## How Unashamed Is This Dog

Mrs. Sidney Williams and Francie

By N.E.A. Service

NEW YORK, March 27.—It's just positively shocking, that's all!

The way the ordinary canine citizen of this great and glorious country runs around unclothed, that is.

Will dogs as a class never learn the rudiments of modern fashion?

And begin to live up to them?

"Francie!" wonders.

Absolutely correct as to daily and nightly attire is Francie.

Morning frocks, afternoon dresses, evening garb, golf togs, dressing robes, pajamas—these and many more you'll find in Francie's wardrobe.

Once a year, at least, Francie goes to Paris with Mrs. Sidney M. Williams, New York social leader, to replenish her store or raiment.

Five thousand a year it costs—but tush! Think of the money that's spent on chewing gum!

Wotta shame that more dogs don't follow Francie's example.

Wotta shame, indeed!

**BATTS TO BE SPEAKER**

Oscar Ratts, former State Senator and ex-member of the Indiana public service commission, will address the Indianapolis Engineering Society at its regular Thursday noon luncheon at the Board of Trade, April 1, on the subject of public utilities.

## ADAMS TO TALK AT FRANKFORT

Will Set Forth Farmers' Relief Stand.

Claris Adams, candidate for the Republican long-term senatorial nomination, will give his program on legislation for farmers' relief in Frankfort tonight, Bert Morgan, campaign manager, said today.

Adams visited Columbus and Lafayette for conferences with his supporters Monday and Tuesday. He will turn to southern Indiana, speaking at Bloomfield and Greencastle Thursday and Friday nights, and ending the week at Muncie.

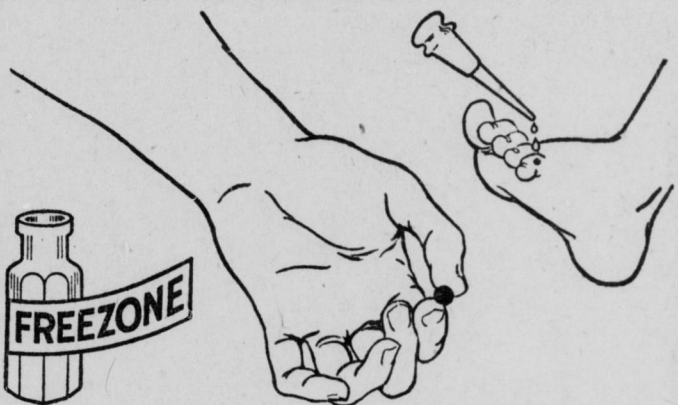

Indiana workers will form an automobile caravan to visit Frankfort tonight.

## ANOTHER WET IN RACE

Fr. Wayne Democrat to Run for Congress as Anti-Dry.

By United Press

FT. WAYNE, Ind., March 31.—The wet issue again was injected into Indiana politics today, following the announcement by W. E. Elkhoff, Democrat, that he will seek his party's nomination as Representative on a wet platform.

## Corns Lift Off

You'll laugh! Lift off hard corns, corn right off with your fingers. It works like a charm, every time.

Seems Magic! Just drop "Freezone" on any tender, touchy corn. Instantly it stops aching; then short.

by you just lift that old bothersome corn right off with your fingers. It works like a charm, every time.

A tiny bottle of "Freezone" costs only a few cents at any drug store. Try it!—Advertisement.

## Travels 25 Years—Gas Makes Him Nervous

For 25 years A. Thomson traveled and all this time he was nervous and restless because his food formed gas and fermented. He tried many things without success, but the mixture of buckhorn bark, glycerine, etc. (known as Adierika) helped him at once.

Many people keep the OUTSIDE body clean but let their INSIDE body stay full of gas and poison. Give the inside a REAL cleaning with the mixture of buckhorn bark, glycerine, etc., as sold under the name of Adierika. This acts on BOTH upper and lower bowel, eliminates meta-bolic poisons and removes old matter which you never thought was in your system, and which caused sour stomach, nervousness, sleeplessness, headache, etc.

When you eat too much heavy food, let Adierika REMOVE the undigested surplus and leave you feeling fine. ONE spoonful relieves GAS and takes away that full, bloated feeling. Even if your bowels move every day, Adierika brings out much

additional matter which might cause trouble. Don't waste time with pills or tablets but let Adierika give your stomach and bowels QUICK relief.

What Doctors Say

Dr. G. Eggers reports Adierika is the best medicine he has used in 37 years.

Dr. W. H. Bernhart writes he could not get along in his practice without Adierika.

Dr. J. J. Weaver, a doctor for 50 years, says he knows no medicine better than Adierika.

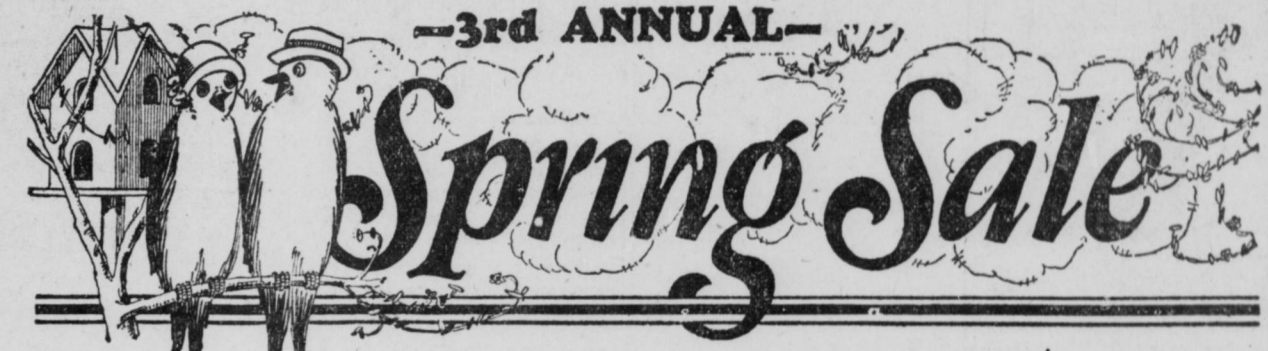

Dr. L. Langlois prescribes Adierika regularly with GOOD effect.

J. E. Puckett writes: "After using Adierika I feel better than for 20 years. All impurities were eliminated from my system."

Adierika is a big surprise to people who have used only ordinary bowel and stomach medicines because of its REAL and quick action. Sold by leading druggists everywhere. Sold in Indianapolis by the Hook Drug Co. and other leading druggists.—Advertisement.
