

LA FOLLETTE-ISM FACES TEST IN SEPTEMBER VOTE

If Blaine Defeats Lenroot, Organization Will Be Stronger Than Ever.

By Paul R. Mallon,
United Press Staff Correspondent
WASHINGTON, Aug. 11.—Politicians here today turned their attention to the Wisconsin primary—bit-terest of all the thirty-eight prima-ries of the year.

There the Republicans on Sept. 7 will determine the future status of the old La Follette organization, which for years has been a source of difficulties for the national Rep-ublican organization—difficulties which in 1924 caused the late Sen-ator Robert M. La Follette, Sr., to bolt in an independent movement for the presidency.

Lenroot vs. Blaine
Coolidge adherents are pitted against La Follette adherents in the race between Senator Irvin Lenroot and Gov. James G. Blaine for the Republican senatorial nomination, which is virtually equivalent to elec-tion.

Lenroot, backed by the Coolidge group, is being vigorously fought by Senator Robert La Follette, Jr., who is campaigning the State in behalf of Blaine. Lenroot is a dry, favor-ing a State referendum, and Blaine a wet, who is making no effort to develop prohibition as an issue in the campaign.

World Court An Issue
Lenroot fostered the resolution of American adherence to the World Court for the administration and La Follette is making this one of the important issues. He is also opposing Lenroot on farm relief and on the ground that he voted to seat Senator Newberry (Rep.), Michigan, after it had been shown Newberry spent \$195,000 in his primary cam-paign.

If Lenroot is nominated, poli-ticians here will interpret the re-sult as a break in the long-standing La Follette control of the State. If La Follette succeeds in putting Blaine over, it will be considered that his father's organization, which he is now leading, is carrying out with by the national organization as stronger than before.

State Ticket, Too

Involved in the contest is a race on the State ticket which may mean as much to the La Follette organiza-tion as does the Senate seat. Herman L. Ekern, running on the La Fol-lette-Blaine ticket for Governor, is being strongly opposed by Fred Zim-merman, anti-La Follette candidate. Should La Follette lose the State ticket, his organization would be seriously hampered in carrying out its plans even though Blaine wins the Senate seat.

Six Years of Stomach Agony

Now She Eats Anything, Sleeps Soundly and Gaining Weight.

If you can't eat without suffering, if you are trying to do the day's work while tortured by pain and in-digestion, you will be glad to read how Mrs. Mike Hennis, Fortville, Ind., overcame this dreadful trouble. She writes:

"I had severe stomach and bowel trouble for over six years. Had dizz-zy spells and at times would have fallen if I had not had something to hold to. Was awfully nervous, had gas on my stomach most all the time, severe cramps and agonizing pains. I felt like I was raw from the bottom of my stomach clear up to my throat, and I had to take soda all the time. My first and only relief came from Viuna. After the second dose I could feel it was helping me. After the second bottle all the gas, cramps, etc., disappeared for good, and now I can eat anything without one bit of fear. My appetite is good, my nervousness gone, and I sleep like a baby at night. Until I took Viuna I had never weighed over 110 pounds in my life, and now I weigh 114 pounds, and am gaining every day."

Viuna acts promptly on sluggish bowels, lazy liver and weak kidneys. It purifies the blood, clears the skin, restores appetite and digestion, and brings new strength and energy to the whole body. Take a bottle on trial. Then if you're not glad you tried it, your money will be refunded. \$1 at drug stores, or mailed postpaid by Iceland Medicine Co., Indianapolis, Ind.

W. C. T. U. TO GET OUT EVERY DRY -VOTE IN NATION

Wet Referendums to Be Ig-nored, President An-nounces.

By United Press
CHICAGO, Aug. 11.—A drive to get every available dry vote to the polls at the fall elections to defeat efforts by wets to modify the Vol-stead act was announced here today by Mrs. Ella A. Boole, national pres-ident of the Women's Christian Tem-perature Union.

The dry organization, Mrs. Boole said, will concentrate on getting its followers to oppose all candidates for the Senate and House who have wet leanings. She said the drys would ignore the referendum to be held in New York and Illinois.

Conference Held
"The plans of the W. C. T. U.," Mrs. Boole announced, "comprise the greatest dry activity by women of the country ever seen, not even ex-cepting the crusading days preced-ing adoption of the Eighteenth Amendment and the Volstead act."

The decision to leave no stone un-turned in the drive to defeat wet efforts against the Volstead act was reached at a conference here of na-tional officers and State presidents of the temperance organization. Mrs. Boole pointed out to those attending the meeting that in the past 50 per cent of the dry vote have refrained from registering or voting.

House to House Canvass
"The big thunderbolt the W. C. T. U. can forge against a wet rev-olution," she declared, "is to insure that every dry voter goes to the polls and votes for a dry candidate in November."

Plans for getting out the dry vote call for house to house canvasses and frequent organization meetings at various churches where Mrs. Boole believes hundreds of dry votes can be obtained.
