

PICK CANDIDATES, DRAFT PLATFORM

Prohibition Party Reaffirms Liquor Stand.

The Prohibition party was revived in Indiana today with candidates in the field for all except judicial positions in the Government to be filled by ballot in September. Nomination of candidates, adoption of the State platform, and evolution of a plan to circulate petitions to get the candidates' names on the ballots was made at a meeting of prominent prohibitionists Thursday at the Chamber of Commerce.

The Rev. William H. Harris and Dr. Albert Stanley, both of Indianapolis, were nominated for the long and short term magisterial offices respectively.

Other nominees: Secretary of States, Robert Dyer, Lapel druggist; treasurer, Mrs. Margaret M. Nold, South Bend; auditor, John Wirt, Frankfort dentist; superintendent of public instruction, Floyd E. Berghel of Indiana Central College faculty; clerk of Supreme and Appellate Courts, Mrs. Etta Miller, Indianapolis.

The platform flayed the dominant parties for neglect in their obligations in law enforcement, and declared for the reading of at least twelve verses from the Bible in the schools daily, radical reduction in public officials' salaries and against the use of tobacco. It reaffirmed the party's position on liquor, asserting it "is the greatest curse of mankind with not a single truthful thing being said in its favor."

BIRD LIKES HOME

CHICAGO—A Chicago man raised a sparrow chick as a pet and now its favorite food is a doughnut and it drinks iced tea. When released for exercise outdoors, the bird always flies straight back into the house.

Pennsylvania Aid Commended in Report.

New records in helpfulness and service were established last year by the Women's Aid of the Penn-

sylvania Railroad, of which the Indianapolis division has more than 2,000 members, according to a report of Mrs. W. W. Atterbury, director and Mrs. Elisha Dee, associate director. Mrs. W. C. Downing is head of the local organization. During 1925 the women workers, consisting chiefly of wives, daughters, mothers and sisters of Pennsylvania Railroad employees, visited 27,727 railroad families, giving assistance where required in the form of money, medical attention, food, clothing, fuel, flowers, fruits and other delicacies to the sick or injured, the report stated. The figure was an increase of \$743 over last year. In carrying on the work \$109,360 was expended.

"Too Tired to Move"

HOW often we hear a woman use this expression! She is in a weakened and run-down condition, not fit to do her work. Bravely she struggles on. She becomes nervous and discouraged.

Whether she lives in a luxurious apartment, a cozy bungalow or a crowded city flat, every woman can understand the handicap of poor health. The woman in moderate circumstances suffers more, of course, than her well-to-do friend because she cannot afford to hire help.

In spite of her efforts, her house begins to look neglected. Her children say, "Mother is so cross."

Eagerly she listens when a neighbor tells her of other women who found the road to health and happiness.

Health! That's the answer to so many of our problems. Without health, a woman cannot make her home the happy haven she dreams of.

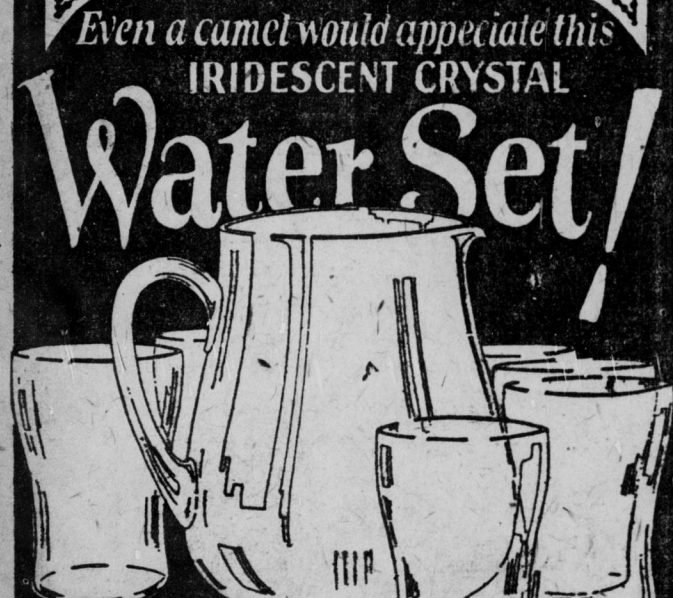

MRS. GOLDIE SHOUR of May View, Illinois, is one of the many women who have improved their health by taking Lydia E. Pinkham's Vegetable Compound. She was in a run down condition which caused her much unhappiness.

MRS. SHOUR says, "I have taken Lydia E. Pinkham's Vegetable Compound and I think it is the most wonderful medicine I ever tried." She declares that she is now in better health than ever before.
