

STIRRIN' the DOPE

By VEDDER GARD

PURDUE baseball fans are likely to see Benny Friedman, the great Wolverine football quarter back and forward-passing star, in the Michigan-Battermaker scrap at Lafayette on Saturday. Benny has been holding down third base for Michigan.

Coach Fisher was forced to build an almost entirely new team this season. Jablonowski and Walter are two veteran pitchers who are back. Captain Wilson, first baseman, and Puckolowski, center fielder, are the only others remaining of last year's team.

Purdue is likely to go up against "Jabby," and the recent heavy hitting of Coach Lambert's club may be slowed up. The pitcher with the funny name allowed Vanderbilt only two hits on the southern trip. Up and at 'em Battermakers and jab some of Jabby's slants.

Purdue is off to a flying start this season with three victories over Big Ten foes. The Hoosier line-up seems pretty well settled at this time, with Pierce at first; Wilcox, second; Rabe, shortstop; Ware, third. Rabe is a former Technical High School athlete.

The regular outfield trio consists of Captain Taube, Plock and Ravenscroft. Wise is doing a good job back of the bat.

Charles Hulsch, a Louisville youth, pitched two of the Big Ten victories over Ohio and Northwestern. Another Charles, whose surname is Maxton, turned in a good game against Chicago to win. Other pitchers are Davies, and two McFarlane boys.

Raymond McHargue is a southpaw. Both of them hurled well against Washburn on Wednesday.

The pitching staff has been worrying Lambert somewhat, but as the season advances it begins to look as though he has much reserve box strength, at least. If one twirler is unsteady there will be others ready.

The team has been hitting, which is the most encouraging thing that can be said about a college nine.

TWO Indianapolis youths will compete under the colors of Notre Dame at the big relay carnivals today and Saturday, Charles Riley and Paul Harrington. Quite a bit of interest is attached to the announcement, that Harrington, pole vaulter, will be the lone "Irish" representative at the Penn tournament.

Harrington was injured in the Texas relays early this spring and it was thought he would be out of his specialty the rest of the season. He made his first appearance since the injury at Ohio relays, and while he was off form, tied for second.

Last year, Harrington tied for first place at the Penn relays. His vaulting during the indoor season raised great hopes, and then came the unfortunate sprain in Texas.

A tradition has grown up of late at Notre Dame that the one man sent to the Penn games must take first in his event. It is quite a bill to fill, but for the years the entrant wearing the Gold and Blue has done this very thing. "What will Harrington do?"

Charlie Riley, the other Indianapolis product, is one of Notre Dame's best bets on the special sprint team to take part in the Drake relays. The former Cathedral High School grid star is one of the fastest tracksters at the South Bend school.

Aquatically inclined members of the Hoosier Athletic Club will endeavor to prove to the officers of Ft. Harrison that the Army's place is on dry land, when the two teams get together in a dual meet Saturday evening at the H. A. C. pool.

After the battle the regular swimming team and various swimming classes of the H. A. C. will entertain the spectators with a number of interesting and novel events.

Interesting facts are drifting in about that Northwestern and Chicago baseball game last week. It is said the temperature was around the 27-degree mark. The outfielders wore mittens and tossed them off when a fly came their way. The subs on the bench huddled around bonfires. Every one had on a couple of sweaters. Don't ask us WHY they played the game.

PAT PAGE, new Indiana U. coach, is following his usual custom of getting athletes in shape during the spring football practice at Bloomington. While at Butler, Page always had his teams in great physical condition.

They are talking about Page and his methods at I. U. already. He started out easy and got the gridders into shape before scrimmaging. Every Saturday morning a regulation football game is played at Memorial Stadium.

One good thing about Page: He builds from the ground up. And he is starting at Indiana with community spirit and "football ambition," as he calls it. Fundamentals often must be taught in other places besides the gridiron.

Richard Garrison, Paul Harrell, Maurice Kelly, Temple Smith and Boyd Courin of Indianapolis are among the spring football candidates in training.

H. S. GAME POSTPONED
The Cathedral and Shortridge High School baseball game scheduled for this afternoon at Riverside Park was postponed, because of wet grounds. The contest will be played Monday afternoon at 4 o'clock.

Other prep teams scheduled today: Lawrence at Broad Ripple; Technical at Muncie; Manual at Brazil.

FEATURE TRACK TOURNEYS GET UNDER WAY IN EAST AND WEST

MILLERS' BATS IN 'STORAGE'

Kelleyites Tamed by Henry Thursday and Indians Score Victory, 5-1.

By Times Special
MINNEAPOLIS, April 23.—The Indians of Owrie Bush produced like champions Thursday and downed the Millers, 5 to 1, and another struggle was carried at Nicollet Park this afternoon. By winning behind Dutch Henry Thursday the Hoosiers evened the series, the Kelleyites having won Wednesday.

It was Henry's first start of the season Thursday, and he pitched an amazing ball, allowing the swatting Millers only six hits and striking out seven. He had been bothered by a lame arm, but he was "all there" Thursday and made some of the Minneapolis performers look foolish.

Keystones on Hill
It was believed Al Reynolds, a new member of the Indians, or Carmen Hill would be sent into the Kelley crew in the third of the series today.

