Mightiest of Bridges Is Opened

With a main span of 1,780 feet and a total length of nearly two miles, the \$37,000,000 suspension bridge between Philadelphia and Camden, N. J., just opened, is called the mightiest in the world. It has been building since 1916.

Alger, college youth, is not a charge against education, declared Dr. Edward Haines Kistler, pastor Fairview Christian Church, in a sermon Sunday on "A Little of Each." The youth, only a college freshman, had not begun to think, Dr. Kistler said. Dr. Kistler based his sermon upon the text, "A Living Dog Is Better Than a Dead Lion."

"One man prefers to be a living dog," he said. "This is life without character. Another prefers to be a dead lion, for even though dead, the lion still stands for character. The third man says that he will take a 'little of each.'"

RELIGION IS SUPREME

Dr. Fifer Urges Enemy Country Be come a Palestine.

The nation that would be honored and revered must make religion supreme, said the Rev. Orin W. Fifer, pastor Central Avenue M. E. Church, in an address Sunday on "Every Land a Palestine." The Rev. Fifer asserted that every land may be a Palestine in striving for spiritual statesmanship based upon righteousness, in making Jesus an everyday presence in every human activity, and in keeping the saved in a kindly providence.

MORE ATTENTION TO LIFE

Ohio Pastor Asserts Creeds Are Not So Important.

"The church of the future must give less attention to creeds and more attention to life," said the Rev. George W. Good of Tiffin, Ohio, in a sermon Sunday at the Immanuel Reformed Church, Prospect and S.

New Jersey Sts., on "The Church of the Future." There will be a purer religion and holier church when it is not bound by denominationalism, but has more of the love and will of Christ, he said.

The little brown church, like the little red schoolhouse, is fast disappearing, the Rev. Good asserted. Churches of the future, therefore, will be in beautiful buildings, well equipped to carry on the program of Jesus Christ, he said.

"GOLD MINE" SUBJECT

True Riches Come Only With Sacrifice, Says Pastor.

True riches do not come to those who do not come personally to Jesus and who do not make a personal sacrifice to find them, declared Dr. Edwin W. Dunlavy, pastor Roberts Park M. E. Church, Sunday, preaching on "An Undiscovered Gold Mine."

Jesus adds to the consciousness of the joy of life, but this joy does not come without search, he said. Dr. Dunlavy spoke at the evening service on "Christianity and Holidays."

SUNDAY FOR WORSHIP

Pastor Scores Modern Usage of the Sabbath.

"The trend of the times it to take Sundays for anything except a day of rest and worship, and too many Americans are selling out Sunday for a mess of pottage—pleasure," said the Rev. U. S. Clutton, pastor of Tuxedo Park Baptist Church, in a sermon Sunday on "Selling Out." "God has given mankind

a heritage and birthright in the Sabbath," the Rev. Clutton said. "Too often do parents set the example of going home after Sunday school, neglecting the morning worship period," said the pastor.

300 LOCAL ELKS ATTEND SESSION

Order to Dedicate Huge Memorial Building.

Three hundred members of the Indianapolis Order of Elks left for Chicago at noon today on a special Monon Railroad train to attend the grand lodge convention.

The Indianapolis delegation will help dedicate the \$2,500,000 national memorial headquarters building which was paid for by contributions from all members. Joseph T. Fanning, formerly of Indianapolis, is secretary of the national memorial commission.

Atlantic City Sick Man Gained 28 Lbs. With McCoy's

Tells His Own Story

Dear Sirs: "It may be possible that there are men and women who are suffering as I did. I was the most miserable creature walking this earth, sick, nervous, always afraid I was going to faint. I could not ride on a train or trolley, or get in a crowd in a subway, store basement or moving picture."

"I took medicine and got relief, but the same trouble came back. I learned about McCoy's 'COD LIVER OIL COMPOUND TABLETS' and finally bought a box at one of the drug stores in Atlantic City—then I got another. I finished by taking 5 boxes of tablets and I am going to tell you and the public that I am a new man. I eat anything and everything, no indigestion, no gas, and am gaining weight, 175 lbs. to my old weight 147 lbs. Sleep, rest, eat and nothing bothers my nerves. I feel like a real man. Thanks to you." Stanley E. Howe, 1733 Atlantic Avenue, Atlantic City, N. J.

Full of vitamins and a combination of real health builders, McCoy's is sold by Hook's, Haag's, Goldsmith Bros. drug stores, and druggists everywhere—60 tablets 60 cents—and remember if you are not supremely satisfied with results get your money back. Ask for McCoy's—Advertisement.

RENT MONEY

from the extra room!

WOULD you like to have some extra money to help you meet the household bills or for spending money?

You can easily make that "unoccupied room" bring you four or five extra dollars weekly.

Every day in the year, from the small towns and from the cities, many young men and women come to Indianapolis to seek employment and to live. They are alone and often lonesome. They want a room in home-like surroundings. They make good company and help meet the rent.

These newcomers know from experience that the quick, sure way of finding a room in the location they desire is by reading the want ads, and not by walking up and down unknown streets, looking for rent signs.

In The Times your "Room for Rent" ad will meet these renters, by bus, train and trolley.

\$1.32 will put your ad in The Times for a whole week. Just call Betty Lou at Main 3500. She will give your ad her personal attention, help you write it so that you secure a desirable tenant quickly. You can charge your ad.
