

GAS PRICE GIVEN ONE CENT BOOST

Independent Hoosier Dealers
Follow Standard's Lead.

Gasoline and kerosene prices advanced in Indiana today. It was estimated that the increases will cost Hoosier motorists upwards of \$250,000 a month.

Standard Oil Company directors in Chicago Wednesday increased the price of gasoline 1 cent a gallon and that of kerosene one-half cent a gallon. Most independent dealers followed the lead of Standard Oil stations, charging 23.2 cents a gallon for low test gas and 26.2 cents for high test.

The increase will yield oil companies one-third as much as the State realizes in gasoline taxes on a 3-cent a gallon levy. In March, before the spring motoring season really opened, the State collected \$694,469.68 in gas taxes and returns are expected to be much higher with the advent of summer.

Hoosier Briefs

Harassed Evansville motorists have a new trouble. Candidates in the primary election are painting their names on the streets in box-car size white letters and many drivers mistake them for "Stop" signs. Citizens are protesting.

"If Indiana land was down in Florida it would be worth a fortune," said Robert Spencer, of Marion, who recently returned from the sunny State.

P. M. Smitson of Tipton, decapitated a chicken and the headless body flapped toward him. Smitson rammed his head against a door in an effort to escape.

"Boy's Week" from May 3 to May 9, will be observed by the Greensburg Rotary Club.

"If wets win, the auto must be abolished," said Prof. Hugh E. Willis, of the Indiana University law school, in an address at Elkhington.

A careless sign poster spilled a box of large tacks for several yards along the road between Winchester and Muncie. Two automobiles following picked up a score or more of the tacks in all eight tires.

ITALY ALL 'BANK - BANG'

Doug and Mary Impressed With Mussolini Rule.

By Times Special
ROME, April 23.—Douglas Fairbanks and Mary Pickford are the latest persons to be impressed by "Mussolini's Italy."

As the Americans arrived in Rome Tuesday 4,000 Italians welcomed

them so enthusiastically that they were forced to find their way out through another train in order to avoid being crushed.

"Italy is all 'bang, bang' with construction work today," said Fairbanks. "There is no more of the 'slouch, slouch, slouch' of former days. Mussolini's Italy is far different from the Italy we saw when we were here four years ago."

FOR Sour Stomach PHILLIPS' Milk of Magnesia

Hereafter instead of soda take a little "Phillips' Milk of Magnesia" in water any time for indigestion or sour, acid, gassy stomach, and relief will come instantly.

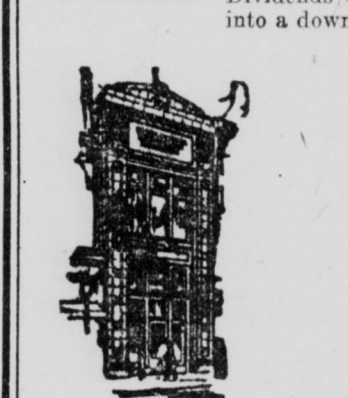

Better Than Soda

For fifty years genuine "Phillips' Milk of Magnesia" has been prescribed by physicians because it overcomes three times as much acid in the stomach as a saturated solution of bicarbonate of soda, leaving the stomach sweet and free from all gases. Besides, it neutralizes acid fermentations in the bowels and gently urges this souring waste from the system without purging. It is far more pleasant to take than soda.

Try a 25c Bottle

Insist upon "Phillips' Milk of Magnesia." Twenty-five cent and fifty cent bottles, any drug store.—Advertisement.
