

NEW ARTISTS ARE BOOKED FOR RADIO PROGRAM FRIDAY

Old Favorites Also Will Appear as Part of Times' Entertainment.

Artists new to Indianapolis radio fans and others extremely well liked will be on The Indianapolis Times radio program Friday night over WFBM, Merchants Heat and Light Company from the studio at the Severin.

The old favorites will be the Universal Syncopators, a jazz and dance playing orchestra which was royally received last season on a Times program. There were so many requests for them that these musicians consented to arrange a special program for Friday night.

Another favorite will be Leathem Emmons, a pianist.

The new artists will include: Leo Mae Grady, a singer who will sing while Miss Emmons plays; Mrs. Joseph Chicoin, a professional singer of Chicago who is the guest of Mrs. Jack Smead of the Severin; Mr. Pauline Bede, guest of the pianist of the Universal Syncopators; Dillard E. Harker, baritone, in two groups of songs and Miss Frances McCon nell.

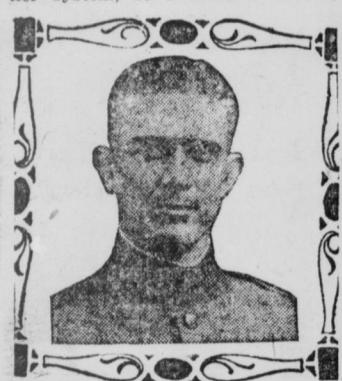

There will be a lot of novelty as well as artists new to local radio fans.

Sea bathing was held scandalous in England until the beginning of the ninth century, and persons who took a dip in the ocean were apt to be forcibly "retrieved" by those who thought they had gone mad.

SORENESS IN BACK DISTURBED REST; ALL RELIEVED NOW

Local World War Veteran Says Konjola Banished His Health Troubles.

"Both my wife and myself have been relieved by taking Konjola. This medicine completely banished the health troubles I suffered from disordered kidneys, and relieved my wife of stomach misery and built up her system, so I think it is only

MR. JAMES H. DIGGS

right for us to endorse Konjola," said Mr. James H. Diggs, well known Indianapolis citizen (who formerly served in the world war) now residing at 220 N. Noble St., this city, in a recent statement to the Konjola Man at Hook's drug store, Pennsylvania and Market Sts., Indianapolis, where crowds are calling daily to find out about this remarkable new medical compound.

"For a long time I was subject to violent back-aches," continued Mr. Diggs. "I would get so sore I couldn't stand to be touched. If I attempted to stoop over or straighten up the pains would be terrific—just like the blade of a knife cutting me. There wasn't a night passed when I could sleep undisturbed, and I always experienced a terrible burning in my bladder. Besides all this misery, I was subject to awful, dizzy headaches, gas and bloating on my stomach, and a heavy, painful feeling in the lower part of my intestines.

"I started taking Konjola and relief came almost at once and in a short time I could safely say I was free of kidney trouble. I began to get peaceful, refreshing sleep every night. All the soreness and pains have left my back. I could notice some real relief from the stomach trouble about the third day. I had a hearty appetite, and my food was digesting as it should. Now the gas and bloating is gone, the sick, dizzy headaches do not come, and the bladder irritations are relieved. I am free of all my health troubles now, and it was Konjola alone that did the work, so I can't help but recommend such a medicine."

Konjola is non-alcoholic. It is different than any medicine previously known. Where many ordinary remedies contain only 7 or 8 herbal ingredients, which merely act as a laxative, this new Konjola contains twenty-two juices extracted from natural plants which invigorate the stomach, liver, kidneys and bowels to more healthy action. The effect of Konjola on the whole inner system brings amazing relief in cases of suffering that had been going on for years. At the same time many sick and rundown systems have been restored to a new state of health through the use of this compound. Such a vast number of men and women in this city have benefited by taking Konjola, until now it has become the most highly endorsed medicine that is known in this vicinity.

The Konjola Man is at Hook's drug store, Pennsylvania and Market Sts., Indianapolis, where he is daily meeting the local public and introducing and explaining the merits of this remedy. Konjola is sold by every Hook store in Indianapolis and by all good druggists in the nearby towns throughout this section—Advertisement.
