

# **AUTO AND TRUCK CRASH; WOMAN IS CRITICALLY HURT**

Eleven Other Persons Injured in Traffic Accidents.

One woman was in a critical condition at the city hospital today; two men are seriously injured, and a girl cut and bruised, the result of a crash between an auto and truck, in which an iron trolley pole figured, at 716 Massachusetts Ave., at 1 a. m. today.

Eight other persons were injured, five badly, in other accidents late Tuesday and early today.

Mrs. Edith Richardson, 35, of 1817 Holloway Ave., has a fractured skull, internal injuries, and cuts and bruises. Her daughter, Dorothy Wencke, 12, was taken home cut and bruised. Dr. Frank Stroup, 36, Franklin, Ind., was treated for internal injuries, and cuts about the face, and Malcolm Halliday, 36, of Franklin, Ind., is suffering from serious head injuries and cuts and bruises. All were hurt in the Massachusetts Ave. accident.

**Started Home**

According to police, Mrs. Richardson and her daughter were visiting friends, and Stroup, who was there, volunteered to take them home. Halliday accompanied them. Witnesses said Stroup was traveling thirty-five miles an hour when Raymond Sweetney, Negro, 651 Muskingum St., drove his truck out of the alley.

The auto sidestepped the truck and slid to the north curb, where it crashed into the iron trolley pole and was demolished. Mrs. Richardson was thrown out of the car.

**Charges Made**

Charges of speeding, assault and battery, and contributing to the neglect were lodged against Stroup and a child neglect charge against Mrs. Richardson.

Marion Stevens, 3659 Wheeler St., received a broken leg and possible skull fracture in an accident at Keystone Ave. and Thirty-Eighth St.

# **RHEUMATISM HAS VANISHED SINCE SHE GOT KONJOLA**

Limbs Swollen; Joints Stiff and Rigid; All Relieved, Local Lady States.

My son was the first in our family to benefit by taking Konjola, and then I started taking this medicine myself and it has also cleared up a bad case of rheumatism for me, so there is no doubt in my mind about

MRS. EMMA BAXTER

The wonderful work of this new remedy," said Mrs. Emma Baxter, well known Indianapolis lady, living at 2417 Southeastern Ave., this city. In a recent statement she gave to the Konjola Man who is explaining this celebrated new compound to crowds of men and women daily at Hook's drug store, Pennsylvania and Market Streets, Indianapolis.

"I was a sufferer for ten years," continued Mrs. Baxter. "Both of my limbs were swollen almost twice their normal size. The joints of my knees and ankles were stiff and rigid. It seemed like my muscles were cramped and the pain felt like the leaders were being torn loose from my limbs. All last summer I had to limp nearly every step I took. My wrists and hands were swollen, and it seemed like my fingers were actually bent out of shape. I often had light-headed, dizzy spells when everything would turn black in front of me, and I suffered every night with that awful rheumatism, was badly constipated besides, and had a constant burning-down feeling in my lower stomach."

"Well, Konjola helped my son so much that I had faith in it, but I never thought this medicine would do as much for me as it did. I felt a great change in my condition almost at once after I got Konjola, and pretty soon I noticed the constipation was gone entirely and I could sleep all night without waking up once. In about a week I noticed the rheumatism was easing up and I could walk better. I kept right on taking Konjola, and now it's the absolute truth that all my aches and pains are ended. The swelling has left my limbs and I can walk so good that no one would ever think I once had rheumatism. I can use my hands, because they never cramp or swell up, and I haven't had a dizzy spell since I first started taking Konjola."

"I don't hesitate to say that I never felt better in my life than I do now since I got this wonderful medicine, and when my friends ask me what I have done for myself I praise Konjola in the highest terms possible."

The Konjola man is at Hook's drug store, Pennsylvania and Market Sts., Indianapolis, where he is daily meeting the public and introducing and explaining the merits of this remedy. Konjola is sold in every Hook drug store in Indianapolis and by leading druggists in the nearby towns throughout this section.—Advertisement.

# **LIQUOR CASE MAY GO TO U. S. JURY, ASSERTS BECKETT**

Decries Court Action in Dismissing Charge Against Woman.

A liquor case, in which Mrs. Maime Lucas, Georgia Apts., 702 E. Georgia St., was charged with blind tiger, may be taken to the Federal grand jury. Deputy Attorney General Joe Rand Beckett asserted today, following action of Judge Pro Tem. Lawrence Shaw in dismissing the charge against Mrs. Lucas in municipal court two Tuesdays.

"It was one of the most absurd actions I ever have seen," Beckett asserted, conferring with Prosecutor William H. Remy regarding Tuesday's action.

The case, originally before Judge Dan Y. White, was venue to the court of Judge Fred McAllister, and Shaw substituted for McAllister.

Motion to suppress the evidence, on grounds that the search warrant was illegal, was upheld by Shaw. Officers who visited the apartment of Mrs. Lucas asserted that their warrant was correctly drawn and that they found there #07 bottles of home brew, 100 bottles on ice, forty gallons brewing, one-half gallon of white mule, 400 bottle caps and other apparatus. They said that Mrs. Lucas admitted ownership of the liquor.

"The judge did not examine the warrant to find whether or not it was correctly drawn," Beckett asserted.

**By United Press**

WASHINGTON, Sept. 29.—President Coolidge has been prevailed upon by Republican leaders to take a more active part than he had planned in the party battle to retain control of Congress.

Republican scouts who have toured the country have returned to the White House with the information that only the complete personal support of the chief executive will brighten the hopes of party candidates in many sections whose chances are not as promising as public statements of campaign managers would indicate.

The President will attend the Army-Navy football game in Chicago, Nov. 27, according to present plans. He does not expect to take advantage of his presence in Chicago to deliver an address.

8,549,511 Working Women in United States

MRS. W. M. BAILEY  
R. F. D. No. 5, Box 27, ATLANTA, GEORGIA

**Many Say Lydia E. Pinkham's Vegetable Compound Helps Keep Them Fit to Work**

8,549,511 women would be a vast army. According to the 1920 Census of Manufactures, that is the number of women and girls employed in all trades in the United States.

Napoleon said, "An army travels on its stomach." This army of women travels on its general health. Every working girl knows that time lost through illness seldom is paid for and seldom can be made up. Employers demand regularity. It also

wants to keep her job or hopes for a better one, she must guard her health.

Atlanta, Ga.—"My system was weak and run-down, and I was tired. I was this way for five years or more. I read your advertisement in the papers and I decided to try your medicine, the Vegetable Compound, but I did not begin to take it regularly until after I was married. I got so much good from it that I feel fine and have gained in weight. I work in a broom shop, but my work is not so hard on me now, and I keep my own house, and work my garden, too. I am telling all my friends of Lydia E. Pinkham's Vegetable Compound and how it has helped me."—Mrs. W. M. BAILEY, R. F. D. No. 5, Box 27, Atlanta, Georgia.

# **Missouri Woman Helped**

Parkville, Mo.—"I am proud to recommend Lydia E. Pinkham's Vegetable Compound. I was so ill that I could not lie down at night. Then I got my husband to go to the store and buy me a bottle of Lydia E. Pinkham's Vegetable Compound and I was up and around before the first bottle was gone, although I only weighed about ninety pounds. I took six or eight bottles and was able to do all my housework, washing and ironing, take care of my five boys, and tend to my chickens and garden, where before I had to hire my washing and part of my housework."—Mrs. ANNA COLE, R. R. 2, Parkville, Missouri.
