.

With the defeat of Frau Neppach the young American champion has been victorious against ranking tennis players in Europe with the exception of Mlle. Suzanne Lenglen.

**Fights and Fighters**

**ST. LOUIS**—Charley Phil Rosenberg, world's bantam champion, retained his title in a bout with George Butch, St. Louis, here Tuesday. K. O. Phil KO'd Butch out-pointed Babe McGorry, another local fighter.

**ROCKFORD, Ill.**—Sammy Mandell, crack lightweight, will meet Phil McGorry in a ten-round match at Detroit, March 12, according to an announcement here.

**NEW YORK**—In answer to the offer made by Tex Rickard to wage a suit of clothes that Jack Dempsey and Harry Wills do not meet for the heavyweight championship of the world, Dempsey said: "I'll bet \$500 they will."

**NEW YORK**—Jack Dempsey will attempt to make peace with the New York State Athletic Commission here today before leaving for Baltimore, where he is billed for an exhibition tonight.

**PITCHER HILL DEPARTS**

**P**ITCHER HILL, one of the mainstay right hands of the Indians, will be the first Tribe athlete to report at the Hot Springs training camp.

Hill said today he would leave Indianapolis Thursday and start light exercise Friday or Saturday with Trainer Jim Pierce, who is there getting things in shape for the invasion of the Bushmen.

Other Tribe pitchers and Catchers Almsmith and Florence have been sent transportation by Secretary

Clauer and ordered to report at Hot Springs Monday March 8. Manager Bush will wait and accompany the other pastimers, leaving March 14, and arriving at the Arkansas resort March 15.

Bush is endeavoring to sign two outfield Cincinnati sandlotters for tryouts, a pitcher and third baseman. He has made one trip to Cincy and will go again shortly with contracts.

**Amateur Sports**

The meeting of the Indianapolis Amateur Baseball Association tonight at 7:30 in the City Council Chamber, in the first of a series of meetings, was well attended. The association has had, not only have the officials mapped out a sports program, but they have received reports from the various clubs as to their status for the coming season.

A 115-pound amateur independent basketball tournament will be held at the Baptist 2nd Saturday, March 13. Fourteen teams are wanted to enter. An appeal will be held Thursday evening in the Y. M. C. A. lobby at 8 o'clock. All teams desiring to enter are requested to have a representative there. For further information, call Drexel 3675 or address R. J. Steiner, 918 Olive St.

Louisville Blue Moon Tigers will invade the Hoosier capital Sunday afternoon to oppose the South Side Turners in the final game of the season. The Tigers have been strengthened since their last visit here and will be out to stop the Turners, who have not received a setback in twenty-five games after losing the first game.

The Louisville Blue Moon Dells will oppose the Holiday girls squad in the first game of the afternoon.

Acme A. A. baseball team will be in the field again this season with an improved line-up. Any player desiring to join the team should call Drexel 4280 or address W. Johnson, 820 S. Pershing Ave.

The Morocco Giants will hold a baseball meeting at the home of the manager on March 4. All last year's players and those wishing tryouts are requested to be on hand. Fred Clements and Bud Williams and "Dad" take notice. For games address R. Palmer, 1142 McDonald St.

The Big Six Baseball League is ready for the season. The teams composing the

**Kicks Referee**

**By United Press**  
DETROIT, March 3.—The Ft. Wayne (Ind.) basketball team of the American Professional League defeated Palauk Post here Tuesday night, 19 to 10.

Schulties, Ft. Wayne, forward, was ordered out of the game after kicking Referee Powers, but was allowed to remain in the contest when the Ft. Wayne management claimed he had no substitutes.

Technical High School basketball team has been showing up well in the latter part of the season and is a much feared entry in the local sectional at the State fairground, where sixteen Marion County teams clash Friday and Saturday.

The Green and White seems to have a better draw than Manual and Shortridge, who will have to meet each other Saturday morning if they win their first games.

Tech starts out with Broad Ripple at 7:30 p. m. Friday in the sectional meet.

## Franklin and Wabash Fives Tangle

### Y. P. C. S. CLOSE SEASON

St. Anthony Y. P. C. basketball team will close the season Thursday night when they meet the Indianapolis All-Stars at St. Anthony Hall. The All-Star team is comprised of former high school players who promise to give the Y. P. C. all the opposition they can handle.

In a curtain-raiser the Houdini Handcuff Kings will take on the Y. P. C. Juniors. Strong rivalry exists between the two clubs.

### GREB AGAIN

Harry Gets Chance at Old Title May 21.

**By United Press**  
NEW YORK, March 3.—Tiger Flowers, new middleweight champion, and Harry Greb, former champ, will meet in a return bout for the title in the Garden May 21. Tex Rickard announced Tuesday night.

