

## BUSER'S BUDGET WILL BE USED AT HEARING, SEPT. 3

Finance Committee Gives  
Unexpected Report—Club  
Scores Council.

The budget, prepared by City Controller William C. Buser for a tax rate of \$1.035 must be the estimate presented at the public hearing Sept. 3. Councilman O. Ray Albertson, finance committee chairman, contended today.

Unexpected Report  
Albertson, whose committee was superseded in consideration of the budget by a special committee, named by Council President Boynton J. Moore, at a special council meeting Thursday night, unexpectedly presented a finance committee report ratifying and confirming the original advertisement of \$1.035. The report anticipated a later motion by majority faction members to the same effect, which was adopted.

It is generally believed that councilmen may raise the total after the public hearing.

Members of the Washington Township Republican Club cheered when city councilmen were sworn at a meeting Thursday night in Templeton Hall, Forty-Second St. and College Ave.
