its second holes. O. F. Hammer has devised a scheme whereby the money is to be raised among the membership, and probably next spring will see the course a full fledged eighteen hole playground.

Friday is a day designated as visitors' day, and Avalon invites the downtown luncheon club to play the course. Last week the "Friday Club," led by Lyman Whitaker and J. A. Thompson Jr., played at the course.

This week, on Monday, the North Side Lions played over the fairways and greens, and Tuesday the Kiwanis Club held its July tournament over the course. Avalon seems to have devised a clever way of selling its course to prospective members.

Shooting a low gross of \$1. J. M. Neihaus was easily acclaimed champion shooter of the Advertising Club, for the month of July, in a tournament at Pleasant Run course, Wednesday. His nearest competitor was Jesse M. Daily, with a 32.

The low net prize was won by William Keenan, whose handicap of 30 enabled him to turn in a card of 70. Syd Sullivan was second low net with 83. E. F. Emmel and Lester Nagley tied for third low net with 84.

Friday night at the club, a farewell dinner will be given the departing members. Brandt Downey will act as toastmaster.

Last week, in the State women's tournament, Mrs. Shipp was a very able player. A little bit nervous, at first she whittled on her score each round and when finally eliminated, on the eighteenth green in the finals of one of the flights, she was just one stroke behind her opponent and approximately twenty strokes below her qualifying round. Mrs. Shipp told us she certainly is sorry to leave the Hoosier State.
