

MEXICANS HOLD RELIGIOUS RITES IN THEIR HOMES

Result of Church and State Conflict—Have Semi-Public Attendance.

By United Press
MEXICO CITY, Sept. 15.—Observance of religious ceremonies in private homes, but with semi-public attendance, has begun as a result of the conflict between Church and State. Many priests and even bishops are hearing confessions and accepting fees for their services in private homes throughout the capital.

Very limited numbers of the faithful are being served in this manner, but even the scant attendance with possibly limited remuneration to the priests, is serving to a degree to offset the effects of the religious laws.

Propaganda in behalf of the various Catholic organizations and in support of the economic boycott is being carried on by means of circulars distributed by hand and secretly to the faithful. These single sheet "broadsides" often contain vehement attacks on the legality of the State's position and give news of church matters that might not otherwise appear in print.

One of the most interesting of these sheets is called "Desde Mi Sotano"—"from my cellar"—and is filled with anti-State editorials.

In a recent number an attack is made on the government, on the theory that its international relationships, particularly with the United States are driving the country to destruction. Fear is expressed that American intervention will ultimately result.

The first American railway, built for steam locomotives, was begun in 1839.

AWFUL PAIN IN SIDE AND BACK QUICKLY ENDS

Indianapolis Lady Marvels at the Wonderful Work of Konjola.

Konjola has become known as a medicine which is doing everything claimed for it. Thousands of Indianapolis people afflicted with stomach, liver, kidney and bowel disorders have taken this celebrated new compound and afterward becoming amazed at the great benefits.

MRS. MINNIE MASON

rived from its use. For instance, just recently, Mrs. Minnie Mason, popular local lady, living at 452 Haugh Street, this city, made the following statement to the Konjola Man at Hook's drug store, Pennsylvania and Market Streets, where he is explaining this surprising remedy to large crowds daily.

"I've certainly found blessed relief in your Konjola, and I don't hesitate to tell the public about such a splendid medicine," said Mrs. Mason. "I was relieved almost at once of those terrible pains in my side and back, and at the same time Konjola made a great change in my whole general system, so that I began to enjoy good health in every way."

"I had been troubled with my stomach, liver, kidneys and bowels. Every meal I ate caused a heavy, bloated feeling in my stomach, so that my heart would skip beats. I became short of breath, and always had a hot, burning sensation from my throat to stomach. I was bilious most all the time, had sick headaches every day and would get so light-headed and dizzy that I had to sit down and rest several times throughout the day. The condition of my kidneys got so bad that sharp, agonizing pains would center in my side and back, and my limbs and ankles were swollen."

"I was in this terrible state of health when I got my first bottle of Konjola. Before it was half gone I noticed my stomach was so improved that I could eat almost anything and my digestion was fine. The awful back pains left me about the second day and never returned. I've taken five bottles of Konjola now, and anyone can notice the great change in my whole appearance. All the bloating, belching and heartburn is gone and my stomach is in wonderful condition. I don't have the bilious or dizzy spells and the sick headaches do not come. The swelling has gone from my limbs and ankles but most of all I am thankful for being free of the awful pains in my side and back."

"Konjola has really built up my whole body to new health, and also banished a case of constipation that I was subject to for many years. I think this medicine is marvelous and I gladly praise it."

The Konjola Man is at Hook's drug store, Pennsylvania and Market Streets, Indianapolis, where he is daily meeting the local public and introducing and explaining the merits of this remedy. Free samples given.

Konjola is for sale by every Hook drug store in Indianapolis, and by other druggists throughout this section.

League's General Assembly Head

Foreign Minister Nintchith was elected president of the seventh general assembly of the league of nations, now being held in Geneva.

SCHOOLS RECORD RAPID PROGRESS

Supervised Counties Show Superiority.

Johnson and Lagrange county school children progressed 25 per cent more rapidly under the supervised system of education last year than in the two unsupervised counties, Rush and Whitley, according to the annual report of the General Education Board, which financed the two-year experiment.

Findings of the board, acting in cooperation with the State department of public instruction, were made public today by Dr. Henry Noble Sherwood, State superintendent. The first year of the experiment school children in supervised counties showed 14.3 more progress than those in unsupervised counties. The second year superiority was more marked, progress in Johnson and Lagrange counties proving 25.7 more rapid.

Dr. H. L. Smith, dean of Indiana University school of education, had charge of the experiment, assisted in Johnson and Lagrange counties by skilled supervisors.

PHONE RATE REDUCTION

New Schedule To Be Effective Here on Long Distance Calls.

Substantial reduction in long-distance telephone calls to points outside the State, effective Oct. 1, were announced today by the Indiana Bell Telephone Company. A station-to-station call from Indianapolis to New York City, which now costs \$4.15 for three minutes, will cost only \$3.05 under the new schedule. Similarly, calls to Kansas City will be reduced from \$2.95 to \$2.25; San Francisco, from \$12.55 to \$8.05, etc. It was pointed out. Reversal of charges on station-to-station calls will be allowed.

