

STRANGER GIVEN WOMAN'S RING

Man Leaves Theater With \$50 Diamond.

Trusting a stranger with her diamond ring, valued at \$50, proved costly for Mrs. May Atwood, 2327 N. Gale St. She is minus a ring today.

Mrs. Atwood said she conversed with the man in a downtown theater and he gave her a name and place of employment. After he asked to see the ring he slipped from his seat during an interesting moment of the show.

A. K. Schofield, 32 N. Bradley Ave., told police he used a phone in a drug store near Sixteenth St. and College Ave., and laid his purse, containing \$140, on a table. He returned, but the purse was gone.

Larry A. Whitcomb, 3105 N. Penn. St., told police a ring set with diamonds and sapphires, valued at \$700, had been lost or stolen.

NO BENDING TO CHIEF WIZARD

Voters' League 'On Top of World,' Says Director.

"We're sitting on the top of the world, literally and figuratively; let Hiram Evans come to us," was the message today from City Clerk William A. Boyce, Jr., a director of the recently-formed Marion County Voters' League, from headquarters at 1300 City Trust Bldg.

The League was formed to fight George V. Coffin, Republican county chairman, against the wishes of Klan Imperial Wizard Hiram W. Evans, who wishes to maintain an alliance with Coffin. Councilman Claude E. Negley, a League leader, said the organization had enrolled 8,000 members.

"Clean Politics by Cleaning Coffin" is the slogan.

Puzzle a Day

C, D, A, E, I, F, G, B
X H C
B, B, B, B, B, B, B

Thursday Miss Brown considered a total waste for her pupils, who had disrupted the day's program with tricky April fool jokes. So Friday she was determined to have peace and quiet. The first thing in the morning she gave the class the puzzling problem shown here. Numbers 1, 2, 3, 4, 5, 6, 7, 8, 9 are represented by one of the following letters, A, B, C, D, E, F, G, H or I. No single letter presents two different digits. The class is to discover which letters represent the various digits. They are then required to substitute the figures for the letters, so that the multiplication will prove to be correct. Only one child discovered the correct answer.

If H equals 8, what is the correct answer?

Last puzzle answer:
I am "darn," a four-letter word used in mending; transposed, I am "hard," another name for matgrass. My senior partner is "well," a four-letter word the opposite of sick. My junior partner is "coner," a four-letter word meaning "foretoken." When you join us we form "well-darnomen." When you transpose us we form "Andrew Mellon," the name of the Secretary of the United States Treasury.

Says His Rheumatism Is Entirely Gone

Found Quick Relief After 18 Years of Suffering.

"I suffered with rheumatism for 18 years without getting more than temporary relief. My feet and legs would swell until at times I could hardly move, and the pain was awful. I couldn't even take off my coat without help. Then I heard of Viuna and bought a bottle. From the first I saw it was helping me, and so I kept right on, and now I am pleased to say my rheumatism is all gone and I feel fine, and work at the factory every day. I feel my present health is all due to Viuna." —Col. Bedwell, 605 West Franklin St., Hartford, Conn., Ind.

A Helpful Banking Connection

Is of much importance and assistance to young men in laying a foundation upon which to build a career.

The men who recognize this fact usually work their way to the top. Before taking decisive action on questions involving important financial matters, many Indianapolis men invariably get the viewpoint of the "Meyer-Kiser Bank" and balance their business judgment with the broad financial experience of the officers of this bank.

You, too, are invited to consult them and avail yourself of this service, without charge.
