

# BIBLE GREATEST OF ALL BOOKS, SAYS BEVERIDGE

Praises Scriptures as Most Entertaining Literature Ever Written.

"The Bible is the most entertaining of literature," Albert J. Beveridge, former United States Senator from Indiana, told the large crowd that gathered in the Coliseum at the State fairground Sunday afternoon. "Reading a book is like holding a conversation with a great man or woman at his or her best."

All Moods in Bible

"No matter what is your mood, or your needs or your difficulties, you find them reflected in the Bible. It has more variety than other books, because it tells of human nature. It tells the truth. The Bible is as varied as human nature and does not attempt to standardize mankind. It is full of color and movement because of its human interest."

The subject of Beveridge's address was "The Bible as Literature."

Were the Bible more difficult to procure it would be read more widely, he declared.

**First Gentleman**

The first gentleman recorded in history is in a Bible story he said, and told the story of Isaac choosing his wife. He spoke of the graciousness of Rebecca, which led Isaac to choose her for his wife.

"Then as now the gracious woman is the most attractive," he said. "Understanding of the laws of Moses leads to a better knowledge of the common law of today, because the Mosaic law is the foundation of our common law," he continued.

"Next to George Washington, I consider Moses one of the greatest men in the world's history."

**Cites Passages**

Poignant passages in Scriptures were cited by the speaker and their value as description, narration or philosophy were pointed out.

"When the Bible throws its spell over you there will be a change," he said in closing. "You will know it yourself. Perhaps it will not be apparent to others. You will find yourself living a nobler life."

Dean J. H. Skinner of Purdue introduced the speaker.

(Continued From Page 1)

Initial program of Grand Circuit racing was called for 2 o'clock this afternoon. The regular night entertainment consisting of a horse show and vaudeville, will open at 8 p. m. in the Coliseum. Fireworks and vaudeville, including a presentation of the pyrotechnical display of "The Birth of America," were to be given

# Best Routes to State Fair

The best routes to the State fair from downtown are north on Meridian St., or Central Ave., and east to the fairground. The College Ave. bridge over Fall Creek is closed to traffic. To go by street car, take Illinois St., Central or College Ave. cars marked to the fairground. You can get an Illinois car any place on the fairground. Central cars go south on Pennsylvania St. to Washington St., west to Illinois, north to Ohio St. and east to Pennsylvania St. College cars go south to Washington St., west to Illinois St., north to Ohio St. and east to Massachusetts Ave., between 8 a. m. and 2 p. m. during the fair.

at 8 tonight in front of the grand stand, weather permitting.

Only eighteen months old, the Whitehead (Ind.) fifty-five band won \$25 by taking first prize in the State high school band contest. Lionizer won second prize.

Trafficker Tom Sloman, who keeps vehicles moving at Thirty-Eighth St. and the street entrance, was a busy man today.

# AVENGES SON'S DEATH Italian Mother Kills Man After Six-Year Grudge

NEW YORK, Sept. 6.—Mrs. Josephine Cagnina, whose son died six years ago in a fight when he resented a slur on her, was to be arraigned in Essex Market Court this morning, charged with slaying Andrew Ficarelli in revenge.

The State's witness was 7-year-old Christie Lorenzo.

He told police he saw Mrs. Cagnina whip a revolver out of her dress late Sunday, fire five shots at Ficarelli and hurl an umbrella into the dying man's face in a final gesture of fury. One of the shots pierced Ficarelli's head. He slumped to the street and died enroute to a hospital.

Mrs. Cagnina admitted to Assistant District Attorney Joseph Pasacolla that she left her husband because he would not kill Ficarelli and that she procured her weapon from Italy, he said.

# SCENE SHIFTERS HAPPY More Than 2,200 New York Stage Hands Get Wage Increase.

NEW YORK, Sept. 6.—The shifters of scenery in New York's theaters have been granted wage increases of from 20 to 40 per cent. More than 2,200 stage hands are employed in Manhattan playhouses, and all are affected by the new agreement, irrespective of whether their places of employment are the musical comedy, revue houses or the theaters where dramas are produced.

# TWO NEGROES ARE MURDERED HERE; MAN SURRENDERS

Woman Shot Down on Porch of Home—Man in Street.

One Negro was held today in the investigation of the murder of a Negro Sunday and the slayer of a Negro woman was sought by police.

Susie Anderson, Negro, 28, of 2213 Yandes St., was shot through the head Sunday night on the porch of her home. Joe Thomas, Negro, of the Joe Bell farm on Kessler Blvd., who was with Miss Anderson, said the shooting was done by Roy Simmons, Negro, 25, Torbett St. Police are looking for Simmons.

**Shot on Porch**

According to Thomas, he came home with Miss Anderson in a taxi and had just entered the house when Simmons came to the door. The woman said that she did not want to see him, but was finally persuaded to go out on the porch. When she did so, Simmons fired.

