By United Press
NEW YORK, Sept. 9.—Stocks recovered sharply from Wednesday's late reaction at the start of trading, reflecting the relief felt in speculative circles over continuance of the redemptive rate at Boston at 4 per cent.

General Motors rebounded a point to 218 and Steel 3% to 150. Vigorous bullish demonstration was resumed in special issues. Radio Corporation gained a point to 50, while Warner Brothers ran up 2 points to 55 and Postum Cereal 1% to 108.

Stocks developed a greatly improved tone toward noon under the influence of a better demand for rail and industrial leaders. C. & O. jumped 4 1/2 points to 162 1/2 on estimates by a minority stockholders' committee that the balance for the stock this year would be \$25.17 a share. Norfolk & Western advanced fractionally to 165 1/4 on buying demand on the belief that the company might take steps about divorcing its California holdings before the Pennsylvania lease is consummated.
