Built Entirely From Stolen Goods.

By United Press
RUSHVILLE, Ind., March 31.—Curious crowds today were visiting the home of Fred Cleveland, 26, on the outskirts of this city—a house that robberies built.

In a confession to police, Cleveland admitted stealing lumber, tools, cement, plaster, nails and in fact everything that went into the construction of his modern home. With the house built Cleveland said he again turned to thefts and stole materials to construct chicken houses and hog pens. When this was done the chickens and pigs to fill the pens and houses were stolen and then the feed to raise the stock also was pilfered.

WATSON WORKER ANSWERS ADAMS

Declares Senator Pulls Powerful Oar.

Senator James E. Watson does not introduce bills but nevertheless pulls a powerful oar in Washington affairs. That was the substance of a statement issued today by John Mott, Watson's campaign manager. "If Claris Adams was even slightly observing of the widespread disapproval against the introduction of a flood of bills in any of our legislative bodies, and if he visualized the present national tendency which demands fewer and better laws, he certainly would not criticize any statesman for not having his name attached to a flood of new legislation," Mott's statement read. "The people want fewer bills introduced in Congress and better laws." Mott charged Adams revealed unfamiliarity with Washington customs in legislation in his attacks upon Watson.

Miller's Antiseptic Oil, Known as Snake Oil
STOPS PAIN
From coast to coast men and women are singing the praises of "Snake Oil," a most powerful, penetrating pain reliever. It will penetrate the thickest, toughest leather in 2 minutes. Mrs. R. Werner, New Orleans, La., writes: "Thanks to your wonderful penetrating oil, it relieved me of Rheumatism and deep seated chest cold after other remedies failed." "I had rheumatism so bad I had to walk on crutches for nine years," says H. C. Hendrix, old soldier of Minneapolis, Minn. "After three months' treatment with 'Snake Oil' I laid off my crutches and now can walk like a boy." J. R. Moore, Pittsburgh, Pa., railroad man, says: "Snake Oil" is the only liniment that ever gave me relief from rheumatism. I use it regularly after being exposed to bad weather. For rheumatism, neuralgia, lumbago, stiff joints, pain in back and limbs, corns, bunions, chest colds, sore throat, "Snake Oil" is said to be without an equal. Refuse imitations. This great oil is a golden red color. Mfg. only by Herb Juice Medicine Co., U. S. A. Get it, your druggists.—Advertisement.

HAD NO STRENGTH

But North Carolina Lady Took Cardui and Now She Says, "I Never Felt Better."

Washington, N. C.—"My health wasn't any account at all," says Mrs. H. L. Cayton, of this place. "I would start to do my housework and I would give out before I had done anything at all. I did not have any strength and if I did the least thing it seemed to tax me so I could not finish.

"I was run-down sure enough. Several of my friends had taken Cardui and they said to me, 'Why don't you try it?'" "I knew I needed something to build up my general health and to increase my strength. Finally one day when I was recovering from a spell of sickness, I decided to try Cardui. I got a bottle and began to take it. I could notice that I was improving as my appetite got better and I did not give out nearly so quick. I took several bottles and I felt lots better.

"Two years ago I decided to take it again. It built me up and made me feel like a different person. I never felt better in my life. It is the greatest medicine for women that I know anything about and I am glad to recommend it as a tonic."

CLEANS CLEAN Why? Because It Fits!

Built to the pattern of the human mouth, Dr. West's Tooth Brush contacts every curve and angle and crevice. While almost any tooth brush will clean outside surfaces, Dr. West's cleans INSIDE, OUTSIDE AND BETWEEN.

There's a difference between brushing your teeth—and cleaning them. To clean them you must use a brush that fits the curves and angles—one whose bristles seek out the crevices and sweep them clean.

To fill this need came Dr. West's—a new-day tooth brush—correct as modern dentistry. It is small, arch-conforming and crevice-fitting. Every pointed bristle-tuft does its work with every brushing.

The true diagram above shows clearly the fitness of Dr. West's. Its use and effect in your own mouth is self-demonstrated proof that this one brush cleans every part of all your teeth—and cleans them, inside—outside—and between.

For Women Only

Do you know that there is now a safe and harmless antiseptic that is several times more powerful than deadly bi-chloride and carbolic acid as a germicide? In a highly scientific preparation known as Jo-Vex, expert chemists have succeeded in combining with other ingredients, the famous war antiseptic, chlorine gas, which antedated the entire medical world by its germ-killing power.

Jo-Vex, though the most powerful antiseptic known for home use, is non-poisonous and non-irritating. It is always uniform in strength, always dependable. Two tablespoonsful to a quart of water makes a solution that instantly destroys germ life.

Be safe, be sure. Use powerful, harmless Jo-Vex, instead of dangerous poisons.

Use Jo-Vex, also to instantly stop body odors. Apply just a few drops to offending parts and every sign of odor vanishes.
