A Sale Staged By the Sales Manager for You

My orders are positive. Put this stock
into the homes of Indianapolis and vicin-
ity and do it quickly. The entire stock is
in your hands, so mark it at a price that will move the merchandise. This is the president's
orders to me—the salesmanager permanently connected with the store. I have
taken him at his word and reduced every thing. Remember, we have been es-
tablished for 33 years and everything offered is from our own stocks—not inferior
goods bought for spectacular purposes. Wait for It—Share In It—Bargains Galore