Miller home runs defeated the Tribe Wednesday, but it was a different story Thursday. The Bushmen took a turn at smashing the ball over the short fences. Joe Wyatt, who pitched for the Indians, was a home in the third stanza and Catcher Florence connected for the circuit in the eighth. A runner was on base each time.

Three Miller Hurlers
Minneapolis used three pitchers, Francis, a southpaw; Dumont, a right-hander, and Moon, a southpaw. The Indians collected fourteen safe hits. They got fifteen safe pokes Wednesday. Part of the matter the batting of the Indians has caused local rooters to fear the Bushmen more than ever.

Henry was given errorless support and the one run counted by the Millers was registered on a double steal in the fifth inning.

They Helped Henry Win

"Pep" Florence

Joe Wyatt

Tribe Gossip

By Times Special
MINNEAPOLIS, April 23.—The battle between Indians and Millers Thursday drew more than 3,500 fans, which is very good attendance for a week-day game. The Hoosiers are a popular club with baseball fans and fanettes around the A. A.

Catcher Florence got three hits out of four trips to the plate, two singles and a circuit clout. If his work behind the bat improves like his hitting, "Pep" is going to be a star.

Pitcher Henry helped himself to two hits. The Tribe hurlers are not automatic outs at the plate like the usual run of flingers. They stand up there.

Manager Bush changed his outfield to meet left-handed and right-handed pitching, and five pasture boys saw service Thursday.

Henry was bothered by lack of control last season, but he walked only two men Thursday. And don't overlook the fact he fanned seven.

Minneapolis executed three double plays and the Indians two.

Joe Wyatt got a single in addition to his home run. Yea, Wash!

Stephenson clouted a single and double.

MARMON NINE IS READY

Motor Team Back in Fold After Six Years' Absence.

After an absence of six years, the Marmon Motor Car Company has returned to the Indianapolis Amateur Baseball Association and has placed a team in the Capital City League. The team looks exceptionally strong, with a number of well-known amateurs in the line-up. Fred Smith, a star hurler, will be on the mound against the Fairbanks-Morse team in the opening game Saturday at 3 o'clock, Willard Park diamond.

DOUBLE-HEADER SOCCER

Thistles vs. Shamrocks, G & J vs. Holcomb & Hoke, Sunday.

A double-header soccer attraction will be staged Sunday at the Premier Field, Twenty-First and Olney Sts., at the end of the Brookside car line. The first game, between Thistles and Shamrocks, will be played at 2 p. m. Charles Stevens will referee.

The second contest will find the G & J Tiro team pitted against the Holcomb & Hoke eleven. Ed Robinson will referee.

AT BUTLER

Indiana Central and De Pauw in Week-End Games.

Archie Chadd, sophomore pitcher, was scheduled to pitch this afternoon's game for Butler against Indiana Central at Irwin Field. Rain of last night made the field muddy, but it was hoped to get the contest under way at 2:30.

De Pauw is at the locals' field on Saturday. Captain Ewing is the mound selection of Coach Hinkle for the Tiger team.

H. A. C. HANDBALL

With the exception of one pair, all handball players competing in the Hoosier Athletic Club championship matches have completed the second round of the turnney.

Players going into the semi-finals are Lawrence Brink, Fred Kroft, Ed Steinmetz, Dr. L. M. Dunning, H. Lamb and George Seidensticker, Jr. The single second-round tilt yet to be staged is the Thomas Theard-Will Mettram match. Winners in the third round will be designated as the official H. A. C. team.

More Than 3,000 Athletes Compete in Pennsy Relays and Nearly Same Number at Drake.

By Henry L. Farrell

PHILADELPHIA, April 23.—Athletes numbering more than 3,000, representing every age and school from grammar school boys to bulky college seniors, were here today to compete in the opening day program of the thirty-second annual Pennsylvania relay carnival.

The colors of 524 schools and colleges were represented in the biggest entry list of years, and the athletic nobility was represented by a number of Olympic, intercollegiate and world's champions.

All of the big eastern colleges sent teams and athletes came from Occidental College (California); Chicago, Michigan, Wisconsin, Ohio State, Dayton University, Oregon Aggies, Hamilton College (Canada), Marquette, Alabama Poly, Notre Dame, Furman, Lombard, City College of Detroit, and Maryland.

The opening events of the carnival today were the first track features staged in the remodeled Franklin stadium. Saturday's final events probably will draw the capacity of 50,000, if weather conditions are comfortable.

There were foggy-one events on today's program.

RECORDS ARE PREDICTED

Meet at Des Moines Attracts Many High Class Athletes.

By United Press
DES MOINES, Iowa, April 23.—With nearly 3,000 university, college and high school athletes here to compete in Drake University's seventeenth annual relay meet which was to get under way this afternoon, all records for number and quality of contestants in the history of the Drake games appear to be smashed.

New world marks are predicted as a result of the close competition expected here today and Saturday, one of which was anticipated this afternoon when the University of Kansas quarter-mile relay team took the track against a worthy field. Kansas set a world mark at its own games.

The University of Nebraska, with the Roland Locke running as anchor man, was expected to push the Jay-

Saturday Parade Plans Set—Line of March and Other Details.

The Pot Notch League with teams comprised of boys under 18, is the latest recruit in the Indianapolis Amateur Baseball Association. The new league was formed in time to start the season Saturday, with the other eleven leagues and to join in the parade Saturday afternoon, according to A. E.