Deputy Coroner C. A. Toles investigated.

Thomas told police that Simmons put the gun to his own head and attempted suicide.

Ed Carpenter, Negro, of 755 Edgemont St., surrendered after shooting Laurence Woodson, 42, Negro, of 755 Edgemont St. The shooting occurred at noon at Edgemont St. and North-western Ave. Detectives Peats and Radamacher found Woodson lying on the sidewalk with a fatal wound in his left breast.

**Had Quarrel**

According to witnesses, the men had been quarreling and Woodson struck Carpenter with a knife. Carpenter fired five shots, several taking effect.

Carpenter fled, but later came to headquarters and gave himself up. He was slated on charge of murder. Sunday shootings make a total of three Negro murders in the last four days.

# MARTIAL LAW IN SPAIN'S UPHEAVAL

(Continued From Page 1)

Segovia, without knowledge of the minister, ordered his troops concentrated at headquarters to be prepared "in the event that other troops from Madrid might attack them."

These two overt acts caused General De Rivera to decide upon martial law as the only means of controlling the situation. Both the artillery commander and the commanding officer at Segovia were arrested.

**The King's Decree**

Both King Alfonso and De Rivera signed the following decree of martial law:

"In accordance with the decision of the council of ministers, martial law is proclaimed throughout Spain and also in the Balearic and Canary Islands. All who oppose or resist the government's orders in connection with the present decree will be considered rebels in the face of the enemy and will be judged by summary jurisdiction. All persons will be considered equally implicated who help such opposition or resistance, directly or indirectly, and also who refuse assistance to the government in dealing with resistance."

The decree dismissing the artillery officers excludes those in Morocco, because "their conception of duty certainly will prevent them from committing the faults which necessitated this decree."

The government subsequently issued a communique in which it was asserted that the crisis had passed with the submission of the officers involved.

**Keep in Trim!**

Good Elimination Is Essential to Good Health.

It is well, keep your eliminative system active! The kidneys are the blood filters. If they fail to function as they should, there is apt to be a retention of body poisons. Symptoms are a dull languid feeling and, often, toxic backaches, headaches, and dizziness. That the kidneys are not functioning properly is sometimes shown by pain and irregularity. More and more people are learning to assist their kidneys by drinking plenty of pure water and the occasional use of a stimulant diuretic. Doan's Pills have been publicly recommended by more than 50,000 endorsers. Ask your neighbor!

# AUTO, \$125 CASH BANDITS' LOOT IN THREE HOLD-UPS

Barbecue, Garage and Milkman Are Robbed—Two Arrests.

An automobile and more than \$125 in cash was the loot of bandits in three hold-ups between midnight and dawn today. Different gangs of bandits staged each of the hold-ups, police believe.

Homer Mays, 425 W. St. Clair St., and Tom Clark, 321 W. Michigan St., Negro night men at the Penn garage, 928 N. Pennsylvania St., reported three masked white men, covering their faces with handkerchiefs, stole a big Studebaker sedan belonging to C. O. Roome, 1120 N. Pennsylvania St.

The bandit trio changed license plates on the car before removing it from the garage.

**Barbecue Robbed**

Southern Style Barbecue, 472 Massachusetts Ave., was held up about 3:45 a. m. and more than \$100 taken. Masked bandits entered and forced Edward Bailey and his wife, 509 N. New Jersey St., to hand over the money. They covered them and E. C. Grubbs, Negro, 1628 N. Meridian St., night porter, with revolvers. Rooble Cyner, 3916 E. Thirtieth St., driver for the East End Milk Company, reported being held up by two masked men and robbed of between \$20 and \$25 about 4:45 a. m. on his route.

**Woman in Gang**

He said that the two men and a woman in a roadster had followed him for several blocks. William McQueen, 29, Senate hotel, and Errol Mushrush, 26, of 1395 Hoefgen St., are held on vagrancy charges under \$5,000 bonds for questioning in connection with the hold up of the Pure Oil Filling Station, Sixty-third and Bellefontaine Sts. Saturday night. About \$100 was taken from Clyde Overman, 1939 Ashland Ave., attendant.

# CENTRAL COLLEGE TO OPEN TUESDAY

Faculty Changes Are Announced.

Doors of Indiana Central College will open for registration Tuesday morning. More than 400 students have reserved rooms in the dormitories. Last year there were only a little over 300 enrolled and this year that number is expected to double according to school authorities.

Several changes in the faculty and additions made in the various departments are announced.

Mrs. Jane Burroughs, of Depaw, will head the music department this year. Miss Bernice Fox, also of Depaw, will be another new professor in the music department.

Miss Hilda Asadian, of New York City, will take charge of the primary teaching in the normal department and will also assist Professor Marshall.

Miss Florence Holloway of Bloomington, Ind., will be dean of the girls' dormitory and also head of the Spanish department.

