

GRAND PATRIOTIC RELIGIOUS MEET BEING PLANNED

Nationally Famous Speakers on Program at Crown Point.

A grand patriotic and religious meeting for all of northern Indiana will be held July 25, at the Lake County fair ground at Crown Point, when speakers of national and local prominence will make addresses and the host will gather for a great civic and spiritual upheaval entirely divorced from political or sectarian bias.

James J. Davis, secretary of labor, will be the principal speaker of the day and United States Senators, Congressmen and Governor Jackson are among those who have promised to attend and make talks.

While designed primarily as a Lake County affair, to which all the religious, civic, fraternal and labor organizations will be invited, the event will know no limitations and the people of Porter, La Porte, Jasper, Newton and other counties will be asked to attend and participate as well as the people of Lake County.

Sponsored by Chamber

Sponsored by the East Chicago Chamber of Commerce, the chambers of commerce in all the cities of the Calumet region, will be asked to carry the invitation all over northern Indiana.

Arrangements are in the hands of an East Chicago committee which will delegate detail work to other committees to be named over the entire section, it was said today by William H. Kleppinger, president of the East Chicago Chamber of Commerce.

The speaking and other features of the program will be conducted from a temporary platform directly

in front of the grand stand and amplifiers will pick up the sound and carry it to all parts of the grand stand and to the crowd scattered about the fair grounds.

Will Have Band

Besides visitors of local, State and national prominence who will enrich the program, the splendid East Chicago Municipal band of twenty-five members will play at intervals throughout the day and other entertainments will be provided.

The affair looks so large and the speakers are so well known that arrangements are being considered for broadcasting the program and at least two well known news reel moving picture concerns will have staff photographers on the ground to take animated pictures of the meeting.

To Modify Plans

Detailed plans are now in the making and will be modified to some degree by the desires of the different sections of the county and district, but the big features of the day are well in hand and there will be no disappointments in the program as finally completed, it was said.

The meeting will be patterned along the lines of a similar national meeting held in Washington where Secretary Davis spoke and where enduring lessons in patriotism and religious appeal were engendered. It is hoped to make this Northern Indiana patriotic and religious rally the largest event of the kind ever held in Indiana and environs.

Huge Crowd Certain

Unusual arrangements are being made for caring for the huge crowd that appears certain to center in Crown Point on July 25. Hotel and restaurant accommodations will be taxed but most of the visitors will be at the grounds where basket lunches may be brought or meals obtained from special restaurants erected for the day.

Railroads and street car lines entering Crown Point will add extra service for the day and bus lines of this section will arrange extra schedules covering every part of the territory. Schedules will be set and routes advertised soon.
