

STATE'S BANKERS PLAN LONG TRIP

More Than Thirty Hold Meeting Reservations.

More than thirty Hoosier bankers have made reservations to attend the convention of the American Bankers' Association at Los Angeles, Cal., early in October, according to Miss Forba McDaniel of Indianapolis, secretary of the Indiana Bankers' Association.

Letters have been sent out by Miss McDaniel to bankers throughout the State advising as to details of the itinerary, which begins at Chicago at 9:30 a. m., Sept. 28. The westward route will give the travelers a chance to view Denver, Pike's Peak, Colorado Springs, Glenwood Springs, the Royal Gorge and Salt Lake City.

Several different return trips have been arranged, including the northern route via San Francisco, the central route through the Grand Canyon, Albuquerque and Kansas City; the southern route via El Paso, and another southern trip through New Orleans. For a small additional fare the bankers may take the boat trip to Portland or Seattle and return to Chicago via the Canadian Rockies.

Among the Indianapolis persons who have made reservations for the trip are William P. Flynn, George C. Calvert, Edward H. Forrey and family, Howard C. Binkley and wife, and G. F. Patterson and wife.

FINDS RELIEF IN KONJOLA AFTER 2 YEARS SUFFERING

Had Rheumatism and Stomach Trouble; Local Man Strongly Indorses New Medicine.

"A few weeks ago, when I began taking Konjola, was the first time in two years that I could safely say I didn't have any pains, and since then my health kept improving every day until I can positively admit that Konjola is the only thing that

MR. URIAH HOLDEN

finally ended my suffering." This amazing statement was made just a few days ago by Mr. Uriah Holden, 1423 Southeastern Avenue, Indianapolis, in a report given to the Konjola Man at Hook's drug store, Pennsylvania and Market Streets, this city, where he is explaining this remarkable new medical product to crowds of people daily.

"In the early part of 1924 I had an accident," continued Mr. Holden. "I wrenched my left limb, and was laid up 4 months. This seemed to leave me with a case of rheumatism that was so stubborn no medicine or treatment would do any good. My shoulders and arms got stiff, and the joints of my knees ached and pained so that I was in agony every time I took a step. I just had to drag myself along—finally giving up my work, and then stomach trouble developed. The smallest bit of food would make me swell up until I would think I was going to burst. I always felt like I had a 4 pound rock in my stomach, and would belch a sour, burning liquid that made my throat feel like it was burned with lye. Gas centered around my heart, and lots of times I could hardly catch my breath for several minutes. That was my condition when I got my first bottle of Konjola. I've taken 4 bottles now, and any one of my friends will tell you what a change it has made in my health. My shoulders and arms are not stiff and achy any more, and my legs are relieved of all the pain and misery so that I can walk without limping, and all the swelling and soreness has disappeared. My stomach is in wonderful condition, and it's a pleasure to eat now. I never become bloated up with the heavy feeling in my stomach, by digestion is good, and the belching spells are eliminated. I don't become short of breath or have the burning feeling around my heart.

"As I said before, I am actually out of misery for the first time in 2 years, and all the credit goes to Konjola, which I know is the greatest medicine I ever had experience with."

The Konjola Man is at Hook's drug store, Pennsylvania and Market Streets, Indianapolis, where he is daily meeting the local public and introducing and explaining the merits of this remedy.

Konjola is sold by every Hook drug store in Indianapolis, and by other druggists in the nearby towns.