The Rev. D. H. Gilliat of Evansville, Ind., will head the Bible and religious education department.

Miss Leora Welmer of Northwestern University, will take charge of the new normal department.

Burtrand "Red" Haviland has been appointed assistant coach of football and baseball and head coach of basketball.

Paul G. Snively of Columbus, Ind., was appointed last spring as secretary to President I. J. Good.

**K. C. CLASS TO OPEN**

The fourth year of the naturalization class conducted by the Knights of Columbus will open Thursday at 7:30 p. m. at the Catholic community center, 1004 N. Pennsylvania St.

The school furnishes free books and instruction to prepare applicants for citizenship. Over 3,000 persons have been aided since the class was started in 1923. Instruction is given in fourteen languages, English, Portuguese, Romanian, German, Slovenian, Spanish, Italian, French, Bohemian, Lithuanian, Hebrew, Polish, Croatian, Arabic.

# Headed P. O. Clerks Committee

Frank Weller

The ninth annual State convention of the Indiana Federation of Postoffice Clerks, was held today at the Denison. Frank Weller, president of Local 130, the Indianapolis organization of the body, directed committees which arranged the events. After addresses by Mayor Duval and Postmaster Robert H. Bryson, a business session was held this morning.

Entertainment programs were to be staged at Garfield park this afternoon and evening. Leo E. George, national president of the organization attended and addressed the morning session and was to be on the program tonight.

# MR. FIXIT

Monon Crossing Dangerous, Says Correspondent.

Let Mr. Fixit present your case to the State Rd. 1 crossing of the Monon Railroad is an accident hazard that should be corrected, in the view of one of Mr. Fixit's correspondents.

DEAR MR. FIXIT: At Seventy-fifth St. and State Rd. 1, the Monon Railroad is elevated at an extremely steep grade. A freight switch for the accommodation of the builders of the blind institute has been added to the regular tracks, but at a higher level.

This makes a very dangerous crossing, since drivers approaching from the opposite sides cannot see each other. Also, the condition of the tracks makes the stalling of machines very likely.

**DR. LOUIS BURCHARDT.**

You are perfectly right about this crossing. The city engineer's department will investigate to see if a remedy can be found.

DEAR MR. FIXIT: This is a kick from one who walks. Ethel St., near Twenty-ninth St. to Udel St., needs grading. The street is higher than the pavement, and it is the only paved outlet. But it is impassable in wet weather.

**PEDESTRIAN.**

If funds are available, this situation will be corrected.

# 'PEACEMAKER' WOUNDED

Detectives today investigated a report by John Duchesne, 1410 E. Tenth St., that in the 1500 block on Massachusetts Ave., he saw three men and three women fighting.

Duchesne told police that when he attempted to stop the fight one of the men drew a gun and shot three times. One of the bullets glanced off the sidewalk and struck him in the leg.

Following the shooting, Duchesne said, the party drove away, leaving him on the sidewalk. He obtained the license number of the car.

# ANTI-POLLUTION BILL IS PLANNED

Walton League Indiana Head to Present It.

An anti-pollution bill, to be presented to the Legislature in January by State Senator L. G. Bradford of South Bend, president of the Indiana division of the Izak Walton League of America, will be one of the steps to be taken by the league in Indiana to eliminate all poisoning of the waters of the State, according to Ed H. Philippi, league executive secretary.

"Chances of the passage of the anti-pollution bill to be presented by Senator Bradford are exceedingly bright," said Philippi. "The Indiana State board of health and the conservation commission are hand in hand with the bill."

"Senator Bradford and the rest of the officers of the Indiana State division of the Izak Walton league are deserving of great credit for their constant and effective battle against many obstacles to place conservation throughout the State. President Bradford already has passed sixteen Izak Walton bills in the State Senate."

# STATE RECORDS 7 DEAD IN MISHAPS

Local Woman Drowns When Car Overturns.

Seven persons were dead in Indiana today as the week-end toll of auto accidents and drownings.

Three persons drowned at Lafayette when a motor boat capsized in the Wabash River. The dead are Bertram Huber, 49; Charles Shriner, 7, and Paul Shriner, 13, all of West Lafayette. Four other persons in the boat swam to safety. The tragedy occurred during a reunion of the Shriner family.

Mrs. Edith Selbert, Indianapolis, drowned in a ditch at the side of State Rd. 6, near Lebanon, when the auto she was riding left the road and overturned.

She was pinned beneath the car and drowned before the machine could be lifted. The driver of the auto was blinded by the lights of an approaching car.

Injuries received when an auto went over an embankment near Lafayette caused the death in a Lafayette Hospital of Mrs. Ellenga, 77.

An auto skidded on a slippery pavement at Richmond and hit a tree, killing Mrs. Earl Wright of Hartsville. Two other occupants of the auto were badly hurt.

Robert Morris, 20, died at New Albany from a fractured skull received in an auto accident.