The scrap will be fifteen rounds to a decision. Flowers defeated Greb for the title last Friday night.

High school basketball players can not be bothered by worldly affairs this week. They're too busy dreaming about dribbling through the opposition in the State sectionals.

Parents of a basketball son are urged to get a whistle and blow it when he falls out of bed. Give a towel and shout "traveling," and he'll crawl back in and start off on another imaginary gallop.

Winter vacationists are returning verifying the fact that the main difference between a sunburned neck in February and a sunburned neck in August is the cost.

The chief drawback about a winter vacation, however, is that it always lasts longer than the bankroll.

Connie's punctured romance: Did she jump, or was she pushed?

**3-Bout Mat Card Stirs Interest**

The wrestling program at Tomlinson Hall, Friday night, will be the first all-wrestling card presented in Indianapolis this winter. All previous matches have been conducted in conjunction with the show at the Broadway theater.

Aside from there being interest in seeing the famous headlock king, Ed (Strangler) Lewis, in action against Pat McGill, Irish heavyweight, the match between Mike Romano and Bill Demetral is causing the fans to take notice.

Demetral is well remembered here. He is noted for his rough tactics, but in meeting Romano he will hook up with an opponent who asks no quarter.

Ray Falls, Indianapolis A. C. and Jack Davis, Chicago, open hostilities of the evening.

**FOUR GIANT HOLDOUTS**

**By United Press**  
SARASOTA, Fla., March 3.—George Kelly, Bill Terry, Irish Meusel and Jack Scott, are the only holdouts among the Giant regulars following the signing of Frank Snyder and Ross Young.

Herb Pennock, Bob Meusel and Aaron Ward are the only Yankee regulars who have not reported.

### ELECTION OF OFFICERS

The Fraternal Baseball League held a meeting Tuesday. Officers for the coming season were elected. They are: Fred Campbell, Sahara Grotto, president; Frank Wilkison, De Molay, vice president, and J. W. Ashe, Printers, secretary.

The league will be a six-club affair, and one team is needed to complete the entry. The league will play Saturdays. Any team interested get in touch with the president, or call Callahan, Main 4337.

**I. U. SECOND**

Crimson Ties for Runner-up Place in Big Ten.

**By Times Special**  
BLOOMINGTON, Ind., March 3.—Indiana University basketball team went into a five-way tie for second place in the Big Ten race Tuesday by defeating Northwestern, 64 to 28.

Other clubs besides the Crimson which have won six and lost four are Illinois, Ohio State, Iowa and Michigan.

The Purple gave I. U. a sharp battle and led at the half, 13 to 16. Coach Dean's club got together in better shape during the last twenty minutes and pulled away.

Sponsor was the Indiana star, with five from the field and one free throw. Shibley tossed in four, Krueger two and Becker two. Rusch and Fisher made eight points each for Northwestern, and White was not far behind with seven.

**RENE LA COSTE ILL**

**By United Press**  
NEW YORK, March 3.—Rene La Coste, French tennis star, and the winner of the recent national indoor tennis championship, is confined to his room with a severe cold and will not be able to play here again this season. He will sail for home shortly.

## H. S. NET FIVES GROOM FOR SECTIONAL START

Last Hard Scrimmages Today for Four City Teams—Event Opens Friday at 9 A. M.

The four local public high school basketball teams are putting in hard licks in preparation for the sectional tourney which starts at the fairground Friday morning at 9 o'clock with Manual meeting Castleton.

The last hard scrimmage was on the bill of fare today. Thursday things will lighten up. Shortridge has the tough draw. That club must start out with Southport at 10 a. m. Friday.

If a winner in that game, the north side five tangles with Manual at 8:30 a. m. Saturday. Manual should not have a great deal of trouble with Castleton in its first contest.

Technical starts against Broad

Ripple at 7:30 p. m. Friday, and

dope favors the Green and White. In its second game, if Tech wins, it will meet the victor of the Ben Davis-New Augusta game.

The way the schedule runs it appears as though Technical has every chance to reach the final battle. Southport, Shortridge and Manual are the strongest contenders in the other part of the draw.

The dopesters are figuring Tech and Manual in the final scrap.

## REDS' HOPES

Pipp and Luque Rumors Dim Cincy Chances.

**By United Press**  
NEW YORK, March 3.—Hopes for the Cincinnati Reds in the National League race have decreased in the last week with the threat of Wally Pipp, first baseman, to retire, if he doesn't get half of his purchase price from the Yankees and a rumor that Adolfo Luque, one of the pitching aces, is in bad shape, a result of a recent operation.
