

## Fengler Back in Game

Coast Pilot, Hurt Here in 1924, to Race in 1926 Speedway Event.

The May 31 Speedway racing pot is boiling merrily and a good brew is assured. T. E. Myers, secretary-manager in the local speed plant, threw in about the choicest bit of seasoning in many a day when he gave out word today that Harlan Fengler of Los Angeles had entered a car in the 500-mile international sweepstakes.

Fengler has not been seen in racing togs here for two years. He was hurt badly at the Indianapolis Motor Speedway while practicing for the 1924 race and it was several months before he was able to drive a car. He made only one or two starts after that and then quit the game.

### For Another Whirl

This year, with the change to the 91½ cubic inch motors and the consequent keen rivalry in tuning to the high mounts, Fengler decided to give the speed wagon another whirl.

Little is known of Fengler's plans or the name of his car, as he will have until the entries close on May 1, to register the racer with the American Automobile Association and to declare it.

### Two Cars Rumored

The rumor from the coast is that Fengler is building two cars and that he has entered both in the May 31 gasoline argument. Be that as it may, Fengler, "the boy wonder," is once more on the racing paths and it behoves other drivers to look well to their laurels.

Fengler is twenty-five years old. His greatest bid for fame was in winning the Washington's birthday 25-mile race at Los Angeles in February, 1924, at an average of 116 miles an hour, a world's record.

## SHORTRIDGE IS TOURNEY LOSER

(Continued From Page 1)

er morning contest here by the small score of 16 to 9, and did not appear up to the calibre of either Shortridge or Summitville.

### 1,500 S. H. S. Rooters

Shortridge's rooters in the bleachers outnumbered the population of Summitville.

Fifteen hundred howling fans wore the Capital City team's colors, Blue and White. The population of Summitville is 1,000.

Shortridge won its way to the regional by crashing through as the dark horse of the Indianapolis section. Entering that tournament third choice to win, the Blue and White staged an upset by beating Manual, city champs, and walloped Technical's team in the final tilt, 25 to 16.

Summitville won the Anderson section, which was jammed with contenders. Lapeel defeated Anderson, but lost to Alexandria and Summitville trimmed the latter squad in the final game 28 to 22. Prior to tourney time, Summitville lost only five games as compared to twenty-two victories.

Summitville's squad was first on the floor. Shortridge players snagged baskets freely in practice. About 4,000 fans jammed the gymnasium.

### Cartwright Missed

Summitville took the tip-off. Cartwright shot wildly. Christopher dribbled the length of the floor and shot, but it rolled off. Cartwright fouled Holt, who missed both shots. Christopher made a basket but it was not allowed. He traveled. Gill fouled Baldwin who missed, but Heaton tipped it back for a field goal. Worthington batted in a pretty field goal and tied the score. Baldwin hit from the field. Cartwright shot a close one.

Holt dribbled down for a short one, and Worthington followed in for another one that tied the score at 6-all. Holt fouled Cartwright, who missed. Worthington missed a heart-breaker. Several Summitville shots refused to drop in. Shortridge used the long pass game.

### Crowd Screams

The crowd screamed as Holt missed a long one. A second later Christopher took a long pass from Holt and scored a field goal, sending Shortridge into the lead. Summitville called time out.

Shortridge rooters were wild. When play was resumed D. Woods fouled Cartwright, who missed both shots from the line. Several Shortridge shots went wild. Forrest fouled Christopher, who missed. Gill shot a beautiful long one, and Baldwin retaliated with one for Summitville. Holt fouled Young, who missed. The crowd yelled its disapproval when Holt was charged with fouling Baldwin, who missed the free throw as the gun barked.
