

## NAVIGATION LAW VIOLATIONS STIR HOOSIER WATERS

### Industrial Board Sends Man to Wawasee to Explain Motor Boat Rules.

Trouble brewed on Indiana's waters today. So much trouble, in fact, that it was necessary for the State Industrial board to send a representative to Lake Wawasee to straighten out a tangle in the navigation laws there.

Early this week the board received complaint from the Wawasee Protective Association and the committee on navigation of "numerous and flagrant violations of the laws" through operation of power boats on the largest of Hoosier lakes.

#### Violations Reported

Among the violations of Indiana's navigation laws reported were night racing, operation of unlighted launches after dark and abandonment of mufflers. It is said that several hundred launches are operated on Wawasee.

Dixon H. Bynum, industrial board chairman, detailed State Building Inspector James E. Reagan to Wawasee today, with instructions to call a meeting of power boat operators. Reagan will explain the Indiana navigation law and attempt to secure cooperation by owners of all launches. His instructions will be broadcast to all Indiana lakes where power boats are used.

#### Ten Miles an Hour Limit

Principal requirements of the Indiana navigation law are a maximum speed of ten miles an hour after dark, closed mufflers and the use of signal lights on all power boats fore and aft.

A thirty-day jail sentence or a \$50 fine, or both, are provided for persons convicted of exceeding the ten-mile speed limit.

## RUMOR HOOVER TO GET KELLOGG JOB

### Washington Sees Significance in Conference.

Times Washington Bureau, 1322 New York Avenue

WASHINGTON, Aug. 18.—Rumor that Secretary of State Kellogg is discussing with President Coolidge his own resignation has revived the notion here that Herbert Hoover, Secretary of Commerce, may step into Kellogg's shoes. Those who profess to show how Coolidge shuffles his Cabinet cards, recall that the President's purpose once was to have Charles Beecher Warren as his Secretary of State. At the time Kellogg was appointed it was very generally asserted that the appointment was for a short term only, that Warren would be transferred to the job after entering the Cabinet as Attorney General.

When the Senate, because of his record in connection with the sugar trust, refused to confirm Warren as Attorney General Kellogg remained head of the Cabinet.

The Department of Commerce never has looked to Hoover's friends as a big enough place for the former food administrator. Though he accepted the appointment gracefully and has labored to make his department as important as any of them, still the feeling has persisted that he was deriving greater recognition.

## Stomach Caused Awful Suffering

Was Bloating, Nervous, Sleepless and Dizzy. Entirely Well Now.

Anyone who is suffering from the pangs of indigestion and stomach trouble, will be interested in a letter written by Alex Black, Gaston, Ind., telling how he quickly regained his health. Mr. Black writes:

"I suffered with a breakdown five years ago. It just seemed as if everything was the matter with me. I had blood pressure, a bad stomach, constipation, and I was so nervous I would just shake. I could not sleep at night. My nerves just jumped. My stomach would bloat and cramp and the gas would press back my heart till I thought maybe I had organic heart trouble. My bowels would hardly move even with a laxative, and never without one. I had dizzy spells and would stagger and almost fall. I did not have any appetite, and what I did eat wouldn't stay down. I tried different medicines, but only got a little relief. Then hearing from friends about Viuna, I started taking it. Right from the first it helped me, and now I feel fine, as good as I ever did in my life. I eat anything and everything, have a good appetite my bowels are in good shape, my nervousness is practically gone. I am a man 70 years of age, and if Viuna helps everyone like it has me, it sure is wonderful.

Viuna acts promptly on sluggish bowels, lazy liver and weak kidneys. It purifies the blood, clears the skin, restores appetite and digestion, and brings new strength and energy to the whole body. Take a bottle on trial. Then if you're not glad you tried Viuna, your money will be refunded, \$1.00 at drugists, or mailed postpaid by Iceland Medicine Co., Indianapolis, Ind.

## SLEEPS AS SHE FLIES IN AIR TOUR

### Woman, Passenger in Ford Flight Plane Gets Drowsy and Hungry.

Continued airplane riding makes a person hungry and sleepy.

So said Mrs. Susan H. Embry, who left for Cincinnati today as a passenger in the plane piloted by P. J. Riddle, which arrived here Tuesday from Moline, Ill., in the second Ford reliability tour. Mrs. Embry's son, a partner of Riddle, is agent for Waco airplanes in Cincinnati.

As plane No. 26 was checked in at the Indianapolis Motor Speedway aids on the grounds ran forward to swing the ship into its proper position.

Two heads were seen in the cockpit. When the plane stopped, Riddle stood up, stretched and then extended a hand for Mrs. Embry.

Persons around the plane looked as though they were "seeing things."

"That's the way people have looked at me all along this tour," Mrs. Embry declared. "They don't seem to get used to the idea of a lone woman flying in such a thing. 'It's been wonderful though, and I want to go on other trips like it. 'But there's on feature about flying that is wonderful, yet hard to bear. It makes you so hungry. And sleepy? My goodness, after a short time in the air, I get so drowsy."

She expressed confidence in the safety and future development of planes.

Because of the heavy rains Tuesday afternoon, Mrs. Embry wore a leather jacket, over that a bright red leather coat, over that a heavy gray rain coat and a leather helmet.

Her name is written on the side of the plane.

## REBELS REPORTED ENTERING MEXICO

### War Department Asked for Troops, Rumor.

By United Press

MEXICO CITY, Aug. 18.—Unconfirmed reports were circulated here today that 100 armed rebels, coming from New Mexico, entered Palomas in the State of Chihuahua. The War Department has been asked for troops, it was reported.

It has been confirmed that the episcopate has sent a letter to President Calles expressing the church's loyalty to the government and the hope that the incoming congress may find a legal means to modify the present religious situation.

The disclosure follows conferences of the Episcopal committee looking toward a plan of mediation in the religious controversy.

Earlier in the day Bishop Pascual Diaz of Tabasco, spokesman for the episcopate, had told the United Press that the Episcopal was studying plans on which a proposition to the Government would be based, but said that the Episcopal would insist that the rights of the church must be recognized along lines previously laid down.

His declaration was the first sign that higher churchmen were still concerned with mediation plans.

Prior to confirmation of the fact that a letter had actually been sent to President Calles, the opinion was expressed by observers here that there was little possibility of an accord as long as the government was occupied with threats of revolution and the church remained adamant in its demands that all its rights be restored.