PURDUE TERM STARTS

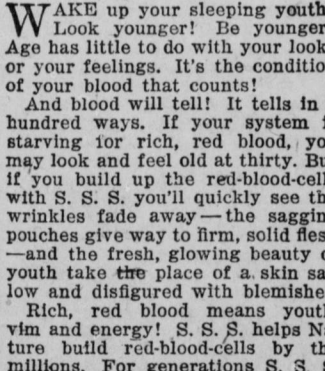

Convocation Addressed by President—2,600 Already Enrolled.

By United Press
LAFAYETTE, Ind., Sept. 15.—The fall semester at Purdue University was formally opened today with a convocation of students addressed by President E. C. Elliott and Prof. T. F. Moran.

Registration continued, with more than 2,600 students already enrolled.

INDIANA TROOPS READY

Indiana National Guard troops are in fit condition for combat service on three months' notice, Adj. Gen. William H. Kershner has been informed by the War Department. The report was made on a showing of Indiana troops in training recently at Camp Knox, Ky.

Look Younger
WAKE up your sleeping youth! Look younger! Be younger! Age has little to do with your looks or your feelings. It's the condition of your blood that counts! And blood will tell! It tells in a hundred ways. If your system is starving for rich, red blood, you may look and feel old at thirty. But if you build up the red-blood-cells with S. S. S., you'll quickly see the wrinkles fade away—the sagging pouches give way to firm, solid flesh—and the fresh, glowing beauty of youth take the place of a skin sallow and disfigured with blemishes. Rich, red blood means youth, vim and energy! S. S. S. helps Nature build red-blood-cells by the millions. For generations S. S. S. has been keeping people looking and feeling young. Fresh, cleansing, purifying, rich red blood that S. S. S. helps Nature build, nourishes every muscle, organ and tissue of the body. Pimples, blotches and blackheads disappear. Bolls, eczema and ashes dry up. Your face—your body—your whole being takes on the look and power of youth. Wake up your system with S. S. S. Build red blood and you rebuild youth! Get S. S. S. from any druggist. The larger bottle is more economical.

INDIANA'S CORN OUTLOOK GOOD, SAYS FORECAST

Purdue Station Predicts Production of 694,000 Bushels.

By United Press
LAFAYETTE, Ind., Sept. 15.—A production of 170,694,000 bushels of corn in Indiana this year is indicated in a forecast released today by the Purdue agricultural experiment station.

The condition of the crop is ten points better than the July forecast, due to abundant rainfall and high temperatures of August, which increased the prospects of a good yield.

Corn is further green and the usual fear of frost is expressed by farmers.

The same conditions which improved the prospects for the corn yield were unfavorable for oats in the shock with the result that the forecast for the yield in 11 per cent lower. It is estimated the crop will be 63,017,000 bushels. Rains since the first of September

have probably increased the damage since the report was compiled. Improved prospects for a good fruit yield were noted and the forecast predicted the improvement would add 352,000 bushels to the estimated yield for apples, 63,000 bushels to the peach forecast and 79,000 tons to the grape forecast.

City Librarian Charles E. Rush will speak at the American Library Association meeting next month at

Wife Eats Feels Fine Husband Happy

After having tried everything for his wife's stomach trouble, F. M. Noble is happy now because he found Adlerika. This helped her and now she eats and sleeps fine.

Adlerika gives the system a REAL cleansing and brings out old metabolic poisons which may have caused trouble for a long time. Just ONE essential relieves GAS and takes away that full bloated feeling so that you can sleep at night without rolling from side to side. Even if your bowels move every day, Adlerika removes much additional poisonous matter which you never thought was in your system and which caused sour stomach, nervousness, sleeplessness, headache, etc. Don't wait any longer, but let Adlerika give your stomach and bowels a QUICK relief. At leading druggists. Sold in Indianapolis by the Hook Drug Co., Haug Drug Co. and other leading druggists.

Atlantic City, N. J. Delegates will visit Philadelphia, Pa., during the session. School board officials granted Rush permission to attend the session.

The British empire covers about one-fourth of the world's habitable land surface.

Sweet Sleep

For painless extracting vitalized air (oxygen and gas) is very pleasant to take. Just a few breaths and you drop off into a quiet, pleasant and sweet sleep, and you feel absolutely nothing. One tooth or thirty. All the same; not an ache or pain.

Just simply wonderful, that's all.

ROOFLESS PLATE
This remarkable Roofless Plate, which has revolutionized artificial teeth construction, is the creation of Drs. Eiteljorg & Moore, the oldest firm in the city.
