

FOR C. OF C. TO HELP LEGION GET OUT VOTES

Committee Named by Harrison—Chicago Attorney Gives Campaign Stimulus.

William Henry Harrison, president of the Indianapolis Junior Chamber of Commerce, today pledged support of his organization to assist the American Legion in a Get-Out-the-Vote campaign. The following members will work under Harrison, with a similar committee from the Legion: M. L. McManus, Walter Rothermel, Harold Brady and Walter Wickliff.

"This committee shall do all within its power to urge all citizens on a non-partisan basis to exercise their right of franchise, in the interest of obtaining better government by electing the best possible officers," Harrison said.

Stimulus to the local campaign was given Monday night by William D. Saltiel, Chicago attorney and national chairman of the Junior Chamber of Commerce Get-Out-the-Vote Campaign.

"When Lincoln was elected, 50 per cent of all eligible voters went to the polls for the national election, but today only 50 per cent goes and there is a steady decline," said Saltiel.

"The vote slacker is one of the greatest nuisances and dangers of American Governmental life. There are so few good voters that the so-called citizens drop out and the 'boss' controlled voter comes to the front," Saltiel asserted.

Saltiel said in Chicago 10,000 Boy Scouts made a house-to-house canvass and secured names of 250,000 eligible voters. He declared that the local Junior Chamber of Commerce can get splendid results by coordinating its campaign with other civic organizations.

BELL WILL MAKE CHANGE IN RATES

Higher Toll for Station-to-Station Night Calls.

An authority on the public service commission, the Indiana Bell Telephone Company will place in effect Friday a revised schedule of rates on station-to-station night calls between points within the State. A similar change recently was made in interstate calls. Net effect of the change in both cases, is to eliminate the 75 per cent reduction in station-to-station calls between midnight and 4:30 a. m.

The new schedule allows a 25 per cent reduction in station-to-station calls between 7 and 8:30 p. m. and 50 per cent between 8:30 p. m. and 4:30 a. m. Under the old schedule the Bell allowed a 50 per cent reduction on station-to-station calls between midnight and 4:30 a. m.

Despite the increase in the cost of after midnight calls, the company declares it will lose \$15,000 a year on the new rates.
