

# CITY WILL FILE SUIT FOR \$3,224

Say Not One Cent Paid on  
Box Co. Contract.

Immediate suit will be brought by the board of works against the Sanitary Waste Paper Box Company to enforce collection of \$3,224 which the board alleges is due on contract.

This action was taken after Thomas Hatfield, company president, appeared before the board Wednesday and insisted that the agreement with the company stipulated that the company pay the city a dollar per year for each box placed in the downtown district, rather than a dollar per month as the city contends.

City Attorney John K. Ruckelshaus, in an opinion to the board, declared that the original contract, which has been changed by pen to read \$1 per year instead of \$1 per month was illegal.

According to the minutes of the board and the council the contract reads \$1 per month, and the suit will be instituted on this basis.

The contract was entered into in August, 1924. The company has not paid the board one cent so far, Roy C. Shanesberger, board president, said.

# LOOK AT CHILD'S TONGUE IF SICK, CROSS, FEVERISH

Hurry, Mother! Remove poisons from little stomach, liver, bowels

Give "California Fig Syrup" at once if bilious or constipated

Look at the tongue, Mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once.

When peevish, cross, listless, pale, doesn't sleep, doesn't eat or act natural, or is feverish, stomach sour, breath bad, has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Fig Syrup," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of the little bowels without gripping, and you have a well, playful child again.

You needn't coax sick children to take this harmless, "fruity laxative," they love its delicious taste, and it always makes them feel splendid. Ask your druggist for a bottle of "California Fig Syrup," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. To be sure you get the genuine, ask to see that it is made by the "California Fig Syrup Company." Refuse any other kind with contempt.—Advertisement.

Colds Reduce Your Income

In the office, in the school room, in the "movie," or anywhere, if your neighbor has a cold and sneezes or coughs, the air is full of germs and if your vitality is low, you'll get an easy mark for colds and may come ill, and lose two or three days' time. Build up your health with that splendid herbal tonic,

## DR. PIERCE'S GOLDEN MEDICAL DISCOVERY

It increases the appetite, stimulates the digestion, helps to enrich the blood and puts you in fine condition.

If your druggist does not sell the Medical Discovery, in liquid or tablets, you can obtain a pkg. of the tablets by sending 65 cents to the Dr. Pierce Clinic, in Buffalo, N. Y.

## Fights Against Hour in Cell

Mrs. Myrtle Lancaster, of Tulsa, Okla., was sentenced to one hour in the penitentiary for assault with intent to kill. But Governor Johnston granted a stay of execution and has been asked to pardon the woman, who is the mother of five children. Civic and charitable organizations protested, arguing that the stigma of a penitentiary sentence should not be enforced where the crime deserves no more than sixty minutes in jail.

## LEGION ASSISTS SOLDIER LOANS

Posts Throughout State Are Prepared to Help.

American Legion posts throughout the State were ready today to assist ex-service men in securing loans through the Indianapolis Regional office of the Veterans Bureau in securing loans on adjusted compensation certificates, it was announced here today by J. H. Klinger, State adjutant of the Legion.

The Veterans Bureau loans became available here today, and brings relief to a situation which arose when banks in some sections of the State refused to make the loans, when such loans became available under the law on Jan. 1. The basis on which loans are now made makes necessary the identification of the veteran by an official of an American Legion post, by a notary's sworn statement, or by a postmaster.

Blanks which serve as note form and identification certificate are now in the hands of post commanders, adjutants, service officers and finance officers throughout the State, it was stated.
